Sacred And Profane Memories:

Sacred and Profane Memories Carl Van Vechten, 1979-01-01 **Waugh Without End** Carlos Villar Flor, Carlos Villar, Robert Murray Davis, 2005 Compiled on the occasion of Evelyn Waugh's centenary in 2003 this collection of essays shows a renewed critical interest in the author extended by scholars from both sides of the Atlantic The contributions go back to an international symposium held at La Rioja University 15-17 May 2003 Apart from traditional debate over questions of fact and interpretation the book contains innovative approaches to Waugh's oeuvre some of which make use of theories of discourse and media studies and denote an increasingly sophisticated awareness of his religious political and social contexts Beginning with those essays presenting overviews of Waugh's life and work and continuing with discussions of particular books in chronological order this volume deals with a wide variety of aspects that confirm Waugh's rising status as a major twentieth century classic

The Phenomenology of Love and Reading Cassandra Falke, 2018-05-31 The current revival of interest in ethics in literary criticism coincides fortuitously with a revival of interest in love in philosophy The literary return to ethics also coincides with a spate of neuroscientific discoveries about cognition and emotion But without a philosophical grounding this new work cannot speak convincingly about literature's relationship to our ethical lives Jean Luc Marion's articulation of a phenomenology of love provides this philosophical grounding The Phenomenology of Love and Reading accepts Jean Luc Marion's argument that love matters for who we are more than anything more than cognition and more than being itself Cassandra Falke shows how reading can strengthen our capacity to love by giving us practice in love's habits attention empathy and a willingness to be overwhelmed Confounding our expectations literature equips us for the

confounding events of love which Falke suggests are not rare and fleeting but rather constitute the most meaningful and durable part of our everyday life
