Liahona, 1917 **A Gift of Love** Tony Cointreau, 2016-08-30 I wrote *A Gift of Love* because people kept asking me to do so, telling me that there was a great need for it. Perhaps it was their parents who were dying or another family member or a close friend and they needed to know what they could do for their loved ones in those last weeks, days or hours. They knew that I had worked with Mother Teresa as a volunteer in her homes for the dying and had twelve years experience in what they were facing perhaps for the first time and asked me to pass on some of my knowledge. In 1979 when I saw a magazine photograph of one of Mother Teresa's volunteers carrying a dying man in his arms, I knew in an instant that I had to become a part of this work. It was certainly not a religious calling but a simple calling to give something of myself to others. I felt that if I could comfort one dying person, my life would have had purpose. It took me ten years to enter the world that I had only seen a glimpse of in that magazine article. When I did it was during the worst of the AIDS crisis in the United States in a hospice called Gift of Love in New York City which had been opened by Mother Teresa in 1985. It had room for fifteen dying men, most of them from a world I had never known, a world of drugs, poverty and crime, a far cry from the privileged life of children in Europe that I had been brought up in and later on the world of show business in which I had been able to fulfill some of my greatest dreams. In the years to come, these men who were dying of AIDS and had never been given much of a chance in life, taught me not only about the many ways to help others die in an atmosphere of peace and love but also how to enjoy the richness of living our lives fully until the very end. Whenever Mother Teresa asked me to sing for her on her little terrace in Calcutta, I never said No. And when I asked her to help me write about caring for loved ones in their last days, she also never said No. What a blessing, thank you Mother. If I can reach just one person who is flailing around in panic and fear while trying to help a loved one at the end of their life, my journey will have been worthwhile.

Love Across the Atlantic Brickman Barbara Jane Brickman, 2020-02-14 Winston Churchill famously described the political alliance between the US and UK as a special relationship, but throughout the cultural history of these two countries, there have existed transatlantic special relationships of another kind: affairs between British and American citizens who have fallen in

Unfortunate Words of the Bible G. P.

Wagenfuhr,2019-06-25 What do unicorns law love and hell all have in common They are all unfortunate words of the Bible Through mistranslation cultural shifts anachronisms and misguided intentions this book traces several key words whose meaning is commonly misunderstood in our world today If the blatant mistranslation of unicorns could survive in the Bible for thousands of years securing their place in our cultural imagination to this day what would happen if important words like salvation were misunderstood How might our cultural imaginations hide the meaning of the Bible rather than revealing it By tearing down misunderstandings Wagenfuhr builds up a broad overview of the story of the Bible that illustrates a more mature and more exciting vision for Christian faith fulness than is commonly assumed

The Delights of Wisdom

Pertaining to Conjugal Love Emanuel Swedenborg,1856 *The Future of God in the Global Village* Thomas R.

Mcfaul,2011-10 In the long trek of human history the adage that there will never be peace among the nations until there is peace among the religions has never been truer The growing trend toward spiritually inspired violence throughout the emerging global village of the twenty first century has taken a terrible toll on the lives of thousands of innocent victims The primary purpose of this book is to address this issue head on by examining the role that the earth s diverse faith communities can play in stopping the needless hatreds and hostilities that all too often arise from the search for spiritual fulfillment At this stage of human evolution nothing is more urgent
