Prizefighters Daughter:

Oregon Prizefighters Barney Blalock, 2015-10-19 In 1884 London's prizefighting craze spread to Portland. Since the fights were illegal throughout the States, matches were fought in inconspicuous venues away from unwanted spectators. A winner could be hanged if the loser died. Champions like Dave Campbell, Jack Nonpareil, Dempsey, and Mysterious Billy Smith were just a few contenders for the brutal, nearly forgotten sport. Join author Barney Blalock as he reveals the remarkable stories of Oregon's bare knuckle champions.

A Substitute Wife for the Prizefighter Alice Coldbreath, 2025-05-19 Plain respectable Lizzie Anderson is in the devil of a fix. After catching sight of something she was not supposed to, her whole family is torn apart by the ensuing scandal. Lizzie's steadfast principles mean she cannot deny the evidence of her own eyes, and as a consequence, she finds herself thrown out onto the street. Her only ally in her time of need comes from a very unexpected quarter: indeed, Benedict Toomes has long thought Lizzie a thorn in his side, but after seeing her staunchness in the face of adversity, he finds himself picturing her in a totally different role in his life. A stand-in for the betrothed, he no longer wants to marry. Find out how this unlikely pair of couples navigates life together after a rocky start and find their preconceived notions about the other could not have been further from the truth.

A Contracted Spouse for the Prizefighter Alice Coldbreath, 2022-08-25 Theodora knows in her heart that she has star quality, but sadly, no one else in her theatrical family feels the same way. When her sister leaves to get married, Theo is promptly axed from the bill and expected to take a back seat in the family business. Clem Dabney, aspiring theatre owner and ex-prizefighter, has built up his supper and song business as far as he can take it. In order to expand, he now needs a theatre. When Theodora appears before him with her outrageous proposition, he sees his chance and devil take the consequences. Their marriage is purely a business arrangement, so Theo is not worried about Clem's reputation, and Clem is not concerned about Theo's distinct lack of feminine charm. Now that's all settled and out of the way, both agree things should be straightforward enough. Why, then, is Clem acting the jealous husband when Theo finds herself among a throng of new admirers?

Arky Frank Garland, 2020-08-10 Bursting onto the scene as a 20-year-old rookie, Arky Vaughan quickly established himself as the next great Pittsburgh Pirates shortstop. In 1935, his .385 batting average eclipsed even that of the immortal Honus Wagner, who was a steadying influence for Vaughan during his 10 seasons with the Pirates. Vaughan never hit under 300 with Pittsburgh, and his versatility later made him an asset to the Brooklyn Dodgers. One of the quietest men in baseball, the nine-time All-Star eschewed the limelight but received plenty of attention for his on-field performance, for his one-man mutiny against Brooklyn manager Leo Durocher, and for walking away from the game to take care of his family and his beloved ranch during World War II. Drawing on dozens of articles, personal writings, recorded interviews, and his daughter's unpublished biography, this book covers the life and career of an often overlooked Hall of Famer who died in a tragic boating accident at age 40.

Good with Their Hands Carlo Rotella,2002-10-25 This eloquent streetwise book is a paean to America's Rust Belt and a compelling exploration of four milieus caught up in a great transformation of city life With loving attention to detail and a fine sense of historical context Carlo Rotella explores women's boxing in Erie Pennsylvania Buddy Guy and the blues scene in Chicago police work and crime stories in New York City especially as they converged in the making of the movie The French Connection and attempts at urban renewal in the classic mill city of Brockton Massachusetts Navigating through accrued layers of cultural economic and personal history Rotella shows how stories of city life can be found in a boxing match a guitar solo a chase scene in a movie or a landscape The stories he tells dramatize the coming of the postindustrial era in places once defined by their factories a sweeping set of changes that has remade the form and meaning of American urbanism A native of the Rust Belt whose own life resonates with these stories Rotella has gone to the home turfs of his characters hanging out in boxing gyms and blues clubs riding along with cops and moviemakers discussing the future of Brockton with a visionary artist and a pitbull fancying janitor who both plan to save the city's soul These people make culture with their hands and hands become an expressive metaphor for Rotella as he traces the links between their individual talents and the urban scenes in which they flourish His writing elegantly connects what happens on the street to the larger story of urban transformation especially the shift from a way of life that demanded individuals be good with their hands to one that depends on the intellectual and social skills fostered by formal education and service work Strong feelings emerge in this book about what has been lost and gained in the long slow aging out of the industrial city But Rotella's journey through the streets has its ultimate reward in discovering deep rooted instances of what he calls truth and beauty in the Rust Belt [Prizefighting and Civilization](#) David C.
