Facing the Mob Benjamin Browning, 2022-02-25 Whether you are reading the story of Pilate's encounter with angry crowds during the trial of Jesus or reading one of the numerous accounts of mob violence in the book of Acts you will find that the threat of crowd violence is a common theme in the New Testament particularly in the Gospels and Acts In **Facing the Mob** Benjamin Browning provides a thorough examination of how government officials in the early Roman Empire responded to civil unrest He then uses these insights from the ancient world to provide readers of the New Testament with tools that will help them to interpret civil unrest passages more effectively

The Homilist; or, The pulpit for the people, conducted by D. Thomas. Vol. 1-50; 51, no. 3- ol. 63 David Thomas, 1878 [Commentary on the Gospel of St. John. With a Critical Introduction](#) Frédéric Louis Godet, 1876 [The Gospel According to Luke 9:51 Through 19:27](#) William Flewelling, 2018-11-22 The Bible Studies I chose to do came about in answer to the request from my first congregation out of seminary I consistently sought to present a serious somewhat scholarly approach to the interested among my parishioners I would take a book in the Bible to study assume it was written or edited to be read from the beginning and make sense to the reader in that way I attempted to discover for myself and my group what the book sought to convey In this volume the study of Luke 9 51 19 27 followed that pattern exactly This volume picks up from the study of Luke 1 1 9 50 and precedes the future volume on Luke 19 28 24 53

Weapons of Mass Distortion L. Brent Bozell, 2004-07-06 Could Al Franken and his left wing cronies possibly be right Is liberal media bias just a myth propagated by conservatives and have the mainstream media actually swung to the right Absolutely not In the new book **Weapons of Mass Distortion** L. Brent Bozell III founder and president of the Media Research Center America's largest and most respected media watchdog organization presents the definitive account of how liberal bias in the news industry is alive and well But here's the thing The liberal media are headed for a downfall Bozell demonstrates how their monopoly on information is at last coming to an end in large part because journalists continue to deny the bias that infects their news coverage His unrivaled expertise allows him to show readers exactly how the media landscape is changing and to expose the even bigger changes that are coming Marshaling an astonishing amount of evidence Bozell documents exactly how the news media deliberately attempt to set the national agenda through their slanted coverage In the process he destroys the arguments that Franken and many other left wing commentators have put forward regarding media bias **Weapons of Mass Distortion** also reveals How the liberal media's slanted coverage of President George W. Bush will play a huge role in the 2004 elections Why liberals' claims about the influence of Fox News and the conservative media are wrong and deliberately misleading How the mainstream press has waged war on the war on terrorism Never before told stories of how leading journalists behind the scenes betray the liberal bias they so forcefully deny in public incidents that Bozell has witnessed firsthand How the same journalists who condemn the Right for hate speech regularly launch and get away with vicious personal attacks on

conservatives Clear evidence that the major news outlets are hemorrhaging viewers readers and listeners precisely because of their liberal bias By dominating the news media for so long liberals have been able to control what we see and hear But as Bozell makes clear the Left will lose that control soon enough

The Gospel according to John Herman Ridderbos,2018-08-21 New in the Eerdmans Classic Biblical Commentaries collection In this commentary on John originally published in Dutch in 1987 and translated into English a decade later Herman Ridderbos engages the host of twentieth century interpretations while also developing his own integral understanding of John in which the Gospel emerges as a profoundly theological work Beginning with a theological introduction on the peculiar character of the Fourth Gospel Ridderbos uses verse by verse exposition to unpack John s distinctive apostolic character offering expert literary and homiletical exegesis of the Fourth Gospel as the Christian church adopted it

Tempting Faith David Kuo,2006-10-16 David Kuo came to Washington wanting to use his Christian faith to end abortion strengthen marriage and help the poor He reached the heights of political power ultimately serving in the White House under George W Bush after being policy adviser to John Ashcroft and speechwriter for Ralph Reed Pat Robertson and Bob Dole It was a dream come true the chance to fuse his politics and his faith and an opportunity for Christians not just to gain a seat at the proverbial table but to plan the entire meal Kuo spent nearly three years as second in command at the president s Office of Faith Based and Community Initiatives Yet his experience was deeply troubling It took both the Bush White House and a severe health crisis to show him how his Christian values and those of millions of Americans were being corrupted by politics Instead of following the teachings of Jesus to serve the needy Kuo found himself helping to manipulate religious faith for political gain Public funds were used in battleground states for

