Managing the Motherload Rebekah Borucki, 2019-08-13 A candid humorous and heartfelt guide to self care in motherhood from a meditation expert and mother of five *Managing the Motherload* is a practical system for sanity from a happy ultra productive and sometimes tired mother of five This five part system will help readers create a life that they love while allowing all the items on their to do list to flourish in their own time In the book meditation guide and popular YouTuber Rebekah Bex Borucki features her favorite healing and stress reducing modalities including her signature 4 minute meditations Deeply personal heartfelt stories of her struggles and tender moments raising five children are highlighted throughout the book As a birth doula and meditation guide Bex offers a wealth of personal and professional experience in managing the demands of motherhood and the need for self care and stress management I want every woman who reads this book to come away with a feeling of confidence in finding her own way as a mother and a human being Upon finishing the pages the reader will have the know how to create a path to happiness freedom and success that can be achieved not in spite of her tremendous responsibility as a mother but in total alignment with it from the author *A Letter to the Message Man*

Charles Allen, 2020-10-18 This novel revolves around six friends points of view all of who have their own complexities and depth that motivates their individual goals and paths to help shape the person they would like to become after they graduate and move on to the next chapter of their lives Though they are all rather close each of them has their internal struggles that the others might not know about and that they look to overcome as their stories progress **Balanced Living** Robert Marsden Knight, 2009-01-01 In *Balanced Living* Don t Let Your Strength Become Your Weakness Robert Knight develops the theme of balance as central to good mental health to moral and spiritual health to emotional well being and to social functioning This theme emerges from his more than thirty years of experience as a Christian minister as a counselor as a teacher and clinical supervisor of counselors as well as from experience as a management and human relations consultant

According to Knight when we are failing or falling it isn't always because of some inadequacy or limitation it is rather because we have taken a strength or it has taken us too far a strength that has become a weakness The signature chapter Balanced Living addresses such common tensions as success and failure It asks How seriously do you take yourself What time is it in your life Following chapters cover balanced families balance and personality type using the Myers Briggs Type Indicator and balanced religion achieving healthy moral and spiritual balance Based on common questions the chapter on Counseling and Psychotherapy guides consumers of professional counseling services Topics include the various types of mental health service providers and theoretical approaches to counseling The final chapter discusses human developmental models in particular that of Erik Erikson addresses certain values implicit in the counseling process and treats certain theological assumptions from a Hebrew Christian perspective Mental health professionals pastors and others involved in helping people as well as students preparing for such vocations will find this book informative and challenging perhaps even confirming The book also engages laypersons consumers of professional counseling and related mental emotional moral spiritual and relational health services Of particular value are the case studies examples and illustrations presented in Balanced Living Don't Let Your Strength Become Your Weakness *The Messages and Secrets of the Universe* Ionel Rotaru, 2024-10-16 In the true story of a psychiatrist who learned to communicate with the Universe Ionel Rotaru describes a new form of psychoanalysis the Spiritual Psychoanalysis which connects science with the Kingdom of Heaven which demonstrates the ways of manifestation of the Supreme Consciousness of the Universe here on earth in the Material World The Messages and Secrets of the Universe provides readers with a glimpse into the mysteries of the Universe and these secrets reveal who we are as humans and our responsibilities on earth As we trace our spiritual evolution we discover that we are one with all creatures and we are all moving toward divinity Mr Rotaru's revelations came through bizarre mysterious and frightening situations that sent him a direct message for civilization As he unfolds these epiphanies for readers he shares from his own experience of profound loss and grief and through this unveils the truth of our existence after this life His messages shed light on all philosophies and religious spiritual theories known to humanity A book that will challenge conventional thought about mental health care and the spiritual dimension The Messages and Secrets of the Universe is a valuable resource for professionals and laypeople alike *My iPad Mini* Gary Rosenzweig, 2015 Full color step by step tasks walk you through getting and keeping your iPad mini working just the way you want Amazon.com *Adult Survivors of Child Sexual Abuse* Christine A.
