Sacred Cows:

Killing Sacred Cows Garrett B. Gunderson, Stephen Palmer, 2008 Our culture is riddled with destructive myths about money and prosperity that are severely limiting our power creativity and financial potential In *Killing Sacred Cows* Garrett B Gunderson boldly exposes ingrained fallacies and misguided traditions in the world of personal finance He presents a revolutionary perspective that can create unprecedented opportunity and wealth for individuals Our financial lives are intimately connected to our societal contributions and we must be financially free in order to achieve our fullest potential Yet most people are held captive in their financial lives by misinformation propaganda and lack of knowledge Through well reasoned arguments and pitiless logic Gunderson attacks these sacred cows with revelatory insights such as High returns without high risk Security without a corporate job Debt that increases your financial productivity Enjoying your money instead of waiting for retirement *Killing Sacred Cows* is a must read for brave individuals willing to question common assumptions and teachings overcome the herd mentality break through financial myths and live a purposeful passionate and prosperous life Investors seeking financial advice in *The Little Book That Makes You Rich* will find this to be a must read for anyone who wants to achieve their financial potential today

In the Company of Sacred Cows Stephen Quesnelle, Geoff Smith, 2009-02 While 70% of all organizational change initiatives fail this one succeeded and improved telecom producer Mitel Corporation's bottom line profitability by a factor of 40 Like many organizations Mitel's entrenched processes procedures and policies its Sacred Cows had resulted in products that were slow getting to market When they did get to market many products had quality problems The sluggish company culture was also making it impossible for Mitel to face a looming technology shift and do battle with new brand of competitors who threatened to wipe the company out Authors Geoff Smith and Stephen Quesnell were front and center driving the change that saved Mitel Geoff as the Vice President of Research and Development with 500 engineers reporting to him and Stephen as the Organizational Development OD professional partnered with Geoff to help lead the turnaround Refreshing and engaging this book tells how Geoff and Stephen met the challenge head on They used a behavior based leadership approach based on over 50 years of scientific research plus their own creative initiatives to kill the Sacred Cows More than a fascinating case study this book provides all the hard hitting lessons learned by the company by Geoff as the Change Champion and by Stephen as the Change Agent In *In the Company of Sacred Cows* provides you with a framework for making organizational change in your company Whether your business is growing or shrinking this book provides you with a how to manual with the real life tools and techniques you need to meet rapidly changing business demands
