Problems In African History Vol 1 Precolonial Centuries:

Approaching African History Michael Brett, 2013 Africa is a huge continent as large as the more habitable areas of Europe and Asia put together This book takes as its subject the last 10 000 years of African history and traces the way in which human society on the continent has evolved from communities of hunters and gatherers to the complex populations of today

Afrocentrism Stephen Howe, 1999-08-17 For centuries racist colonial and Eurocentric bias has blocked or distorted knowledge of Africans their histories and cultures resulting in a counter mythology claiming the innate superiority of African descended peoples In this provocative study historian Stephen Howe challenges this Afrocentric rewriting of African history 16 photos Copyright Libri GmbH All rights reserved

Science and the World's Religions Patrick McNamara Ph.D., Wesley J. Wildman, 2012-07-19 This trio of volumes contains essays that explore vital existential moral or metaphysical issues surrounding the relationship between the sciences and the world's religions In Science and the World's Religions experts with scientific and religious backgrounds explore vital existential or practical issues drawing on whatever sciences are relevant and engaging at least two religious traditions The multidisciplinary essays exhibit rigorous intellectual scholarly thinking but are written to clearly communicate to educated adult lay readers The first volume addresses questions about the origins and purpose of the cosmos and the human project The second volume investigates the roles of religion and spirituality in human existence considering issues ranging from the brain and religious experience to the human life cycle The third volume tackles controversies in which both religion and science are stakeholders showing how both can deepen understanding and enrich human experience Together these three books present readers with powerful tools that enable them to think through the challenge of integrating science with their religious beliefs and spiritual practices

Understanding World Societies, Volume I John P. McKay, Bennett D. Hill, John Buckler, Clare Haru Crowston, Patricia Buckley Ebrey, Roger B. Beck, Merry E. Wiesner-Hanks, 2012-11-16 Based on the highly successful A History of World Societies Understanding World Societies A Brief History combines innovative pedagogy with a manageable

regional and comparative approach to capture students interest in the everyday life of the past Abridged by 25% the narrative is paired with distinctive pedagogy designed to help students focus on significant developments as they read and review An innovative end of chapter study guide helps students master key facts and move towards synthesis **A History of World Societies, Combined Volume** John P. McKay, Bennett D. Hill, John Buckler, Patricia Buckley Ebrey, Roger B. Beck, Clare Haru Crowston, Merry E. Wiesner-Hanks, 2011-10-05 A History of World Societies introduces students to the global past through social history and the stories and voices of the people who lived it The book s regional and comparative approach helps students understand the connections of global history while providing a manageable organization With global connections and comparisons documents features and activities that teach historical analysis *The Curse of Ham* David M. Goldenberg, 2009-04-11 How old is prejudice against black people Were the racist attitudes that fueled the Atlantic slave trade firmly in place 700 years before the European discovery of sub Saharan Africa In this groundbreaking book David Goldenberg seeks to discover how dark skinned peoples especially black Africans were portrayed in the Bible and by those who interpreted the Bible Jews Christians and Muslims Unprecedented in rigor and breadth his investigation covers a 1 500 year period from ancient Israel around 800 B C E to the eighth century C E after the birth of Islam By tracing the development of anti Black sentiment during this time Goldenberg uncovers views about race color and slavery that took shape over the centuries most centrally the belief that the biblical Ham and his descendants the black Africans had been cursed by God with eternal slavery Goldenberg begins by examining a host of references to black Africans in biblical and postbiblical Jewish literature From there he moves the inquiry from Black as an ethnic group to black as color and early Jewish attitudes toward dark skin color He goes on to ask when the black African first became identified as slave in the Near East and in a powerful culmination discusses the resounding influence of this identification on Jewish Christian and Islamic thinking noting each tradition s exegetical treatment of pertinent biblical passages Authoritative fluidly written and situated at a richly illuminating nexus of images attitudes and history *The Curse of Ham* is sure to have a profound and lasting impact on the perennial debate over the roots of racism and slavery and on the study of early Judaism Christianity and Islam
