**Dragon's Reluctant Sacrifice** Ines Johnson, 2020-08-30 Diagnosed with an incurable disease she thought her life was over When she is sacrificed to a dragon she learns it has only just begun The day Chrysanthemum Jones goes to exact revenge on the man responsible for her sister's death is the day she knows will be her last Instead she finds herself stolen away to another dimension and sacrificed to a real live dragon Rather than a cave full of gold this dragon's lair is a throwback to the 1980's complete with pixelated video games unwound VHS tapes and animal print spandex And the mythical creature in question is totally more sex on a stick than Smaug Schweet As one of the last dragon shifters beyond the Veil Corun is desperate to control the beast inside of him The only thing guaranteed to keep the dragon under control is the surrender of a human female But sacrificial offerings have been in short supply since his realm was cut off from Earth something or other about women's liberation So when a sacrifice turns up on his doorstep Corun should be elated But as totally tubular as Chryssie's curves are her health is fragile and he fears she wouldn't survive the claiming that would soothe his beast Death has never bothered Chryssie With an incurable hereditary disease she's been prepared to die her whole life Now she has a

chance to lose her V card and birth dragon babies before she goes Talk about bad ass exits Count her in She just needs to get her sexy dragon shifter on board and in bed As Corun becomes more attached to his sassy little human his beast roars that Chryssie is his and pushes to claim her If he doesn't claim her and soothe the beast inside of him he will become stuck in dragon form for the rest of his life However if he does claim her the birth of his offspring could be the last day of her life If you love alpha male shifters fated mates and steamy romance with a touch of 80's nostalgia then you don't want to miss The Last Dragons series

*To Shape a Dragon's Breath* Monique Blackgoose, 2023-05-09 NATIONAL BESTSELLER WINNER OF THE NEBULA AND LODESTAR AWARDS FINALIST FOR THE ASTOUNDING LOCUS AND BRITISH FANTASY NEWCOMER AWARDS My favorite book of the year a coming of age story that is cozy and hair raising in equal measure Charlie Jane Anders The Washington Post I tore through it caught up in an enthusiasm for dragons that I hadn't experienced since I was a teenager obsessed with Ursula Le Guin's Earthsea and Anne McCaffrey's Pern NPR A BEST BOOK OF THE YEAR The Washington Post NPR PopSugar Chicago Public Library Polygon She Reads Autostraddle The remote island of Masquapaug has not seen a dragon in many generations until fifteen year old Anequs finds a dragon's egg and bonds with its hatchling Her people are delighted for all remember the tales of the days when dragons lived among them and danced away the storms of autumn enabling the people to thrive To them Anequs is revered as Nampeshiweisit a person in a unique relationship with a dragon Unfortunately for Anequs the English conquerors of her land have different opinions They have a very specific idea of how a dragon should be raised and who should be doing the raising and Anequs does not meet any of their requirements Only with great reluctance do they allow Anequs to enroll in a proper English dragon school on the mainland If she cannot succeed there her dragon will be killed For a girl with no formal schooling a non English upbringing and a very different understanding of the history of her land challenges abound both socially and academically But Anequs is smart determined and resolved to learn what she needs to help her dragon even if it means teaching herself The one thing she refuses to do however is become the meek English miss that everyone expects Anequs and her dragon may be coming of age but they're also coming to power and that brings an important realization the world needs changing and they might just be the ones to do it
