*Selected Letters of Raymond Chandler* Raymond Chandler, 1981 I don't know why the hell I write so many letters Raymond Chandler once mused to a correspondent I guess my mind is just too active for its own good In the seven novels from *The Big Sleep* 1939 to *Playback* 1958 and in a handful of short stories Raymond Chandler recorded a vision of Southern California life sparked by acerbic observations on every level of coast society from drug dealers and crooked cops to heiresses But Chandler's gifts of observation and analysis extended well past the streets alleyways roadhouses and stately homes that made up the world of his detective hero Phillip Marlowe Brought together in this volume are some of the hundreds of letters Chandler wrote many of them composed during long insomniac nights Chandler commented on all that he saw around him from his own personal foibles to the works of his contemporaries Ernest Hemingway and Edmund Wilson to education English society and world events Acute sometimes impassioned often witty the *Selected Letters of Raymond Chandler* contains lively anecdotes of Hollywood critical dissections of his fellow writers of detective fiction lengthy discussions of the art of writing and of his own fiction and above all amused sometimes outraged glimpses of the Southern California society that was his inspiration Chandler once wrote that in letters I sometimes seem to have been more penetrating than in any other kind of writing But his letters could also be combative as when he wrote to an editor at the Atlantic that when I split an infinitive God damn it I intend that it should stay split or dismissive as when he said of James M Cain that everything he writes smells like a billy goat He could also be painfully revealing as when he wrote of his despair over the death of his wife It was my great and now useless regret Chandler confessed that I never wrote anything really worthy her attention no book that I could dedicate to her Lively entertaining and sometimes touching these letters fully present for the first time the complex sensibilities of a man who was one of America's greatest writers of detective novels and one of its most astute observers

J. Perelman and Alfred Hitchcock This book is also the first to fully detail the significance and complexities of his thirty-year marriage to Cissy, a woman seventeen years his senior Raymond Chandler is personal portrait of an author as extraordinary as the fiction he created a body of work that has sold more than five million copies, been translated into twenty-five languages and inspired countless imitators A discerning portrait of the creator of Philip Marlowe, the archetypal American private eye Newsweek Creatures of Darkness Gene D. Phillips, 2021-03-17 An exhaustively researched survey of Raymond Chandler's thorny relationship with Hollywood during the classic period of film noir Alain Silver, film producer and author Raymond Chandler's seven novels including *The Big Sleep* (1939) and *The Long Goodbye* (1953) with their pessimism and grim realism had a direct influence on the emergence of film noir Chandler worked to give his crime novels the flavor of his adopted city, Los Angeles, which was still something of a frontier town rife with corruption and lawlessness In addition to novels, Chandler wrote short stories and penned the screenplays for several films including *Double Indemnity* (1944) and *Strangers on a Train* (1951) His work with Billy Wilder and Alfred Hitchcock on these projects was fraught with the difficulties of collaboration between established directors and an author who disliked having to edit his writing on demand *Creatures of Darkness* is the first major biocritical study of Chandler in twenty years Gene Phillips explores Chandler's unpublished script for *Lady in the Lake*, examines the process of adaptation of the novel *Strangers on a Train*, discusses the merits of the unproduced screenplay for *Playback* and compares Howard Hawks's director's cut of *The Big Sleep* with the version shown in theaters Through interviews he conducted with Wilder, Hitchcock, Hawks and Edward Dmytryk over the past several decades, Phillips provides deeper insight into Chandler's sometimes difficult personality Chandler's wisecracking private eye Philip Marlowe has spawned a thousand imitations *Creatures of Darkness* lucidly explains the author's dramatic impact on both the literary and cinematic worlds, demonstrating the immeasurable debt that both detective fiction and the neo-noir films of today owe to Chandler's stark vision *Guilt Rules All* Elizabeth Mannion, Brian Cliff, 2020-09-17 Irish crime fiction, long present on international bestseller lists, has been knocking on the door of the academy for a decade With a wide range of scholars addressing some of the most essential Irish detective writing, *Guilt Rules All* confirms that this genre has arrived The essays collected here connect their immediate subjects, contemporary Irish crime writers, to Irish culture, literature and history Anchored in both canonical and emerging themes, this collection draws on established Irish studies discussions while emphasizing what is new and distinct about Irish crime fiction *Guilt Rules All* considers best sellers like Adrian McKinty and Liz Nugent as well as other significant writers whose work may fall outside of traditional notions of Irish literature or crime fiction The essays consider a range of themes among them, globalization, women and violence and the Troubles across settings and time frames, allowing readers to trace the patterns that play a meaningful role in this developing

Mitchell,2021 The argument of *Noir Fiction and Film* is curiously counterintuitive that in a century of hard boiled fiction and detective films characteristics that at first seemed trivial swelled in importance flourishing into crucial aspects of the genre Among these are aimless descriptions of people and places irrelevant to plot along with detectives consisting of little more than sparkling dialogue and flippant attitudes What weaves together such features however seems to be a paradox that a genre rooted in solving a mystery structured around the gathering of clues must do so by misdirecting our attention even withholding information we think we need to generate the suspense we also desire Yet successful noir stories and films enhance that suspense through passing diversions descriptive details and eccentric perspectives rather than depending on the center pieces of plot alone suspected motives or incriminating traces As the greatest practitioners of the genre have realized the how of detective fiction its stylistic detours draws us in more insistently than the what or the who its linear advance And the achievement of recent film noir is to make that how become the tantalizing object of our entire attention shorn of any pretense of reading for the plot immersing us in the diversionary delight that has animated the genre from the beginning **We Must Have Certainty** J. Kenneth Van Dover,2005

*We Must Have Certainty* surveys the development of the genre of the detective story from its origins in the mid nineteenth century to its current profile in the early twenty first century It locates a principal appeal of the genre in the nature of the world that the detective necessarily inhabits a world of more or less realistic violence and excitement and at the same time a world that always in the end makes sense It suggests that there is a significance to a popular narrative formula that requires that an initial world of suspicion and uncertainty be inevitably transformed by the detective into a world of clarity and order Though scholarship in the field is acknowledged the author s citations are most often from detective stories themselves The essays are written in an accessible style those who have read a few novels in the genre as well as those who have read many will find the book stimulating and provocative **A**