Republican campaign events The legislative process was used as a football not to pass laws but to deepen purely symbolic fault lines Grants were incestuously recycled to political cronies Both before and after 9 11 despite lofty rhetoric from the president claiming that his faith based program was one of his most important initiatives there was no serious attempt to fund valuable charities Worst of all was the prevailing attitude in the White House and throughout Washington toward Christian leaders Key Bush aides and Republican operatives spoke of them with contempt and treated them as useful idiots It became clear during regular conference calls arranged from the White House with a key group of Christian leaders that many of these religious leaders had themselves been utterly seduced by politics It is time Kuo argues for Christians to take a temporary step back from politics to turn away from its seductions Tempting Faith is equal parts headline making expos political and spiritual memoir and heartfelt plea for a Christian reexamination of political involvement John's Gospel Revd Dr Mark W G Stibbe, Mark W.G. Stibbe, 2002-09-09 John s Gospel is an innovative study which shows how the current plurality of literary methodologies can be used effectively to illuminate the text of the fourth gospel Dr Stibbe the well respected author of three previous volumes on St John uses the methods of structuralism deconstructionism and narrative criticism in his interpretation A detailed introduction makes his book accessible to the non specialist The book is an invaluable guide to John s Gospel for all those interested in the Bible as literature It is important reading for all theologians students of theology and ministers of religion *Preaching Mark* Bonnie Bowman Thurston, An expert guide from Galilee to Jerusalem This new resource examines the major literary units of Mark s Gospel with an eye toward helping the pastor in sermon preparation Rather than major themes Thurston guides the reader through the lectionary readings and how Mark s work offers a wealth of materials for Christian life and reflection **The Echo** ,1882 **The Biblical World** William Rainey Harper, Ernest DeWitt Burton, Shailer Mathews, 1915 Books for New Testament study By Clyde Weber Votaw v 26 p 271 320 v 37 p 289 352 *Sorting Out Paul* Chris Albert Wells, 2015-07-08 This book provides the basis for revising early Roman church history The second century confrontations that structured the church were symbolized by Peter representing the church s initial Judean legacies and by Paul signifying the Hellenistic theology Paul is a key actor whose role cannot be correctly understood without separating the first century man from his second century legend Historical Paul brought to Gentiles a new salvation promise in the name of Jesus Son of Israel s Creator God Legendary Paul belonged to a Christianity that radically departed from the original matrix Paul posthumously became an apostle to the second century Hellenistic heretics under Marcion s guidance who rejected the Messiah s Judean legacy The centrist Christian group challenged by Marcion used Peter s primacy to defend their cause Winning an important political battle centrists created a wide anti heretical front and established the church s primary Judean orthodoxy Paul losing the keys to Peter but finally occupying a third of the New Testament resumes the agitated history of the early Roman Church It comprises an initial layer of Judean influenced orthodoxy Paul rejected as the least of the apostles completed by a second layer of Hellenistic inspired orthodoxy

Paul rehabilitated The continuing confrontations between Peter and Paul produced important texts influenced the Gospels made the church evolve and falsified church history by introducing traditions that still confuse Christians Understanding the political battles involved in establishing the Roman Church will help in reading all the texts that went into the Christian Bible with their conflicting ideals *A Feminist Companion to Mariology* Amy-Jill Levine, Maria Mayo Robbins, 2005-11-21 The twelve essays in this volume explore through various approaches not only the biblical portraits of Mary but also both the quest for the historical Mary and the understandings of those portraits through the centuries Valerie Abrahamsen Jorunn Jacobsen Buckley John Dominic Crossan Mary F Foskett Beverly Roberts Gaventa Deirdre Good Jorunn kland Jane Schaberg George H Tavard John van den Hengel Pieter W van der Horst and George T Zervos offer contributions that address such topics as the understandings of sexuality the divine feminine soteriology first century social history christology Protestant Catholic and Orthodox hermeneutics ecumenical and interfaith relations and the meaning of virginity Volume 10 of the Feminist Companions to the Bible Series **THE INTER-MISSION** Jason Flick, 2013-10 The Inter Mission is a book about typing a book Not writing but typing A work of procrastination it features narrative prose about satire science sin and salvation how to brew beer and play solitaire while on the quest for the fountain of youth *Clerical Celibacy* William E. Phipps, 2004-09-10 The recent sex abuse scandals in the Catholic Church raised new questions about the abilities of a celibate priesthood to deal realistically with matters of sexuality Critics and journalists who have examined these scandals have called for an end to mandatory celibacy for priests In this overview Phipps points out that mandatory celibacy is relatively new fangled having appeared during the last half of the church s existence The innovation was imposed in the feudal and crusading era a dark period for the Church In order to provide this survey Phipps probes ancient religious texts and church history and uses studies that provide factual assessments of the general individual and cultural consequences of celibacy He avoids anecdotal evidence about celibacy and offers a balanced exploration by allowing celibate advocates and church representatives to speak in their own voices about these matters BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *The Sunday-school World* ,1885 *The Vulgate New Testament, with the Douay version of 1582.
