themselves on their individuality The Neocon Reader provides a collection of the ideas that are exerting enormous influence on American foreign and defense policy and serves as an important reminder of how a loose knit band of intellectuals and politicians thought wrote and preached their way into the halls of power New York Magazine ,1974-07-22 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
