Marni Bates, 2016-11-04 Sixteen year old Emmy Danvers was just trying to write a halfway decent romance novel when a senile old man mumbled a cryptic warning tackled her to the ground in the middle of Starbucks and died right on top of her. Unfortunately for Emmy the incident wasn't quite as random as she thought and it turns out that the old man might have taken a bullet for her. Not only that he slipped something into her pocket a digital tablet containing secrets that she has no idea how to unlock but that others are ready to kill for. Thrust into a world where nothing is as it seems Emmy must try to track down her absentee father deal with a flirtatious bad boy who may or may not be on her side and oh yeah stay one step ahead of the killers lurking in the shadows of an exclusive prep school. The old man's parting advice to trust nobody doesn't sound so crazy after all. Bates weaves a fast paced heart in throat thriller. Mary Elizabeth Summer author of Trust Me I'm Lying and Trust Me I'm Trouble Dial Em for Murder kept me up with all the lights on long past my bedtime. Tracy Dees author of Doomed and The Tempest series and coauthor of The Hero Agenda series Marni Bates's Dial Em for Murder has it all quirky humor pulse quickening action and a sassy heroine you'll love. Emily McKay author of The Farm series A funny and engaging read that will keep you guessing. Paula Stokes author of Liars Inc Empowerment Versus Oppression Sally Goade, 2007 The title of Empowerment versus Oppression Twenty First Century Views of Popular Romance Novels comes from the central question evident in popular romance criticism for at least the past thirty years Are women readers and writers oppressed by their commitment to a narrative with an essentially patriarchal heterosexual relationship at its center or are they somehow empowered by their ability to create escape to and transform the romance narrative into a vehicle for reimagining women's freedom within relationships. While building on the work of early critics who provided theories with which to agree tinker and argue these selections add something new to the conversation whether it be a new perspective from a unique group of readers we hear from readers in Hong Kong and India an examination of a particular romance subtype included are Christian African American and Gothic novels as well as those set in Las Vegas and the Middle East or a new way of presenting a critical response we have a romance novelist's controversial reflection a critique of the industry as creative enterprise an examination of students negotiating with romance and established critics including Kay Mussell and Tania Modleski overwriting their favorite romances.
