Sacrifice Of Isaac:

The Sacrifice of Isaac Ed Noort, Tigchelaar, 2021-08-04 The central theme of the papers read at the conference about the Aqedah is the history of reception of Genesis 22 The Sacrifice of Isaac After observations related to the biblical text and human sacrifice in Ancient Israel the sacrifice of Iphigeneia is studied followed by papers about the reception of the Aqedah in Qumran in Jubilees in Rabbinical and in Christian Syriac traditions finally in a recently published poem in the Bodmer papyri and in the Koran Important contributions are made by the history of art Two essays in this volume study the older iconography and the Aqedah in Italian art The reception in modern times Kierkegaard a gender motivated and a psychoanalytical reading can be found in the last part of the volume The studies published in this volume bring surprising and oft neglected aspects of the famous narrative to light How in different times and in different circles Genesis 22 has been interpreted is an encouragement for hermeneutical reflection and a help for exegesis itself Bound by the Bible : Jews, Christians, and the sacrifice of Isaac Edward Kessler, 2004 *Holy Murder* Larry Powell, William R. Self, 2007 This volume examines one of the most controversial stories in the Bible the akedah or sacrifice of Isaac recounted in the 22nd chapter of Genesis Today more than three thousand years later the story continues to evoke controversy It has had an impact on Judaism Christianity and Islam each clinging to different interpretations Even among adherents of a common faith interpretations of the passage differ to such extremes that it can be used to justify unthinkable behavior ranging from infanticide mass murder and suicide bombings Abraham s actions have generated a sacrificial rhetoric that continues to exert a powerful influence on modern society The rhetoric of sacrifice was born when the first person used the story of akedah to inspire another to sacrifice willingly on their behalf Since then a multitude of religious leaders and religious imposters have used the rhetoric of sacrifice to do their bidding The akedah has proven itself as a tool that placed in the wrong hands can be used to commit unthinkable acts **The only son offered for sacrifice, Isaac or Ishmael** Abdus Sattar Ghawri, Ihsanur Rahman Ghauri, 2010 **R.S.
