## Marathon Marriage:

**Dance Marathons** Carol J. Martin, 1994-01-01 This penetrating analysis of one of the most extraordinary fads ever to strike America details how dance marathons manifested a potent form of drama. Between the two world wars they were a phenomenon in which working class people engaged in emblematic struggles for survival. Battling to outlast other contestants the dancers hoped to become notable. There was crippling exhaustion and anguish among the contenders but ultimately it was the coupling of authentic pain with staged displays that made dance marathons a national craze. Within the well controlled space of theatre they revealed actual life's unpredictability and inconsistencies and indeed the frightful aspects of social Darwinism. In this grotesque theatrical setting we see also a horrifying metaphor the ailing nation grappling with difficult times.

*Grace Filled Marriage* Dr. Tim Kimmel, 2013-09-10 Surveys show that only 10% of all marriages are truly happy. The simple truth is the absence of grace leaves a gaping hole in the husband wife relationship. An instant classic *Grace Filled Marriage* shows grace to be the missing piece and the only place to start building a happy marriage.

*Love, the Bond of Perfection* Tom Caldwell, 2012-07-09 For the married person and for the person anticipating the prospect of marriage a comprehensive study of the Bible God's holy Word pertaining to marriage and related issues is vitally important. Topics that are discussed include: What is love? How can you sustain positive romantic feelings for your spouse year after year? How is meeting the expectations of your spouse important to the marriage relationship and what does God's love require of a spouse if or when expectations are not met? What are the purposes and roles of man and woman and of husband and wife? What does the Bible say about raising children? What should singles know about the prospect of marriage including how to choose the right spouse? How can one guard against sexual immorality? How can one tame one's tongue? This book focuses on Scriptures that address each of these issues and more.

**Essential Guide to Training for Your First Marathon** Joe Donovan, 2009-02-20 At 26.2 miles the marathon distance seems vastly out of reach for even the most avid runners. In this book Joe Donovan prepares you mentally and physically for the challenge and helps you condition and train for your first marathon.

*The Wholehearted Marriage* Greg Smalley, Shawn Stoeber, 2009-06-02 *The Wholehearted Marriage* offers practical tools for helping couples keep a passionate connection with one another and understand the role their hearts play in their lives. Drs Smalley and Stoeber maintain that circumstances such as busy lifestyles differences between spouses personal baggage the loss of a loved one childhood trauma etc trigger reactions that condition us to close up our hearts for protection blocking the flow of love. A disengaged protected heart makes it impossible to experience an intimate connected marriage. As a result couples drift apart trying to find some version of contentment or they give up altogether and look for love somewhere else. Through their experiences in marriage counseling Drs Smalley and Stoeber discovered that the commonly heard phrase I

don't love him/her anymore is merely a camouflaged misunderstanding about what true love is and God's design for it. They affirm that love is more than just a feeling and that to have true lasting intimacy couples need to learn to love wholeheartedly.

Running Crazy - Imagine Running a Marathon. Now Imagine Running Over 100 of Them. Incredible True Stories from the World's Most Fanatical Runners Helen Summer, 2012-03-05

Pheidippides did it once and became a legend. Brian Mills did it over 800 times but you might be forgiven for not knowing who he is. He is a runner and it is the marathon, all 26 miles and 385 yards of it, and for some people, once is not enough. Brian Mills is rumoured to have a butterfly tattoo for each of his 800 plus efforts. And Brian is not the only one who has notched up three digits of gruelling athletic endeavour. The 100 Marathon Club, also known as the Hell's Angels of Running and Running Sluts, running one race whilst thinking of another, is growing in number every year. This is a club with no prejudices and only one prerequisite for membership: the completion of 100 marathons. It is full of colourful, contrasting characters with idiosyncratic personalities and diverse lifestyles. They make up a gargantuan melting pot of humanity linked by one common desire: to run and run and run. But who would want to run 100 marathons or more? And why? How do they find the time, the money, the energy? Are they crazy? Find out by reading their stories. Some will make you laugh, others will make you cry, some may even inspire you to run a marathon. Believe it or not, these are ordinary, everyday people like you. Although when you have finished laughing and crying, you may still not be sure whether they are crazy or passionate. But you, as they do when they run, will have a lot of fun along the way.

Mad About Us Doug McKinley, 2004-05

A Powerful Marriage David Albert Farmer, 2002. Many couples marry believing their marriage will be a bed of roses; that love for each other is all that counts. But we have to remember that roses grow on bushes full of thorns. And often when a rose is picked, we get pricked. And what happens when we are pricked? Hurt and pain follow. Marriage can be one of roses and violets. A well-balanced marriage is one that can adjust to the understanding that both exist. No one can have everything just like they want it. Every married person must do the best they can in making room for flexibility in their marriage. The marriage institution was designed of Heaven to be a blessing to man, but in general sense it has been abused in such a manner as to make it a dreadful curse. Most of men and women have acted in entering the marriage relation as though the only question for them to settle was whether

they loved each other But they should realize that a responsibility rests upon them in the marriage relation farther than this God does not promise us ease honor or wealth in His service
