Jankowiak, 2008-02-18 No culture is ever completely successful or satisfied with its synthesis of romantic love companionship and sexual desire Whether the setting is a busy metropolis or a quiet farming village a tension always exists between a

community's sexual habits and customs and what it believes to be the proper context for love. Even in Western societies we prefer sexual passion to romance and companionship and no study of any culture has shown that individuals regard passion and affection equally. The pursuit of love and sex has generated an infinite number of ambiguities and contradictions yet every community hopes to find a resolution to this conflict either by joining, dividing or stressing one act over the other. In this follow up to *Romantic Passion: A Universal Experience*, William R. Jankowiak examines how different cultures rationalize the expression of passionate and comfort love and physical sex. He begins by mapping out the intricacies of the love-sex conundrum and the psychological dilemma of reconciling these competing forces. He then follows with essays on sex, love and intimacy among Central African foragers and farmers, the love dyad in Lithuania, intimacy among the Lahu of Southwestern China, the interplay of love, sex and marriage in the High Himalayas, verbalized experiences of love and sexuality in Indonesia, love work as it relates to sex work among prostitutes, intimacies and estrangements in the marital and extramarital relationships of Huli men, infidelity and masculinity in Southwestern Nigeria and the ritual of sex and the rejuvenation of the love bond among married couples in the United States.

The Promise of Love, Sex, and Intimacy Mark Whitwell, 2012-06-19 You can change your life in just seven minutes a day. A soft message for a hard time. *The Promise of Love, Sex and Intimacy* is a simple yet profound solution to the cause of all human discontent: the lack of intimacy, especially sexual intimacy. Even amidst the plethora of techniques now available for so-called enlightenment from meditation and visualization to intensive prayer retreats or obsessive exercise regimens, the need for intimacy has been left unsatisfied. Requiring just seven minutes a day, the practice taught in this book, called *Your Seven Minute Wonder*, answers that need by opening the body and psyche to gratifying levels of personal and sexual intimacy. It is the practical means that allows you to tangibly realize your ideals and inherent perfection. Renowned teacher Mark Whitwell, who has spent a lifetime studying the secrets of life with the great masters, has seen through to the heart of their understanding and created a simple way for readers to acquire it for themselves. *Your Seven Minute Wonder* is a physical practice, a combination of healthful breathing sustained by synchronistic body movement. Its purpose is to be uplifting and totally functional: a dynamic interflow of inspiration or inhalation receptivity with the expression or exhalation strength. This in-and-out breathing cycle, which Mark carefully delineates, activates the deep male-female polarity within each of us, regardless of gender. The practice is effortless for everyone and practitioners report that their well-being, vitality, sexuality, self-awareness and true desires are awakened immediately and dramatically. It restores health and dignity and sex becomes utterly relevant to a graceful life. Further, as you become receptive to your breath, the basis of all human function, you become responsive to money, power and collaboration of all sorts. *The Promise of Love, Sex and Intimacy* is a wise, powerful and easy

to follow roadmap to a practice that can be life changing one that promises to open you up to an entirely new level of human understanding

ENDLESS LOVE, ROMANCE , AND INTIMACY

culture is the one domain in which our longing for love is talked about. Movies, music, magazines, and books are the place where we turn to hear our yearnings for love expressed. Yet the talk is not the life-affirming discourse of the sixties and seventies which urged us to believe "All you need is love." Nowadays the most popular messages are those that declare the meaninglessness of love, its irrelevance. A glaring example of this cultural shift was the tremendous popularity of Tina Turner's song with the title boldly declaring "What's Love Got to Do with It." I was saddened and appalled when I interviewed a well-known female rapper at least twenty years my junior who, when asked about love, responded with biting sarcasm: "Love, what's that? I have never had any love in my life." Youth culture today is cynical about love. And that cynicism has come from their pervasive feeling that love can not be found. Expressing this concern in "When All You've Ever Wanted Isn't Enough," Harold Kushner writes, "I am afraid that we may be raising a generation of young people who will grow up afraid to love, afraid to give themselves completely to another person because they will have seen how much it hurts to take the risk of loving and have it not work out. I am afraid that they will grow up looking for intimacy without risk, for pleasure without significant emotional investment. They will be so fearful of the pain of disappointment that they will forgo the possibilities of love and joy. Young people are cynical about love. Ultimately, cynicism is the great mask of the disappointed and betrayed heart." When I travel around the nation giving lectures about ending racism and sexism, audiences, especially young listeners, become agitated when I speak about the place of love in any movement for social justice.
