Sacred Encounters With Jesus:

Sacred Encounters with Jesus Gregory Scott Sparrow, 2003 Sacred Encounters with Jesus is a discerning account of how Jesus heals and transforms people today just as He ministered to His disciples Readers will enter into the miraculous experiences of a terminally ill girl who was healed by Jesus touch and of a woman who touched Jesus as He knelt beside her and prayed These experiences raise the possibility that only some people will readily accept that Jesus can be experienced as directly and as personally today as when He walked the earth 2 000 years ago Sacred Encounters Olive Sampath Mahabir, 2023 Sacred Encounters from Rome to Jerusalem Tamara Park, 2008-11-19 Tamara Park and a couple of friends flew to Rome and from there followed the footsteps of Helena mother of the first Christian emperor of ancient Rome on a meandering path to Jerusalem Along the way she sat on all sorts of benches and talked with all sorts of people about how they thought of God This book is that story Jesus Christ Superstition Robert M. Price, 2019-09-04 Robert M Price a former Evangelical Christian examines the confusing intersection of Christianity and superstition by asking questions Is practicing the presence of God actually a variety of paranoia Is having a personal relationship with Jesus Christ really akin to a child playing with an imaginary friend At what point does a religious belief become an obsessive neurosis Price finds that the source of superstition in Christianity is the objectification of the transcendent As a result he argues many of the most destructive superstitions within Christianity are inessential accretions to the faith interfering with life transforming piety to the glad benefit of many of Christianity s adherents Christians who believe that an unexamined faith is not worth having will profit from struggling with Jesus Christ Superstition *Working with Dreams and PTSD Nightmares* Jacquie E. Lewis Ph.D., Stanley Krippner, 2016-07-25 Both a manual on the various methods for working with dreams and an easily understandable description about dreamwork methods and PTSD nightmares for general readers this book will benefit psychotherapists counselors academics and students *Working with Dreams and PTSD Nightmares 14 Approaches for Psychotherapists and Counselors* is an essential tool for anyone seeking to learn how to work with dreams It covers all major methods in use today offering outlines of the processes with descriptive examples that make the material come alive for the reader The clinical examples enable counselors and psychotherapists to be able to see the effectiveness of dreamwork processes and the text clearly explains techniques so readers can use them in clinical and counseling sessions PTSD nightmares are given special attention to serve counselors and therapists who assist PTSD patients in settings such as private practice mental health centers community centers and hospitals This book is a comprehensive textbook appropriate for courses on psychology and dreams Readers who are interested in dreamwork methods but have not previously worked in the field will find the information accessible concise and clear **Healing the Fisher King** G. Doane,2019-12-02 His Eminence Robert Cardinal Sarah prefect of the Congregation for Divine Worship and the Discipline of the Sacraments recently commented on the fire at Notre Dame cathedral He said the Church is only of interest because she allows us to encounter Jesus She is only legitimate because she passes on Revelation to us When the Church becomes overburdened with human structures it obstructs the light of God shining out in her and through her The Church should be like a cathedral Everything in Her should sing to the glory of God She must unceasingly direct our gaze toward him like the spire of Notre Dame pointed toward heaven Encounter Jesus Transforming Catholic Culture in Crisis is a call to rebuild a Catholic culture that has wandered from her spiritual root system In the West and the United States the light that shined starting in the Acts of the Apostles has become dim and in some places extinguished The specifics to what apostolic spirituality embodies will convict challenge and call the clergy consecrated religious and laity to take seriously what it means to be a catholic Christian Just as architects design the rebuilding of the Notre Dame Cathedral may this book serve as a

blueprint for transformation in the culture of the church Insights to Spirituality Gerald W. Miller, 2011-10-05 There are numerous books and documents on spiritual life and the authors of these are long on the journey with God However a consolidation of the elements of a spiritual life and how they can affect one's life are both interesting and helpful as they have been to me These INSIGHTS are most useful in beginning as well as enhancing one's own spiritual formation Over 100 separate views which are threaded among seven chapters speak to a practical approach to carrying out the Lord's will in the spiritual life
