

RUSSIAN MILITARY REFORM

1992–2002

**Editors:
Anne C. Aldis and
Roger N. McDermott**

Russian Military Reform 1992

Carolina Vendil Pallin

Russian Military Reform 1992 :

Russian Military Reform Carolina Vendil Pallin, 2008-08-29 This book examines reform of the Russian military since the end of the Cold War It explores the legacy of the Soviet era explaining why at the time of the fall of the Soviet Union radical reform was long overdue in the wake of changing military technology new economic and political realities and the emergence of new threats and challenges It discusses the problems encountered by Gorbachev in his attempts to promote military reform in the late 1980s and goes on to analyse in detail the mixed fortunes of the policies of his successors Yeltsin and Putin It describes how the onset of war in Chechnya in 1994 provided clear evidence of the weaknesses of the Russian military in modern conflicts and shows that although the Chechnya debacle did provide some impetus for reforms in the armed forces in 1997 98 the momentum was not continued under the Putin government It argues that Putin s policies of bolstering central control over all aspects of decision making has left untouched many key problems facing the Russian military including infighting between different force structures lack of transparency and independent scrutiny over defence spending and absence of consensus on the main threats to Russia and optimum force posture Moreover it argues that in his attempts to concentrate all means of control to a corrupt and inefficient Kremlin bureaucracy Putin has deprived himself of all alternative channels of independent scrutiny control and oversight thus exacerbating the problems that continue to plague the Russian military

Russian Military Reform, 1992-2002 Anne C. Aldis, Roger N. McDermott, 2004-11-23 Military reform has featured prominently on the agenda of many countries since the end of the Cold War necessitated a re evaluation of the strategic role of the armed forces and nowhere more publicly than in Russia Not since the 1920s have the Russian Armed Forces undergone such fundamental change President Boris Yeltsin and his successor Vladimir Putin have both grappled with the issue with varying degrees of success An international team of experts here consider the essential features of Russian military reform in the decade since the disintegration of the USSR Fluctuations in the purpose and priorities of the reform process are traced as well as the many factors influencing change Chapters analyse the development of Russia s security policy structural reform of the services the social impact of military service and experience of military conflict in Chechnya Critical evaluations of the impact of social change on the Russian Armed Forces capabilities and expectations complement the analysis of the on going debate Russian Military Reform 1992 2002 will prove invaluable to all those interested in civil military relationships and international security as well as to students of military theory and practice

Russian Military Reform Carolina Vendil Pallin, 2008-08-29 This book examines reform of the Russian military since the end of the Cold War It argues that Putin s policies of bolstering central control has left untouched many key problems including infighting between different forces lack of transparency over defence spending and absence of consensus on the main threats

Russian civil-military relations and the origins of the second Chechen war Sz&aszdi, Lajos F., 2008-08-29 This book has relevance for those interested in understanding Russia s course in international relations under the leadership of Vladimir

Putin This book will inform the reader and is especially relevant in light of the events of 2008 in the Caucasus and the war in Georgia in particular The author explains the ideology of Neo Eurasianism which in turn inspires the policy thinking of the Kremlin Also studied is Putin s origins in the KGB from the previous posts of Secretary of the Security Council and Director of the FSB and his rise to power in the crucial year of 1999 when he became Russian Prime Minister The author highlights the continuing trend of appointing high ranking officers of the Russian intelligence community to senior positions in the government studying this in the context of Russian civil military intelligence relations The author reached the conclusion back in 2003 that the members of Russian intelligence hold the reins of power above the civilian and military elements of the Russian government The author returns to the Kosovo Crisis of 1999 discussing also the motives that led the Kremlin and Putin to invaded Chechnya for a second time in a decade Parallels can be drawn to the 2008 Russian invasion of Georgia and the roots of the Neo Eurasianist ideology that is behind the two invasions are examined This book will help the reader understand Russia s current and future distribution of power in the Caucasus the Balkans and the world at large Moscow s search for a multipolar world and its opposition to U S hegemony **Russian civil-military relations** , Global Security Watch—Russia Richard Weitz,2009-11-25 This book offers an expert analysis of Russia s foreign and military defense policies since the Federation was established in the aftermath of the collapse of the Soviet Union To help readers understand the current state of this crucially important country Global Security Watch Russia A Reference Handbook provides a comprehensive overview of the main foreign and defense policies of the Russian Federation Global Security Watch Russia focuses on political military developments in the nation that emerged in the aftermath of the Soviet Union s collapse in December 1991 The book looks at a variety of factors that characterize Russia s position in world security matters such as its leading position as an arms exporter and its still overwhelming nuclear capability Coverage includes critical recent events such as the growing alienation between Russia and the West the August 2008 Georgian War and the effects of the global financial crisis on Russia s vulnerable economy Routledge Handbook of Russian Politics and Society Graeme Gill,James Young,2013-03 There is an ever burgeoning number of books analyzing the Russian experience or aspects of it This Handbook is the first single volume which gives both a broad survey of the literature as well as highlighting the cutting edge research in the area Through both empirical data and theoretical investigation each chapter in the Routledge Handbook Russian of Politics and Society examines both the Russian experience and the existing literature points to research trends and identifies issues that remain to be resolved Offering focused studies of the key elements of Russian social and political life the book is organized into the following broad themes General introduction Political institutions Political Economy Society Foreign Policy Politically economically and socially Russia has one of the most interesting development trajectories of any major country This Handbook seeks to answer questions about democratic transition the relationship between the market and democracy stability and authoritarian politics the development of civil society the role of crime and corruption

