Maps And Prints For Pleasure And Investment:

Maps and Prints for Pleasure and Investment Douglas Charles Gohm, 1971 The Map Thief Michael Blanding, 2015-06-02 The story of an infamous crime a revered map dealer with an unsavory secret and the ruthless subculture that consumed him Maps have long exerted a special fascination on viewers both as beautiful works of art and as practical tools to navigate the world But to those who collect them the map trade can be a cutthroat business inhabited by quirky and sometimes disreputable characters in search of a finite number of extremely rare objects Once considered a respectable antiquarian map dealer E Forbes Smiley spent years doubling as a map thief until he was finally arrested slipping maps out of books in the Yale University library The Map Thief delves into the untold history of this fascinating high stakes criminal and the inside story of the industry that consumed him Acclaimed reporter Michael Blanding has interviewed all the key players in this stranger than fiction story and shares the fascinating histories of maps that charted the New World and how they went from being practical instruments to quirky heirlooms to highly coveted objects Though pieces of the map theft story have been written before Blanding is the first reporter to explore the story in full and had the rare privilege of having access to Smiley himself after he'd gone silent in the wake of his crimes Moreover although Smiley swears he has admitted to all of the maps he stole libraries claim he stole hundreds more and offer intriguing clues to prove it Now through a series of exclusive interviews with Smiley and other key individuals Blanding teases out an astonishing tale of destruction and redemption The Map Thief interweaves Smiley's escapades with the stories of the explorers and mapmakers he knew better than anyone Tracking a series of thefts as brazen as the art heists in Provenance and a subculture as obsessive as the oenophiles in The Billionaire's Vinegar Blanding has pieced together an unforgettable story of high stakes crime *Library of Congress Catalog* Library of Congress, 1970 A cumulative list of works represented by Library of Congress printed cards

Library of Congress Catalogs Library of Congress, 1976 Reading Popular Prints 1790-1870 Brian Maidment, 2001-12-07 Each chapter of this stimulating book collects a wide variety of images show the different ways that historical events can be represented Metal and wood engravings lithographs woodcuts etchings watercolors and drawings all reflect changing attitudes towards gender politics the family education and industrialization This revised second edition has many new illustrations which further assist the interpretation of popular graphic images from the 18th and 19th centuries
