the strength of the couple's new love. If he's able to break them apart, they were never meant to be. If he can not, the love was true. Of course, it can't be that simple, can it? *Love Has a Name* Adam Weber, 2020-08-25 Discover the joy of stepping out and intentionally loving the people around you. Love has a name, and that name isn't Mark or Adam or even yours. That name is Jesus, and when we make love about him, everything else falls into place. Struggling to love? Pick up this book. Mark Batterson, New York Times bestselling author of *The Circle Maker* and lead pastor of National Community Church. Who does Jesus love? The stranger who looks strange. The driver who cuts us off in traffic. The person online who thinks differently than we do. Loving people is hard. Especially when it involves the difficult people in our lives and those different from us. We say we love others, but really, we don't. Instead of loving, we hurt, belittle, and overlook people. Which is precisely why we need to learn how to love from Jesus and from one another. Adam Weber knows firsthand how important it is to learn to love. And he's learned incredible lessons from incredible people, some of them quite unexpected. With hope, humor, stretched comfort zones, biblical truth, and maybe a few tears, *Love Has a Name* looks at the most powerful of these stories, showing us twenty-seven people and one school who have taught Adam how to love like Jesus. One name at a time. **Love Has No Color: Love's Legacy** Edna Taylor, 2014-04-14 Nanzee and Basil Barden love with their family continually and undauntingly conquer whatever life metes out. Meanwhile, Gwen Duncan is on the rollercoaster ride of her life; she finds herself enduring things she emphatically detests. For love, her reason for endurance is the cause of her misery. He is determined not to be bullied by her. She will know there is a difference between Basil and himself. Nanzee, on occasion, winces at Gwen's thoughtlessness, but she determines never to let it ruin her marriage. Meanwhile, Gwen herself moves through a maze of uncertainty as their friendship, forged since childhood, is threatened. *Love Has a Name* S. Ann Cole, Headstrong dominant and stubborn as hell. Axia Blacksville is the queen of her own universe. She calls the shots, sets the rules, then breaks them if she feels like it. There's nothing she wants that she can't have. Nothing she craves that she won't get. A taste of... And she neither wants nor craves tech billionaire Lovello Nelson. Because if there's one thing she hates, it's pretty boys. But the cocky, illegally handsome womanizer who has love as a name is determined to get the saucy, stubborn, dark-haired femme fatale beneath him and under control. And he won't stop until she's his mind, body, and soul. In a fierce war of hearts, someone has to give in. Submit. This is bound to end in disaster. A beautiful disaster. *The Way of Love* Livio Melina, Carl Anderson, 2010-09-17 In response to Benedict XVI's first encyclical, the Pontifical John Paul II Institute for Studies and Marriage and Family reflects together with the Holy Father on love. From the very beginning, the fundamental work of the Institute has been pursuing a deeper understanding of God's plan for marriage and family. In these twenty-five years, various generations of students and professors following the legacy of John Paul II have been able to discover and communicate the beauty of the vocation for which all men have been created: the call to love. Twenty-six professors from the Institute's various sessions express what, in their understanding, are the main themes of the document, approaching the topics raised by the Holy Father with different theological and

philosophical perspectives by so doing they have highlighted the significance and fecundity of the lines of thought suggested by the Pope This book is offered as a path towards a fuller understanding of the profundity and richness of the love with which God fills us and wants us to communicate in our turn *Love Will Find a Way (A Riveting, Emotional Romance)* Barbara Freethy,2012-03-06 From 1 New York Times Bestselling Author Barbara Freethy comes an emotional and romantic story of love and family Rachel fell in love at nineteen with a man who came into her life on a whirlwind of sunlight and romance She married Gary Tanner had his son and thought she would live happily ever after But fate had other plans Gary died in a tragic accident at least she thought it was an accident Now there are questions that need to be answered and only one man she can turn to Gary s best friend Dylan Rachel was everything Dylan Prescott wanted in a woman But Gary met her first so she became untouchable For years he stayed away from her Now Rachel is a widow her marriage is over and she turns to him for help The passion he feels for her is no longer out of his reach The life he always wanted is beckoning to him but when the secrets come out will their love find a way to survive **Love Has The Best Intentions** Christine Arness,2015-01-22 Love Has the Best Intentions is an anthology of love stories Love can be magically romantic Love can be all about finding the one Love can sweep you away or cross borders Love is sometimes unexpected but always welcome Love is a choice Love Has the Best Intentions takes you from an Illinois farm to an orphanage in France from the divorce court to a puppy training school Love can t be predicted reasoned or denied Love can be anticipated desired and cherished Everywhere every day love is demonstrated Love may have unexpected consequences but love always has the best intentions **Our Love Has No Limits** Dr. Bishop Eric L. & Dr. Lisa Marie Barnes,2020-01-20 Our Love Has No Limits is a book for all couples This book is a very special gift for your significant other or to keep for yourself to remember when why and how the two of you fell in love It s a beautiful guided journal for couples to record the story of their relationship preserving the memories of how they met and fell in love for future generations Love as a Way of Life Gary Chapman,2009-07-21 Unlock the Power of Authentic Love God designed us to thrive in relationships so it should come as no surprise that the greatest success in life comes through the practice of authentic love But what does a love driven life look like not just in marriage but in friendships at work in the church and in business relationships In Love As a Way of Life relationship expert Gary Chapman shows how genuine love can direct your interactions with other people leading to positive change in their lives and yours You ll learn how the seven traits of love kindness patience forgiveness courtesy humility generosity and honesty work together to transform your approach to everyday encounters with others Through real life stories self assessments and practical exercises this groundbreaking book paves the way for you to live out authentic love leading to satisfying relationships and a higher level of success in every area of life The Five Love Languages saved your marriage This book will transform your life Includes questions for personal reflection and group discussion *The Analogy of Love* Gary Chartier,2015-11-09 This book offers an overview of Christian theology organized around the twin themes of divine and human love The book covers the

traditional theological topics as well as basic questions of theological method. It seeks to integrate a focus on love throughout. While love is regularly canvassed as a dominant theme in Christian thought, it has rarely been the focus of Christian theological construction or a constraint on theological formulation. The book seeks to suggest chapter by chapter how a given topic relates to the broad theme of love. The book is written in a way designed to make it accessible to university students and educated laypersons. At the same time, it takes positions on controverted scholarly issues and the methodological approach outlined at the beginning will be of interest to academic theologians.

Love Is a Story Robert J. Sternberg, 1999-06-03

In this groundbreaking work, Robert Sternberg opens the book of love and shows you how to discover your own story and how to read your relationships in a whole new light. What draws us so strongly to some people and repels us from others? What makes some relationships work so smoothly and others burst into flames? Sternberg gives us new answers to these questions by showing that the kind of relationship we create depends on the kind of love stories we carry inside us. Drawing on extensive research and fascinating examples of real couples, Sternberg identifies 26 types of love story, including the fantasy story, the business story, the collector story, the horror story, and many others, each with its distinctive advantages and pitfalls, and many of which are clashing and incompatible. These are the largely unconscious preconceptions that guide our romantic choices, and it is only by becoming aware of the kind of story we have about love that we gain the freedom to create more fulfilling and lasting relationships. As long as we remain oblivious to the role our stories play, we are likely to repeat the same mistakes again and again. But the enlivening good news this book brings us is that though our stories drive us, we can revise them and learn to choose partners whose stories are more compatible with our own. Quizzes in each chapter help you to see which stories you identify with most strongly and which apply to your partner. Are you a traveler, a gardener, a teacher, or something else entirely? *Love is a Story* shows you how to find out.
