Children's Books on Africa and Their Authors Nancy J. Schmidt, 1975 **The Palgrave Handbook of Africa and the Changing Global Order** Samuel Ojo Oloruntoba, Toyin Falola, 2021-11-22 This handbook fills a large gap in the current knowledge about the critical role of Africa in the changing global order By connecting the past present and future in a continuum that shows the paradox of existence for over one billion people the book underlines the centrality of the African continent to global knowledge production the global economy global security and global creativity Bringing together perspectives from top Africa scholars it actively dispels myths of the continent as just a passive recipient of external influences presenting instead an image of an active global agent that astutely projects soft power Unlike previous handbooks this book offers an eclectic mix of historical contemporary and interdisciplinary approaches that allow for a more holistic view of the many aspects of Africa's relations with the world
