Representing Difference in the Medieval and Modern Orientalist Romance Amy Burge,2017-02-14 This book the first full length cross period comparison of medieval and modern literature offers cutting edge research into the textual and cultural legacy of the Middle Ages a significant and growing area of scholarship At the juncture of literary cultural and gender studies and capitalizing on a renewed interest in popular western representations of the Islamic east this book proffers innovative case studies on representations of cross religious and cross cultural romantic relationships in a selection of late medieval and twenty first century Orientalist popular romances Comparing the tropes characterization and settings of these literary phenomena and focusing on gender religion and ethnicity the study exposes the historical roots of current romance representations of the east advancing research in Orientalism neo medievalism and medieval cultural studies Fundamentally *Representing Difference* invites a closer look at medieval and modern popular attitudes towards the east as represented in romance and the kinds of solutions proposed for its apparent problems

Marvellous Thieves Paulo Lemos Horta,2017-01-16 Although many of its stories originated centuries ago in the Middle East the Arabian Nights is regarded as a classic of world literature by virtue of the seminal French and English translations produced in the eighteenth and nineteenth centuries Supporting the suspicion that the story collection is more Parisian than Persian some of its most famous tales including the stories of Aladdin and Ali Baba appear

nowhere in the original sources Yet as befits a world where magic lamps may conceal a jinni and fabulous treasures lie just beyond secret doors the truth of the Arabian Nights is richer than standard criticism suggests Marvellous Thieves which draws on hitherto neglected sources is a brilliant fluent and original work of literary scholarship Robert Irwin Literary Review This fine book cogently probes an influential period in the knotted and at times sordid history of the Arabian Nights serving as a fine example to those unraveling this promiscuous and forever malleable set of stories Charles Shafaieh Wall Street Journal Intelligent and engrossing The great merit of Horta's book is that its interest always lies in the story of the story in mapping out the complex network of the translators editors and travellers behind the Arabian Nights in ways that enrich our sense of this remarkable text Shahidha Bari Times Higher Education *An Imperialist Love Story* Amira Jarmakani, 2015-07-31 A curious figure stalks the pages of a distinct subset of mass market romance novels aptly called desert romances Animalistic yet sensitive dark and attractive the desert prince or sheikh emanates manliness and raw sexual power In the years since September 11 2001 the sheikh character has steadily risen in popularity in romance novels even while depictions of Arab masculinity as backward and violent in nature have dominated the cultural landscape *An Imperialist Love Story* contributes to the broader conversation about the legacy of orientalist representations of Arabs in Western popular culture Combining close readings of novels discursive analysis of blogs and forums and interviews with authors Jarmakani explores popular investments in the war on terror by examining the collisions between fantasy and reality in desert romances Focusing on issues of security freedom and liberal multiculturalism she foregrounds the role that desire plays in contemporary formations of U S imperialism Drawing on transnational feminist theory and cultural studies *An Imperialist Love Story* offers a radical reinterpretation of the war on terror demonstrating romance to be a powerful framework for understanding how it works and how it perseveres **For The Sheikh's Pleasure** Penny Jordan, 2015-04-01 The Sheikh's Virgin Bride Petra is betrothed to rich eligible Sheikh Rashid But she plans to ruin her reputation so Rashid won't want her Blaize a fellow guest at her hotel agrees to be Petra's pretend lover though soon he's taken her virginity Then Petra makes a shocking discovery Blaize is actually none other than the man she's supposed to be marrying Sheikh Rashid One Night With the Sheikh The searing attraction between Sheikh Xavier Al Agir and Mariella Sutton was instant and all consuming When a storm left Mariella stranded at Xavier's desert home passion soon took over It was a night she would never forget But having always yearned for a child of her own Mariella planned just one more night with the sheikh to conceive his baby Possessed by the Sheikh Stranded in the sands Katrina is rescued by the Sheikh and taken back to his lavish desert camp In order to protect her he will have to wed her Then he discovers that she's a virgin He's a desert sheikh who lives by a strict code of honor Katrina must become his wife for real *Virgin Envy* Jonathan A. Allan, Cristina Santos, Adriana Spahr, 2016-11-15 Virginity is of concern here that is its utter messiness At once valuable and detrimental normative and deviant undesirable and enviable Virginity and its loss hold tremendous cultural significance For many female

virginity is still a universally accepted condition something that is somehow bound to the hymen whereas male virginity is almost as elusive as the G spot we know it s there it s just we have a harder time finding it Of course boys are virgins queers are virgins some people reclaim their virginities and others reject virginity from the get go So what if we agree to forget the hymen all together Might we start to see the instability of terms like untouched pure or innocent Might we question the act of sex the very notion of relational sexuality After all for many people it is the sexual acts they don t do or don t want to do that carry the most abundant emotional clout Virgin Envy is a collection of essays that look past the vestal virgins and beyond Joan of Arc From medieval to present day literature the output of HBO Bollywood and the films of Abdellah Ta a or Derek Jarman to the virginity testing of politically active women in Tahrir Square the writers here explore the concept of virginity in today s world to show that ultimately virginity is a site around which our most basic beliefs about sexuality are confronted and from which we can come to understand some of our most basic anxieties paranoias fears and desires **American Book Publishing Record** ,2003 *The Australian Millionaire's Love-Child* Robyn Grady,2008-07-01 Sophie Gruebella is happy with her single life until she overhears her friends discussing why she s still single Could this be why she falls into bed with a man who s her complete opposite Cooper Smith is as driven as he s drop dead gorgeous Cooper has life all planned out and his night with Sophie was amazing but on mutual agreement not to be repeated Three months later the stick has turned pink Sophie s expecting and Cooper has just proposed a shotgun marriage *His Mistress By Arrangement* Natalie Anderson,2008-06-01 Jake Rendel is a successful millionaire who works and plays hard unlike Emma Delaney who s stifled by her uninspiring job So Jake makes Emma a proposition to shake off her prim and proper image for a month they ll pretend to have a steamy affair Emma s out of her depth and things quickly get passionate in private as well as in public Soon the girl next door is wishing the month of mistress make believe will never end