and the creation of a market economy Providing a comprehensive resource for scholars and policy makers alike this book is an important contribution to the study of Russian Studies Eastern European studies and International Relations **Military and Society in Post-Soviet Russia** Stephen L. Webber, Jennifer G. Mathers, 2006 This collection provides the first comprehensive analysis of the nature of the relationship between the military and society in post Soviet Russia It brings together a multidisciplinary group of leading Western and Russian experts to investigate both the ways in which developments in the Russian armed forces influence Russian society and the impact of broader societal change on the military sphere **The Oxford Handbook of War** Julian Lindley-French, Yves Boyer, 2012-01-19 The Oxford Handbook of War is the definitive analysis of war in the twenty first century With over forty senior authors from academia government and the armed forces world wide the Handbook explores the history theory ethics and practice of war The Handbook first considers the fundamental causes of war before reflecting on the moral and legal aspects of war Theories on the practice of war lead into an analysis of the strategic conduct of war and non Western ways of war The heart of the Handbook is a compelling analysis of the military conduct of war which is juxtaposed with consideration of technology economy industry and war In conclusion the volume looks to the future of this apparently perennial feature of human interaction **The Kremlin and the High Command** Dale R. Herspring, 2024-07-16 Throughout its existence the Red Army was viewed as a formidable threat By the end of the Cold War however it had become the weakest link in the Soviet Union s power structure Always subordinate to the Communist Party the military in 1991 suddenly found itself answering instead to the president of a democratic state Dale Herspring closely examines how that relationship influenced the military s viability in the new Russian Federation Herspring s book is the first to assess the relationship between the Russian military and the political leadership under Presidents Mikhail Gorbachev Boris Yeltsin and Vladimir Putin He depicts an outmoded and demoralized military force still struggling to free itself from Cold War paradigms while failing to confront not only debacles in Afghanistan and Chechnya but also a rise in crime and corruption within the ranks He reveals how Gorbachev neglected the military to save Russia from internal collapse and Yeltsin reneged on continuing promises of support And while Putin claims a better understanding of the armed forces he has severely tightened his control over the military while monitoring its struggle toward modernization Herspring argues that presidential leadership or a significant lack thereof has been the key variable determining the kind of military Russia puts in the field It has been up to the president to ensure that the high command makes a successful transition to the new polity otherwise combat readiness will decline and generals and admirals could become politicized By focusing on how the high command has reacted to each president s decisions and leadership style Herspring shows that in spite of the continued importance of the military s bureaucratic structure personality factors have assumed a much more important role than in the past The Kremlin and the High Command provides the most complete analysis to date of the Russian president s influence on the Russian officer corps the soldiers they lead and their army s

combat readiness Shedding light on the chaos that has plagued the USSR and Russia over the past 25 years it also suggests how the often fraught relationship between the president and the high command must evolve if the Russian Federation is to evolve into a truly democratic nation

Enjoying the Melody of Appearance: An Psychological Symphony within **Russian Military Reform 1992**

In some sort of taken by screens and the ceaseless chatter of fast communication, the melodic beauty and emotional symphony developed by the prepared word usually disappear in to the backdrop, eclipsed by the constant sound and disruptions that permeate our lives. But, situated within the pages of **Russian Military Reform 1992** a wonderful literary value overflowing with natural emotions, lies an immersive symphony waiting to be embraced. Constructed by a wonderful musician of language, that fascinating masterpiece conducts readers on a mental journey, well unraveling the concealed tunes and profound impact resonating within each cautiously constructed phrase. Within the depths of the moving assessment, we shall examine the book is main harmonies, analyze their enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

Russian Military Reform 1992 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russian Military Reform 1992 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russian Military Reform 1992 has opened up a world of possibilities. Downloading Russian Military Reform 1992 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russian Military Reform 1992 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russian Military Reform 1992 . These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russian Military Reform 1992 . Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russian Military Reform 1992 , users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russian Military Reform 1992 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Russian Military Reform 1992 Books

1. Where can I buy Russian Military Reform 1992 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
