Marc Bolan The Legendary Years:

Marc Bolan John Bramley,1997 Marc Bolan: The Rise And Fall Of A 20th Century Superstar Mark Paytress,2009-11-05 Marc Bolan was the very first superstar of the 1970s As the seductive focus of T Rex he revelled in fame and fortune released a string of classic records before tragically losing his way The fatal car accident in 1977 cut short his planned comeback as a punk rocker but also served to fix Bolan as the definitive icon of the Glam years Bolan s music and chameleonic style were to influence a generation of future bands In his various guises he could be a beatnik a mod a punk a hippie and a Glam hero This biography of a pop obsessive draws from interviews with many friends and colleagues including broadcaster John Peel brother Harry and band members Mickey Finn and Bill Legend Marc Bolan and T. Rex Peter Gallagher,2025-05-27 For many T Rex founder Marc Bolan remains forever frozen in time as the poster boy of glam the pop rock genre he effectively launched with his March 1971 Top of the Pops appearance to promote Hot Love the band s first number one single But this is to view him through too narrow a focus In John s Children he flirted with modernist art rock He sang folk songs of an otherworldly England in Tyrannosaurus Rex He became a teen idol while dominating the singles and album charts and he also experimented with his unique brand of interstellar soul Finally he proclaimed himself The Godfather Of Punk and became its patron touring with The Damned and giving several major new wave acts their first television exposure This book examines all aspects of Bolan s career from the genre defying My People Were Fair And Had Sky In Their Hair through the transitional A Beard Of Stars and T Rex albums the misunderstood Zinc Alloy and the Hidden Riders of Tomorrow and the should have been comeback Futuristic Dragon Along the way it discusses Unicorn the defining document of the Tyrannosaurus Rex years and the essential T Rex trilogy of Electric Warrior The Slider and Tanx During the day Peter Gallagher is a lecturer in Events Management but at night can be found scribbling away in his man cave Having talked about writing for decades it is only recently he decided to do something about it with 2020 seeing the publication of his first short story and the commissioning of his first book His favourite bands include T Rex The Ramones and The Sensational Alex Harvey Band none of whom he has seen in concert He Lives in Glasgow Scotland Marc Bolan - Beautiful Dreamer John Bramley,2017-09-14 Forty years after his tragic death this homage to Marc Bolan pays tribute to one of the pioneers of the glam rock movement Marc Bolan was the wizard who brought magic to rock music his heart beat to the rhythm of rock Moving from early folk influences and songs on the mythology of Tolkien he transformed himself into a unique sparkling and effervescent glam rock icon His boogie roots combined with Marc s own natural glitter dust and propelled him forward on an adventure with fortunes that were to ebb and flow over a decade His diamond studded halo was extinguished on 16 September 1977 at a time when his music was in the ascendancy The annals of history are strewn with stories of artists who passed away in shocking circumstances of those that died too young from substance abuse mysterious illnesses or even murder Sometimes the shock of their passing immediately elevates their standing in cultural memory and cements their

work in a favourable light Marc Bolan died at twenty nine years of age in a tragic car crash an accident that could have been avoided However it took many years for people to start appreciating what Marc Bolan brought to a rock music scene in the early seventies which had stagnated in some corners after the explosion of creativity in the sixties Yet gradually acclaim has grown for how he enriched the period bringing colour and humour to an increasingly leaden genre Much like Hendrix before him and Cobain after him his natural charisma and striking beauty have underpinned his status as a dreamlike bard an enigmatic pin up whom boys wished they looked like and girls wished they were with Yet it was his scorching talent as a performer and songwriter which have formed the bedrock for longevity as a legend Including rare and unpublished photographs and works of Marc s own poetry this book is put together by a true original fan one who followed Marc Bolan on tour who bought every piece of vinyl he released and who was fortunate enough to have made Marc s acquaintance during the peak of his career Published forty years on from Bolan s death Beautiful Dreamer is unashamedly a book of love a book that every Marc Bolan fan will identify with because it paints a picture of the man that the fans idolised worshipped and continue to cherish to this day *The Encyclopedia of Popular Music* Colin Larkin,2011-05-27 This text presents a comprehensive and up to date reference work on popular music from the early 20th century to the present day
