Selected Letters 4

George Oppen

Selected Letters 4:

The Selected Letters of Joseph Conrad Joseph Conrad, 2015-09-03 Brings together for the first time the most important and illuminating letters of one of our major writers

Selected Letters of Vernon Lee, 1856 - 1935 Amanda Gagel, 2016-10-26 Vernon Lee was the pen name of Violet Paget 1856 1935 a prolific author best known for her supernatural fiction her support of the Aesthetic Movement and her radical polemics She was also an active letter writer whose correspondents include many well known figures in fin de siècle intellectual circles across Europe However until now no attempt has been made to make these letters widely available in their complete form This multi volume scholarly edition presents a comprehensive selection of her English French Italian and German correspondence compiled from more than 30 archives worldwide that reflect her wide variety of interests and occupations as a Woman of Letters and contributor to scholarship and political activism Letters written in a language other than English have been expertly translated by scholars Sophie Geoffroy from the French Crystal Hall from the Italian and Christa Zorn from the German The edition focuses on those letters concerning the writing ideas and aesthetics that influenced Lee's articles books and stories Full transcriptions of some 500 letters covering the years 1856 1935 are arranged in chronological order along with a newly written introduction that explains their context and identifies the recipients friends and colleagues mentioned Since scholarship on Lee's critical and creative output is still in the beginning stages these letters will serve a purpose to students and researchers in a number of academic fields In this first volume tracing the years 1856 1884 the assembled letters cover the beginnings of her career encompassing her first publication visits to London and encounters with some of the important artistic figures of the time As her career begins to blossom the letters also reflect the expansion of her subject matter from cultural studies and art history to novels and aesthetic philosophy Correspondents include Lee's parents Matilda and Henry Paget her brother the poet Eugene Lee Hamilton English poet Mary Robinson English authors Henrietta Jenkin and Linda Villari and Italian writers Enrico Nencioni Mario Pratesi and Angelo De Gubernatis among others

Selected Letters of Pliny Pliny (the Younger.), 1896

Select Letters Marcus Tullius Cicero, 1891

Selected letters of Evgenij Baratynskij Evgenii Abramovich Baratynskii, 2019-05-20 No detailed description available for Selected letters of Evgenij Baratynskij

The Selected Letters of Robert Creeley Robert Creeley, 2014 Robert Creeley is one of the most celebrated and influential of the postwar American poets His Selected Letters covering the years 1945 2005 are a foundational document in the recent history of North American letters Through his engagements with mentors such as William Carlos Williams and Ezra Pound peers such as Charles Olson Robert Duncan Denise Levertov Allen Ginsberg and Jack Kerouac and mentees such as Charles Bernstein Anselm Berrigan Ed Dorn Susan Howe and Tom Raworth Creeley helped forge a new poetry that reimagined writing for his and subsequent generations A stylist of the highest order Creeley's letters carry the clear mark of consummate literary artistry and document the life work and times of one of our greatest writers

Proust's Songbook

Jennifer Rushworth,2024-06-04 In Proust's Songbook Jennifer Rushworth analyzes and theorizes the presence and role of songs in Marcel Proust's novel *la recherche du temps perdu* In Search of Lost Time Instead of focusing on instrumental music and large scale forms such as symphonies and opera as is common in Proust musical studies Rushworth argues for the centrality of songs and lyrics in Proust's opus Her work analyzes the ways in which the author inserted songs at key turning points in his novel and how he drew inspiration from contemporary composers and theorists of song Rushworth presents detailed readings of five moments of song in *la recherche du temps perdu* highlighting the songs significance by paying close attention to their lyrics music composers and histories Rushworth interprets these episodes through theoretical reflections on song and voice drawing particularly from the works of Reynaldo Hahn and Roland Barthes She argues that songs in Proust's novel are connected and resonate with one another across the different volumes yet also shows how song for Proust is a solo amateur and intimate affair In addition she points to Proust's juxtapositions of songs with meditations on the notion of *mauvaise musique* bad music to demonstrate the existence of a blurred boundary between songs that are popular and songs that are art According to Rushworth a song for Proust has a special relation to repetition and memory due to its typical brevity and that song itself becomes a mode of resistance in *la Recherche* especially on the part of characters in the face of family and familial expectations She also defines the songs in Proust's novel as songs of farewell noting that to sing farewell is a means to resist the very parting that is being expressed and demonstrates how songs in formal terms resist the forward impetus of narrative

