Separate author and title indexes will allow the user to locate specific entries. The book's aim is to direct students, researchers and bibliophiles to the entire corpus of works about Churchill. *Sir Winston Churchill: Published Articles by a Churchillian* Fred Glueckstein, 2021-07-12. From the Preface by David Freeman, editor of the *Finest Hour*, the journal of the International Churchill Society. Fred Glueckstein knows Winston Churchill. As can be seen in the essays that follow, Fred's Churchillian interests are both catholic and eclectic. Fred can tell us in detail about members of the Churchill family such as the seventh Duke of Marlborough, Churchill's mentors such as J E C Welldon, the headmaster of Harrow, and political patrons such as Sir Henry Campbell Bannerman, who gave Churchill his first government office. But Fred can also tell us about the lighter side of Churchill's life, including the name of every racehorse that Churchill owned. Churchill knew the great families of his time, and we read about his efforts to assist the son of Theodore Roosevelt. We also learn about the people whose lives orbited that of Churchill, such as several of his bodyguards. As editor of *Finest Hour*, I was responsible for commissioning some of the essays that follow, and having the pleasure of being the first person to read them. You will enjoy as much as I have delving into these studies in miniature of the many facets of Winston Churchill. **Churchill by Himself** Winston S. Churchill, 2013-09-19. Quotations by the great statesman who helped lead Britain through two world wars. *Magisterial* should be in the library of every Churchill aficionado. *American Spectator*: We shall fight on the beaches, we shall fight on the landing grounds, we shall fight in the fields and in the streets, we shall fight in the hills, we shall never surrender. Millions have been moved by these words, and by the hundreds of speeches given by Winston S Churchill to rally the British public, spur its government to armament against Hitler, and defend the causes for which he believed. *Churchill by Himself* is the first collection of quotations from a leader who had as much talent for wit as he had for inspiration and exhortation. Edited by renowned Churchill scholar Richard Langworth, this volume is the definitive collection of important quotes from one of the twentieth century's most persuasive and brilliant orators whose writings earned him a Nobel Prize in Literature in 1953.

Winston Churchill, Myth and Reality Richard M. Langworth, 2017-03-29. Winston Churchill indispensable when liberty was in peril, died in 1965. Yet he is still accused of numerous sins, from alcoholism and racism to misogyny and warmongering. On the Internet, he simmers in a stew of imagined misdeeds: using poison gas, firebombing Dresden, causing the Bengal famine, and so on. Drawing on the author's fifty years of research and writing on Churchill, this book uncovers scores of myths.

surrounding him the popular and the obscure to reveal what he really said and did about many issues Churchill had two personas one that thought deeply about the nature of humanity and one that helped solve seemingly intractable problems In his many decades in public life he made mistakes but his faults were well eclipsed by his virtues
