

A painting of a forest stream. The scene is viewed from a low angle, looking down a narrow path of water. The water is a pale, milky green, reflecting the light from above. The banks are covered in moss and small, dark rocks. On the right, a large, gnarled tree trunk leans over the water. The upper part of the image is filled with the dense canopy of trees, with sunlight filtering through in a bright, circular glow in the center. The overall mood is serene and mystical.