Cicero; select letters Marcus Tullius Cicero,1891

Kerouac Paul Maher,2007-01-16 A

biography of writer poet and beat generation icon Jack Kerouac 1922 1969 whose novel *On the Road* catapulted him to the forefront of the literary world and influenced budding writers for generations to come It recounts the story of this exceptional life and the key relationships that affected Kerouac's development as an artist

Isabella d'Este Christine Shaw,2019-03-01

Isabella d Este Marchioness of Mantua 1474 1539 is one of the most studied figures of Renaissance Italy as an epitome of Renaissance court culture and as a woman having an unusually prominent role in the politics of her day This biography provides a well rounded account of the full range of her activities and interests from her childhood to her final years as a dowager and considers Isabella d Este not as an icon but as a woman of her time and place in the world It covers all aspects of her life including her relationship with her parents and siblings as well as with her husband and children her interest in literature and music painting and antiquities her political and diplomatic activities her concern with fashion and jewellery her relations with other women and her love of travel In this book grounded in an understanding of the context of the Italy of her day the typical interests and behaviour of women of Isabella d Este's status within Renaissance Italy are distinguished from those that were unique to her such as the elaborate apartments that she created for herself and her extensive surviving correspondence which provides insights into all aspects of life in the major courts of northern Italy centres of Renaissance culture Providing fresh perspectives on one of the most famous figures of Renaissance Italy Isabella d Este will be of great

interest to undergraduates and graduates of early modern history gender studies renaissance studies and art history

Midnight Rambles David J. Goodwin, 2023-11-07 A micro biography of horror fiction's most influential author and his love hate relationship with New York City By the end of his life and near financial ruin pulp horror writer Howard Phillips Lovecraft resigned himself to the likelihood that his writing would be forgotten Today Lovecraft stands alongside J R R Tolkien as the most influential genre writer of the twentieth century His reputation as an unreformed racist and bigot however leaves readers to grapple with his legacy *Midnight Rambles* explores Lovecraft's time in New York City a crucial yet often overlooked chapter in his life that shaped his literary career and the inextricable racism in his work Initially New York stood as a place of liberation for Lovecraft During the brief period between 1924 and 1926 when he lived there Lovecraft joined a creative community and experimented with bohemian living in the publishing and cultural capital of the United States He also married fellow writer Sonia H Greene a Ukrainian Jewish migr in the fashion industry However cascading personal setbacks and his own professional ineptitude soured him on New York As Lovecraft became more frustrated his xenophobia and racism became more pronounced New York's large immigrant population and minority communities disgusted him and this mindset soon became evident in his writing Many of his stories from this era are infused with racial and ethnic stereotypes and nativist themes most notably his overtly racist short story *The Horror at Red Hook* set in Red Hook Brooklyn His personal letters reveal an even darker bigotry Author David J Goodwin presents a chronological micro biography of Lovecraft's New York years emphasizing Lovecraft's exploration of the city environment the greater metropolitan region and other locales and how they molded him as a writer and as an individual Drawing from primary sources letters memoirs and published personal reflections and secondary sources biographies and scholarship *Midnight Rambles* develops a portrait of a talented and troubled author and offers insights into his unsettling beliefs on race ethnicity and immigration

When Paris Sizzled Mary McAuliffe, 2016-09-15 *When Paris Sizzled* vividly portrays the City of Light during the fabulous 1920s les Ann es folles when Parisians emerged from the horrors of war to find that a new world greeted them one that reverberated with the hard metallic clang of the assembly line the roar of automobiles and the beat of jazz Mary McAuliffe traces a decade that saw seismic change on almost every front from art and architecture to music literature fashion entertainment transportation and most notably behavior The epicenter of all this creativity as well as of the era's good times was Montparnasse where impoverished artists and writers found colleagues and caf s and tourists discovered the Paris of their dreams Major figures on the Paris scene such as Gertrude Stein Jean Cocteau Picasso Stravinsky Diaghilev and Proust continued to hold sway while others now came to prominence including Ernest Hemingway Coco Chanel Cole Porter and Josephine Baker as well as Andr Citro n Le Corbusier Man Ray Sylvia Beach James Joyce and the irrepressible Kiki of Montparnasse Paris of the 1920s unquestionably sizzled Yet rather than being a decade of unmitigated bliss les Ann es folles also saw an undercurrent of despair as well as the rise of ruthless organizations of the extreme right aimed at annihilating

