Rx For Addiction:

Prescription Drug Abuse David E. Newton, 2015-12-07 This outstanding resource guide for students and young adults provides an introduction to the history of prescription drug abuse that explains how this problem has arisen and examines the social political economic and health issues associated with prescription drug abuse in modern society Evidence suggests that both adults and youth are abusing a wider range of prescription drugs and abusing them more frequently than has been the case in the past Prescription drugs are the second most common class of drugs abused by Americans more than twice as commonly abused as cocaine and five times as commonly abused as heroin This book provides readers with information about the specific health effects that can result from using certain types of medical chemicals particularly opioid analgesics stimulants depressants and hallucinogenics explains the most important factors that have led to the growth of prescription drug problems and reviews the current status of the issue in the United States and other nations Readers will learn about the dangers associated with the use of prescription drugs for nonmedical purposes the methods that have been put in place and are being developed to prevent the abuse of prescription drugs and the trends in prescription drug misuse with possible explanations for these trends The book also reviews some of the steps being taken by governments and other organizations and agencies to combat the problem of prescription drug abuse Generation RX United States. Congress. Senate.

Committee on the Judiciary. Subcommittee on the Constitution (2007-), 2009 Generation Rx Erin Marie Daly, 2015-06-09 What had happened to my baby brother How did a tiny little pill shatter our family When did we first begin losing Pat These are the harrowing questions that plagued Erin Marie Daly after her youngest brother Pat an OxyContin addict was found dead of a heroin overdose at the age of twenty In just a few short years the powerful prescription painkiller had transformed him from a fun loving ball of energy to a heroin addict hell bent on getting his next fix Yet even as Pat s addiction destroyed his external life his internal struggle with opiates was far more heart wrenching Erin set out on a painful personal journey turning a journalistic eye on her brother s addiction in the process she was startled to discover a new twist to the ongoing prescription drug epidemic That kids are hooked on prescription drugs is nothing new what is new is the rising number of young heroin addicts whose addiction began with pills in suburban bedrooms and how a generation of young people playing around with today s increasingly powerful opioids are finding themselves in the frightening grip of heroin While many books have tackled the topic of Big Pharma drug addiction and our increasingly over medicated society Generation Rx offers an entirely new look at what the prescription pill epidemic means for today s youth and the world around them **Drug Abuse and Addiction in Medical Illness** Joris C. Verster, Kathleen Brady, Marc Galanter, Patricia Conrod, 2012-07-06 Drug abuse and addiction are common in clinical practice Often they interfere with patient treatment or require an alternative approach Drug Abuse and Addiction in Medical Illness Causes Consequences and Treatment is a major contribution to the literature a gold standard title offering a comprehensive range of topics for those who care for patients with addiction conduct research

in this area or simply have an interest in the field Offering state of the art information for all those working with drug abusing or addicted patients or for those interested in this topic from other research perspectives the volume is a first of its kind book rich comprehensive yet focused addressing the needs of the very active theoretical basic and clinical research in the field Comprised of 46 chapters organized in four sections and developed by the leading international experts Drug Abuse and Addiction in Medical Illness Causes Consequences and Treatment covers virtually every core as well as contemporary topic on addiction from the established theories to the most modern research and development in the field Enhancing the educational value of the volume every chapter includes an abstract and two boxes summarizing learning objectives and directions for future research Drug Abuse and Addiction in Medical Illness Causes Consequences and Treatment discusses the topic in a authoritative systematic manner and is an indispensable reference for all clinicians and researchers interested in this rapidly changing field

A New Prescription for Addiction Richard I. Gracer, 2007 For the first time a doctor has developed a treatment program especially for hidden addicts people whose lives look just fine on the surface but who are secretly driven by stress into addictive destructive behaviors Until now many of these people have been alone in their struggle their addictions undetected by friends colleagues even sometimes family Now this breakthrough program treats both hidden substance abuse problems and their underlying causes without unnecessarily stigmatizing these otherwise highly functioning people Richard Gracer MD is the founder and director of Gracer Medical Group which has been holistically treating patients with complex health issues since 1979 In 2005 he launched Gracer Behavioral Health Services specifically to treat addiction alcoholism and other stress related mental health issues He has pioneered a revolutionary 5 step treatment protocol that addresses substance abuse cravings and their underlying causes through intensive short term treatment across several disciplines It uses several new drugs some very recently approved by the FDA that promise to revolutionize the treatment of addictions as well as a comprehensive support system to address the many challenges addicts face

Anxiety Rx Russell Kennedy, 2024-09-17 From physician and neuroscientist Russell Kennedy MD comes an award winning book that offers a revolutionary life changing approach to healing anxiety Break the cycle of anxiety with the newly upgraded and expanded second edition After years of trying different therapies for his debilitating anxiety without success Dr Russell Kennedy had an epiphany anxiety does not start in the brain Anxiety starts in the body where trauma is stored and physical and emotional perception begin Alarm bells originating in the body are what trigger those anxious thoughts that we call anxiety and Russ realized that true healing starts only when we learn not to conflate the two He understood that existing therapies focused only on the mind would never get to the root of the problem at best they could help manage symptoms but they d never truly heal anxiety Wanting to make a difference for the millions who suffer from anxiety disorder Russ created Anxiety Rx a book that blends his personal story with medical science neuroscience and developmental psychology Readers learn how to sever the connection between the somatic alarm and the flood of anxious thoughts in the process they begin to

heal old trauma and gain a sense of control previously unknown Russ offers techniques not only for our thinking minds but for our feeling bodies changing not just our mindset but our body set Unraveling the intricate relationship between anxiety the body and the mind Anxiety Rx offers a profound path toward healing and growth *Prescription Painkillers* Rosa Waters, 2014-11-17 Just because a drug is legal doesn't mean it's safe to abuse it Abusing prescription painkillers like OxyContin Percocet and Vicodin is no safer than trying much harder drugs These drugs are being vastly abused and represent one of today's largest drug epidemics Discover the real consequences of taking prescription painkillers to get high Learn about the damage these pills can do to your body and how you can develop an addiction to painkillers Find out about the downside of prescription painkillers **Rx for Addiction** Wayne Robert Gehring, 1985 A gynecologist recounts his ordeal with drug addiction which nearly ruined his marriage and career and explains how renewed Christian faith helped him overcome his addiction **Club and Prescription Drug Abuse** Valerie Bodden, 2014-08-01 This title examines how inhalants and club prescription and over the counter OTC drugs affect individuals and society investigates how people are working to put an end to drug abuse and analyzes the controversies and conflicting viewpoints surrounding the issue Features include a glossary selected bibliography websites source notes and an index plus a timeline and essential facts Aligned to Common Core standards and correlated to state standards Essential Library is an imprint of Abdo Publishing a division of ABDO *Epidemiologic Trends in Drug Abuse, June 2006: Proceedings*, 2007
