**Selected Poems** Hélène Aji, Jennifer Kilgore-Caradec, 2013-01-16 Complete poems are bulky and too heavy to carry around Collected poems pretend to be

complete but usually are not Selected poems are altogether unpretentious and reader friendly But they can be problematic Who decides what poems are important for inclusion in a volume of selected poems When the selection occurs during the author s lifetime may one assume that the author was involved What motivates the choice of one poem over another How do readers preferences influence this choice How do new readers and familiar readers of a poet negotiate the poems that are left out of the selection The essays in this volume address these questions in a variety of ways and also provide an overview of poetic writing from modernist poets to the present day using selections from the 1940s until now They offer new insight into the uses both pedagogical and critical of selection Because Selected Poems usually address a large general public these essays have also been written for all those who wish to know more about how these slimmer more attractive volumes are produced

**For the Love of God: New and Selected Poems** Neil Harrison,2023-04-14 For the Love of God looks at the humorous the serious and at times tragic experiences owners share with their dogs Lyrical and metaphorical many poems in this collection recount the experiences Harrison has shared with the dogs he s had the pleasure and honor of knowing through the years His three Drahthaars were consecutive companions for over forty years of hunting fishing and canoeing adventures in some of the wilder parts of Nebraska from the Sandhills and the Pine Ridge to the Platte Loup Niobrara and Elkhorn River valleys Obviously for this poet the companionship of a dog is about as close as one can get to the love of God
