The Secret History of World War II, 1987 **Roosevelt's Secret War** Joseph E. Persico, 2002-10-22

Despite all that has already been written on Franklin Delano Roosevelt, Joseph Persico has uncovered a hitherto overlooked dimension of FDR's wartime leadership: his involvement in intelligence and espionage operations. Roosevelt's Secret War is crowded with remarkable revelations. FDR wanted to bomb Tokyo before Pearl Harbor. A defector from Hitler's inner circle reported directly to the Oval Office. Roosevelt knew before any other world leader of Hitler's plan to invade Russia. Roosevelt and Churchill concealed a disaster costing hundreds of British soldiers' lives in order to protect Ultra, the British codebreaking secret. An unwitting Japanese diplomat provided the President with a direct pipeline into Hitler's councils. Roosevelt's Secret War also describes how much FDR had been told before the Holocaust about the coming fate of Europe's Jews. And Persico also provides a definitive answer to the perennial question: Did FDR know in advance about the attack on Pearl Harbor? By temperament and character, no American president was better suited for secret warfare than FDR. He manipulated, compartmentalized, dissembled and misled, demonstrating a spymaster's talent for intrigue. He once remarked, "I never let my right hand know what my left hand does." Not only did Roosevelt create America's first central intelligence agency, the OSS, under Wild Bill Donovan, but he ran spy rings directly from the Oval Office, enlisting well-placed socialite friends. FDR was also spied against. Roosevelt's Secret War presents evidence that the Soviet Union had a source inside the Roosevelt White House that British agents fed FDR total fabrications to draw the United States into war and that Roosevelt, by yielding to Churchill's demand that British scientists be allowed to work on the Manhattan Project,

enabled the secrets of the bomb to be stolen And these are only a few of the scores of revelations in this constantly surprising story of Roosevelt s hidden role in World War II **Franklin and Winston** Jon Meacham,2004 Franklin Roosevelt and Winston Churchill were the greatest leaders of the Greatest Generation In Franklin and Winston Meacham explores the fascinating relationship between the two men who piloted the free world to victory in the Second World War It was a crucial and unique friendship a president and a prime minister spending enormous amounts of time together and exchanging nearly 2000 messages Amid cocktails and cigars they met often secretly in places as far flung as Washington Hyde Park and Casablanca talking to each other of war the burden of command their health their wives and their children Meacham s new sources including unpublished letters of Roosevelt s great secret love Lucy Mercer Rutherford the papers of Pamela Churchill Harriman and interviews with the few survivors who were in Roosevelt s and Churchill s joint company shed fresh light on the characters of both men as he engagingly chronicles the hours in which they decided the course of the struggle

The Greatest of Friends Keith Alldritt,1995 Relates the story of the friendship that grew up between two of the great leaders of World War II The result of extensive research carried out by the author on Churchill and Roosevelt the book presents Churchill from the perspective of the Roosevelt circle Roosevelt and Churchill: The Atlantic Charter Michael Kluger,Richard J. Evans,2021-10-01 The dramatic secret meeting between Churchill and FDR that forged their alliance against global fascism is brought to life in this WWII history On August 14 1941 Prime Minister Winston Churchill and President Franklin D Roosevelt issued a joint declaration of goals for the world after the Second World War The Atlantic Charter was a powerful statement against tyranny and an important display of the Special Relationship between the UK and the US Roosevelt and Churchill The Atlantic Charter tells the story behind this momentous document and the secret meeting that led to its creation Churchill and Roosevelt barely knew each other when they met off the coast of Newfoundland aboard the USS Augusta After a desperate dash across the U boat infested Atlantic Churchill spent four days at sea with Roosevelt establishing both a personal friendship and an international alliance that would change the world Exploring the lives of both men the authors also include biographies of those who were vital to the process Roosevelt s Secretary of Commerce Harry Hopkins and foreign policy advisor Sumner Welles and Churchill s confidants Lord Beaverbrook Lord Cadogan and his son Randolph Churchill
