Selected Poems Of John Dryden:

Selected Poems John Dryden, 2001-08-30 A new and comprehensive selection of Dryden's poetry revealing him as a master of theatricality ventriloquism and unmistakable originality Brought together here are many of the poems from his time as Poet Laureate and loyal servant of the crown including the Biblical allegory Absalom and Achitophel in which the poet attacked those who intrigued against the King and earned himself a reputation for menace and a number of powerful enemies His Works of Virgil set the standard for the translation of Latin poetry His last work Fables Ancient and Modern combined original verse and new translations showing how he transformed the idioms and gestures of other voices and made them his own