whatever threatened tradition and order a struggle that would escalate in the years ahead Through rich illustrations and evocative narrative Mary McAuliffe brings this vibrant era to life *The Selected Letters of George Oppen* George Oppen, 1990 Objectivist poet George Oppen 1908 1984 along with his contemporaries Lorine Niedecker Charles Reznikoff and Carl Rakoski provide an important bridge between the vanguard modernist American poets and the later works of poets such as Robert Creeley In work often compounded by the populist urbanity of city lives the Objectivists explored the social statements poetry can make Because Oppen wrote only one essay and one essay review his correspondence in effect constitutes his essays Oppen is emerging as one of the major poets of the postwar era he was the recipient of an American Academy and Institute of Arts and Letters Award the PEN West Rediscovery Award and a Senior Fellowship from the National Endowment for the Arts His collection *Of Being Numerous* received the 1969 Pulitzer Prize for Poetry These working papers include a rich correspondence letters which provide access to the sustained perceptive body of critical and aesthetic thinking of Oppen s poetic career Provocative and witty comments on poetry and poetics especially interesting for the development of an Objectivist aesthetics and shrewd deeply felt assessments about the politics of the twentieth century and its moral dilemmas are some of the issues attended to This edition offers primary documentation about an influential poetics a little known movement and its active figures Given the aggressive studies of the politics of canon formation the interest in describing a historical context for individual literary achievement and current debates about mainstream poetry the rethinking of the Objectivist movement and the collection of documents contributing to its poetics is an important achievement in literary scholarship *E. E. Cummings* Susan Cheever, 2015-04-28 One of the Best Books of the Year *The Economist* *San Francisco Chronicle* Cummings in his radical experimentation with form punctuation spelling and syntax created a new kind of poetic expression Because of his powerful work he became a generation s beloved heretic at the time of his death he was one of the most widely read poets in the United States Now in this rich illuminating biography Susan Cheever traces the development of the poet and his work She takes us from Cummings s seemingly idyllic childhood in Cambridge Massachusetts through his years at Harvard rooming with Dos Passos befriending Malcolm Cowley and Lincoln Kirstein There he devoured the poetry of Ezra Pound whose radical verses lured the young writer away from the politeness of the traditional nature poem towards a more adventurous sexually conscious form We follow Cummings to Paris in 1917 and finally to Greenwich Village to be among other modernist poets of the day Marianne Moore and Hart Crane among them *E. E. Cummings* is a revelation of the man and the poet and a brilliant reassessment of the freighted path of his legacy *Kerouac* Hassan Melehy, 2017-09-21 Given Jack Kerouac s enduring reputation for heaving words onto paper it might surprise some readers to see his name coupled with the word poetics But as a native speaker of French he embarked on his famous spontaneous prose only after years of seeking techniques to overcome the restrictions he encountered in writing in a single language English The result was an elaborate poetics that cannot be fully understood without accounting for his bilingual

thinking and practice Of the more than twenty five biographies of Kerouac few have seriously examined his relationship to the French language and the reason for his bilingualism the Qu bec Diaspora Although this background has long been recognized in French language treatments it is a new dimension in Anglophone studies of his writing In a theoretically informed discussion Hassan Melehy explores how Kerouac s poetics of exile involves meditations on moving between territories and languages Far from being a na ve pursuit Kerouac s writing practice not only responded but contributed to some of the major aesthetic and philosophical currents of the twentieth century in which notions such as otherness and nomadism took shape Kerouac Language Poetics and Territory offers a major reassessment of a writer who despite a readership that extends over much of the globe remains poorly appreciated at home

