Ross Terrill

Mao A Biography:

Mao: A Biography Ross Terrill, 1999 Everyone who came in close contact with Mao was taken aback at the anarchy of his personal ways He ate idiosyncratically He became increasingly sexually promiscuous as he aged He would stay up much of the night sleep during much of the day and at times he would postpone sleep remaining awake for thirty six hours or more until tension and exhaustion overcame him Yet many people who met Mao came away deeply impressed by his intellectual reach originality style of power within simplicity kindness toward low level staff members and the aura of respect that surrounded him at the top of Chinese politics It would seem difficult to reconcile these two disparate views of Mao But in a fundamental sense there was no brick wall between Mao the person and Mao the leader This biography attempts to provide a comprehensive account of this powerful and polarizing historical figure The Private Life of Chairman Mao Li Zhi-Sui, 1996-04-02 The most revealing book ever published on Mao perhaps on any dictator in history Professor Andrew J Nathan Columbia University From 1954 until Mao Zedong's death twenty two years later Dr Li Zhisui was the Chinese ruler's personal physician which put him in daily and increasingly intimate contact with Mao and his inner circle in The Private Life of Chairman Mao Dr Li vividly reconstructs his extraordinary experience at the center of Mao's decadent imperial court Dr Li clarifies numerous long standing puzzles such as the true nature of Mao's feelings toward the United States and the Soviet Union He describes Mao's deliberate rudeness toward Khrushchev and reveals the actual catalyst of Nixon's historic visit Here are also surprising details of Mao's personal depravity we see him dependent on barbiturates and refusing to wash dress or brush his teeth and the sexual politics of his court To millions of Chinese Mao was more god than man but for Dr Li he was all too human Dr Li's intimate account of this lecherous paranoid tyrant callously indifferent to the suffering of his people will forever alter our view of Chairman Mao and of China under his rule Praise for The Private Life of Chairman Mao From now on no one will be able to pretend to understand Chairman Mao's place in history without reference to this revealing account Professor Lucian Pye Massachusetts Institute of Technology Dr Li does for Mao what the physician Lord Moran's memoir did for Winston Churchill turns him into a human being Here is Mao unveiled eccentric demanding suspicious unregretful lascivious and unfailingly fascinating Our view of Mao will never be the same again Ross Terrill author of China in Our Time An extraordinarily intimate portrait of Mao Dr Li portrays Mao's imperial court as a place of boundless decadence licentiousness selfishness relentless toadying and cutthroat political intrigue Richard Bernstein The New York Times One of the most provocative books on Mao to appear since the publication of Edgar Snow's Red Star Over China Paul G Pickowicz The Wall Street Journal **Mao** Ross Terrill, 1981-08 Mao Alexander V. Pantsov, Steven I. Levine, 2012-10-02 This major new biography of Mao uses extensive Russian documents previously unavailable to biographers to reveal surprising details about Mao's rise to power and his leadership in China Mao Zedong was one of the most important figures of the twentieth century the most important in the history of modern China A complex figure he was champion of the poor

and brutal tyrant poet and despot Pantsov and Levine show Mao's relentless drive to succeed vividly describing his growing role in the nascent Communist Party of China. They disclose startling facts about his personal life particularly regarding his health and his lifelong serial affairs with young women. They portray him as the loyal Stalinist that he was who never broke with the Soviet Union until after Stalin's death. Mao brought his country from poverty and economic backwardness into the modern age and onto the world stage. But he was also responsible for an unprecedented loss of life. The disastrous Great Leap Forward with its accompanying famine and the bloody Cultural Revolution were Mao's creations. Internationally, Mao began to distance China from the USSR under Khrushchev and shrewdly renewed relations with the U.S. as a counter to the Soviets. He lived and behaved as China's last emperor.

The Life of Mao Ross Terrill, 2015-05-12 Indispensable to understanding the inseparable relationship between Mao and events in China over the last century. What's more it's fascinating reading. Chicago Sun Times Journalistic yet authoritative lively and readable insightful in unraveling Mao's contradictions. The New York Times An illuminating full length portrait. Los Angeles Times Ross Terrill probably this country's preeminent writer on China has given us a whole man to replace the two dimensional representation. Boston Globe Everyone who came into close contact with Chinese dictator Mao Zedong was surprised at his personal habits. He would stay up much of the night sleep during the day and would sometimes remain awake for thirty six hours or more until he finally collapsed. Yet many who met Mao were impressed by his intellectual reach originality and kindness. It would seem difficult to reconcile these two views of Mao. But there was no divide between Mao the man and Mao the leader. This insightful biography by China scholar Ross Terrill provides a comprehensive account of this powerful and polarizing figure.

Madame Mao: The White-Boned Demon Ross Terrill, 1999 This is the most complete and authoritative account of the childhood and tumultuous life of Jiang Qing from her early years as an aspiring actress to her marriage and partnership with Mao Zedong the controversial years of power after Mao's death her final years of disgrace and imprisonment and her suicide in 1991.

Mao Philip Short, 2016-12-18 One of the great figures of the twentieth century Chairman Mao looms irrepressibly over the economic rise of China. Mao Zedong was the leader of a revolution a communist who lifted hundreds of millions out of poverty an aggressive and distrustful leader and a man responsible for more civilian deaths than perhaps any other historical figure. Now four decades after Mao's death acclaimed biographer Philip Short presents a fully updated and revised edition of his ground breaking and masterly biography. Vivid uncompromising and unflinching Short presents in one volume the man behind the propaganda his family his beliefs and his horrors. In doing so he shows us both the human being Mao was and the monster he became.
