Problem Of The Fourth Gospel:

The Problem of the Fourth Gospel H. Latimer Jackson, 2013 The text provides a detailed overview of the Fourth Gospel and criticism in relation to it **The Problem of the Fourth Gospel** Henry Latimer Jackson, 1918 *The Problem of the Fourth Gospel* H. Truex, 2010-11-11 This doctoral thesis provides evidence that during the later part of the first century certain Jewish Christians who produced and propagated the Fourth Gospel were perceived to be blasphemous and therefore cut off kareit from the synagogue as reflected in John 9 22 12 42 and 16 2 This study reviews recent research on blasphemy offers analysis based on hundreds of ancient Jewish texts and examines seven Jewish traditions pertaining to blasphemy including cursing God naming The Name and sinning with a high hand A composite portrait of blasphemy is sketched and compared with the theological claims of the Fourth Gospel Three theological claims of the Fourth Gospel stand out as potentially blasphemous Jesus is equal with God Jesus and the Johannine Community constitute the New Temple and Judean religious leaders are not of God The perception of blasphemy and the inability to tolerate it explains why some Jewish Christians could not remain in the synagogue **The Problem of the Fourth Gospel (Classic Reprint)** H. Latimer Jackson, 2015-07-19 Excerpt from The Problem of the Fourth Gospel If I venture the following personal explanation the reason is simply and solely this I have been advised clearly to define the relations between the present volume and a little work of mine which published about a dozen years ago was entitled The Fourth Gospel and some recent German Criticism Let me accordingly inform the reader that when asked for a second edition of a work which so at all events people were good enough to tell me had served a useful purpose I was for some time loth to acquiesce in such altogether unexpected but certainly encouraging suggestions It was indeed far from being the case that because the fates had determined that I should stray into Synoptic fields and the region of Eschatological research I had therefore ceased to be fascinated by the Johannine literature en masse and in particular by the

very noble treatise which bears the name of John on the contrary I had actually betaken myself to what bade fair to be a prolonged and laborious attempt to trace connecting links between the *Schmerzenskind der Theologie* as Pfleiderer calls the Fourth Gospel and that great writing of may I say it uncertain provenance which is designated The Epistle to the Ephesians My hesitation was of course partly due to natural reluctance even temporarily to forsake a work which was already rising on the stocks it was however mainly grounded in a difficulty which stared me in the face To put the matter in a nut shell I was speedily compelled to realize that were any action taken in response to the aforesaid kindly suggestions it would mean that time must be found for the drastic re writing of a work which I could but turn to with added dissatisfaction and no small measure of dissent Mere revision was not to be thought of Somehow or other time has been found or rather made and in the event the present volume arrives at its completion About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Fourth Gospel in Recent Criticism and Interpretation, 4th edition Wilbert Francis Howard, 2009-05-08 Wilbert Howard was a noted expositor of the Fourth Gospel and in this book he proved a sure guide for students and general readers through the mazes of historical and internal criticism as these affected the interpretation of this Gospel His untimely passing robbed the Biblical world of a sure expositor and careful investigator C K Barrett added sections of his own to take proper account of following work through 1961 on the problem of the Fourth Gospel

A Prologue to Studies in the Fourth Gospel Riku P. Tuppurainen, 2021-05-25 The Fourth Gospel both blesses and betrays It blesses readers who engage with its message but it may betray those who read it nonchalantly The notion that the Fourth Gospel is easy to understand is an enduring myth This volume takes readers on a heuristic journey to discover the Fourth Gospel s unique theological aspects problematic historical matters inimitable literary features and various interpretive approaches using an accessible format and easy to read language The purpose of this publication is to enable readers to appreciate the Fourth Gospel s wide horizon so necessary to understand its narratives in their historical and narrative contexts Like the prologue of the Fourth Gospel that introduces and gives perspective on how readers should approach the rest of the Gospel similarly this volume introduces and gives perspective to studies in the

Fourth Gospel The text is divided into three parts which examine its independent theology and argumentation various outstanding issues and its interpretation respectively This volume is suitable for a wide readership from Bible study groups to pastors and from undergraduate to graduate students *The Christology of the Fourth Gospel* Paul N. Moody Smith, Jr., 2021-04-28 Compelling perspectives on the Gospel of John from a premiere scholar of the subject This multidimensional volume from the leading American scholar of Johannine studies brings together D Moody Smith s germinal works from the past two decades along with some original articles published here for the first time The resulting collection augments current understanding of the Gospel of John with fresh insights and research and points the way toward opportunities for new inquiry The collection is structured around four focal issues that define contemporary studies of John In the first section Smith places the book within its Jewish milieu attempting to account for the tension between the work s seeming anti Jewishness and its familiarity with Jewish life and thought Next Smith engages the relationship between John and the historical figure of Jesus especially the extent to which John s representation of Jesus reflects knowledge of independent traditions as well as the self consciousness of his own community The third section examines John s account against the Synoptic Gospels assessing the evidence of John s access to an independent record of the passion and the possibility that John adopted the gospel genre from Mark Finally Smith explores how the Gospels and especially that of John evolved into scripture and how they have come to be interpreted in conjunction with one another

Revelation in the Fourth Gospel: And Eight Johannine Essays Gail R. O'Day, 2021-03-05 About this Book Gail R O Day s *Revelation in the Fourth Gospel* set the stage for a new literary paradigm in Johannine studies which has carried over into disciplinary advances in gospel criticism overall With the addition of eight key Johannine essays and a state of the art introduction by Alan Culpepper this new publication as Volume 9 in the Johannine Monograph Series advances a fuller appreciation of her important work on John and new literary biblical analyses overall From the Preface What becomes apparent in an overview of Gail O Day s work is her keen analysis of relations and functions of literary themes and features within the Gospel of John as they further its rhetorical thrust elucidating its meaning Whereas diachronic approaches to John have tended to compartmentalize and divide sections and literary forms O Day shows time and again how things worked synchronically within John s story of Jesus challenging misinterpretations and opening doors to understanding more fully its
