Russian Economic Reform Jim Leitzel, 1995 Focuses on the actual pre reform conditions including the widespread private informal economic activity

Russian Economic Reform James Leitzel, 2005-06-22 Transitions from socialism to capitalism are complex both in theory and practice *Russian Economic Reform* enables the reader to come to a much better understanding of these momentous changes by providing a clear and accessible account of the major features of transition It argues that attempts to portray the reform process as a disaster are misconceived because they fail to take account of just how badly the pre reform economy was doing Many of the problems that are emerging now have their antecedents in the earlier economic system