India in Britain Susheila Nasta,2012-11-16 Moving away from orthodox narratives of the Raj and British presence in India this book examines the significance of the networks and connections that South Asians established on British soil Looking at the period 1858 1950 it presents readings of cultural history and points to the urgent need to open up the parameters of this field of study

Dancing in Chains Rodney D. Olsen,1992-12 Dancing in Chains is far more than a sensitive biography though it is surely that it is also a model of psychologically informed social and cultural history Olsen recognizes that psychic conflicts often play themselves out on a higher plane that psychic and intellectual history are intertwined He presents a wonderful nuanced picture of Howells Jackson Lears Rutgers University In this insightful study of the childhood and youth of William Dean Howells Dancing in Chains demonstrates how the turbulent social and cultural changes of the early nineteenth century shaped the young Howells s emotional and intellectual life His early diaries letters poetry fiction and newspaper columns are used to illustrate Olsen s argument which also in turn throws light on the dominant tensions in antebellum America Accepting the emergent middle class ethos of civilized morality with its new conceptions of child rearing and gender spheres Howells s parents urged him to achieve self control and individual success while also teaching him to seek the good of others rather than his own glory For Howells the conflicts coalesced at the time of his leaving home an increasing common rite of passage for antebellum youth Trying to affirm his sense of literary vocation he tested his aspirations against the family s Swedenborgian religious convictions and the antislavery commitments of his village while experimenting with competing literary ideologies in the process of meeting the demands of the new mass reading audience For Howells the resulting tensions eased toward the end of his youth but reappeared in his more mature works of fiction and social criticism in later years Portraying the ordeal of coming of age during a momentous period of American history Dancing in Chains is a fascinating study with a broad appeal to general readers as well as scholars

Selected Letters of Rabindranath Tagore Rabindranath Tagore,1997-06-26 A selection of some 350 letters spanning Nobel prize winning writer Rabindranath Tagore s entire life the first to be available to English readers

The Selected Letters of Mary Moody Emerson Mary Moody Emerson,1993 Scholars have long recognized that Mary Moody Emerson 1774 1863 had a vital influence on the intellectual

development of her nephew Ralph Waldo Emerson during his most formative years The extent of that influence and the quality of Mary Emerson s own mind are apparent however only through her extensive correspondence spanning seventy years The Selected Letters of Mary Moody Emerson makes available for the first time this important collection of letters within the Emerson family papers and firmly establishes Mary Emerson as a woman of strong and independent mind Moreover as Emerson himself realized his aunt s letters reveal much about the political social and religious concerns that dominated her age the critical period from the American Revolution to the Civil War Mary Emerson rejoiced in what she called a period of wonderful revolutions and through her correspondence engaged actively in the disputes of the time During these years the new Constitution was tried and tested most severely by slavery and the Civil War but also by the War of 1812 the rapid expansion westward and the increasingly materialistic and capitalistic pursuits of the American people These letters contain wide references to the people events and controversies of the period They also reveal the impact of changing conditions on an individual woman a woman of curiosity and self reliance who sought to define herself in a patriarchal culture Ralph Waldo Emerson once commented that in her prime Mary Emerson was the best writer in New England The letter became her art form and she managed to transform it into a vehicle for free discussion Her many correspondents fifty five in all included her Emerson nephews William Waldo Edward and Charles as well as Charles s fiancée Elizabeth Hoar and Sarah Alden Bradford Ripley For this edition Nancy Simmons has chosen some 333 letters that represent the contours of Mary Emerson s life and thought A valuable contribution to literary historical religious and feminist scholarship The Selected Letters of Mary Moody Emerson recovers from the footnotes of literary history a woman of considerable intellectual influence

Cross-Cultural Ezra Pound Walter Baumann, John Gery, David McKnight, 2021-05-15 This volume offers new interpretations of Pound s poetics as well as new perspectives on his critical reception globally It covers Pound s work from his beginnings as a young poet in Philadelphia in the first decade of the century through his most productive years as a poet critic and translator to the first critical treatments of his work in the 1940s and 50s and on to translations of *The Cantos* spanning the last fifty years
