Sacred Rhetoric The Christian Grand Style In The English Renaissance:

Sacred Rhetoric Debora K. Shuger, 1988 There are no studies of a sacred grand style in the English Renaissance writes Debora Shuger because even according to its practitioners it was not supposed to exist Yet the grand style forms the unacknowledged center of traditional rhetorical theory In this first history of the grand style Professor Shuger explores the growth of a Christian aesthetic out of the Classical grand style showing its development from Isocrates to the sacred rhetorics of the Renaissance These rhetorics advocate a Christian grand style neither pedantically mimetic nor playfully sophistic whose models include Tacitus and the Bible as well as Cicero and whose theoretical sources embrace not only Cicero and Quintilian but Hermogenes and Longinus This style dominates the best and most scholarly rhetorics of the period texts written in Latin and while ignored by most recent scholars extensively used in England throughout the sixteenth and seventeenth centuries These works are the first attempts since Augustine's pioneering revision of Ciceronian rhetoric to reground ancient rhetorical theory on Christian epistemology and theology According to Professor Shuger the Christian grand style is passionate vivid dramatic metaphoric yet this emotional energy and sensuousness is shaped and legitimated by Renaissance religious culture Thus sacred rhetoric cannot be considered apart from contemporary theories of cognition emotion selfhood and signification It mediates between word and world Moreover these texts suggest the almost forgotten centrality of neo Latin scholarship during these years and provide a crucial theoretical context for England's great flowering of devotional prose and poetry Originally published in 1988 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These paperback editions preserve the original texts of these important books while presenting them in durable paperback editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Cambridge History of Science: Volume 3, Early Modern Science David C. Lindberg, Katharine Park, Ronald L. Numbers, Roy Porter, 2003 An account of European knowledge of the natural world c 1500 1700 **Robert Burton and the Transformative Powers of Melancholy** Stephanie Shirilan, 2016-03-03 Few English books are as widely known underread and underappreciated as Robert Burton's *The Anatomy of Melancholy* Stephanie Shirilan laments that modern scholars often treat the *Anatomy* as an unmediated repository of early modern views on melancholy overlooking the fact that Burton is writing a cento an ancient form of satire that quotes and misquotes authoritative texts in often subversive ways and that his express intent in so doing is to offer his readers literary therapy for melancholy This book explores the ways in which the *Anatomy* dispenses both direct physic and more systemic medicine by encouraging readers to think of melancholy as a privileged mental and spiritual acuity that requires cultivation and management rather than cure Refuting the prevailing

historiography of anxious early modern embodiment that cites Burton as a key witness Shirilan submits that the Anatomy rejects contemporary Neostoic and Puritan approaches to melancholy She reads Burton s erraticism opacity and theatricality as modes of resistance against demands for constancy transparency and plainness in the popular literature of spiritual and moral hygiene of his day She shows how Burton draws on rhetorical theological and philosophical traditions that privilege the transformative powers of the imagination in order to celebrate melancholic impressionability for its capacity to inspire and engender empathy charity and faith

Shakespeare from the Margins Patricia A.
