Understanding World Religions Irving Hexham, 2011-03-22 Globalization and high speed communication put twenty first century people in contact with adherents to a wide variety of world religions but usually valuable knowledge of these other traditions is limited at best On the one hand religious stereotypes abound hampering a serious exploration of unfamiliar philosophies and practices On the other hand the popular idea that all religions lead to the same God or the same moral life fails to account for the distinctive origins and radically different teachings found across the world s many religions Understanding World Religions presents religion as a complex and intriguing matrix of history philosophy culture beliefs and practices Hexham believes that a certain degree of objectivity and critique is inherent in the study of religion and he guides readers in responsible ways of carrying this out Of particular importance is Hexham s decision to explore African religions which have frequently been absent from major religion texts He surveys these in addition to varieties of Hinduism Buddhism Judaism Christianity and Islam **Sacred Pathways: Exploring the World's Major Religions** Lionel O'Neill, 2024-12-10 **Sacred Pathways Exploring the World's Major Religions** offers a comprehensive exploration of the world's major religious traditions taking readers on a fascinating journey through the rich tapestry of spiritual beliefs and practices This book

provides a deep understanding of the fundamental principles core values and historical contexts of each religion From Hinduism s ancient origins to New Age spirituality s modern practices this comprehensive guide illuminates the diverse ways in which people throughout history have sought meaning purpose and connection with the divine **The Illustrated Guide to World Religions** Michael David Coogan,1998 Graced with rich illustrations and written by a team of eminent scholars this book presents a wealth of information on faiths around the world Each chapter in this volume examines one of seven major world religions from Judaism to Christianity and from Islam to Buddhism **The Sacred Paths of the West** Theodore M. Ludwig,1994 This text combines study of the dynamic historical development of each religious tradition with a comparative thematic structure Students are encouraged to discover and explore the nature of religious experience by comparing basic themes and issues common to all religions finding connections with their own personal experiences By sensitively introducing descriptive material within a comparative thematic structure this text helps students to understand how each religion provides for its adherents patterns and meanings that make up a full way of life from Amazon
