**The Selected Poems of Li Po** Bai Li,1996 There is a set phrase in Chinese referring to the phenomenon of Li Po Winds of the immortals bones of the Tao He moved through this world with an unearthly freedom from attachment and at the same time belonged profoundly to the earth and its process of change However ethereal in spirit his poems remain grounded in the everyday experience we all share He wrote 1200 years ago half a world away but in his poems we see our world transformed Legendary friends in eighth century T ang China Li Po and Tu Fu are traditionally celebrated as the two greatest poets in the Chinese canon David Hinton s translation of Li Po s poems is no less an achievement than his critically acclaimed *The Selected Poems of Tu Fu* also published by New Directions By reflecting the ambiguity and density of the original Hinton continues to create compelling English poems that alter our conception of Chinese poetry *Selected Poems of Li Po (Warbler Classics Annotated Edition)* Li Po,2025-04-22 The *Selected Poems of Li Po* gathers twenty six of Li Po s most famous poems presented in this edition with English translations by Witter Bynner alongside the original traditional Chinese and an illuminating introduction to Chinese poetry by Kiang Kang hu **Bright Moon, White Clouds** Li Po,2012-06-05 Li Po 701 762 is considered one of the greatest poets to live during the Tang dynasty what was considered to be the golden age for Chinese poetry He was also the first Chinese poet to become well known in the West and he greatly influenced many American poets during the twentieth century Calling himself the God of Wine and known to his patrons as a fallen immortal Li Po wrote with eloquence vividness and often playfulness as he extols the joys of nature wine and the life of a wandering recluse Li Po had a strong social conscience and he struggled against the hard times of his age He was inspired by the newly blossoming Zen Buddhism and merged it with the Taoism that he had studied all his life Though Li Po s love of wine is legendary the translator J P Seaton includes poems on a wide range of topics friendship and love political criticism poems written to curry patronage poems of the spirit to offer a new interpretation of this giant of Chinese poetry Seaton offers us a poet who learned hard lessons from a life lived hard and offered his readers these lessons as vivid lively poetry as relevant today as it was during the Tang dynasty Over one thousand poems have been attributed to Li Po many of them unpublished This new collection includes poems not available in any other editions *Bright Moon, White Clouds* Li Po,2012-06-05 His work is one of the glories of Chinese poetry s golden age and it has not ceased to delight readers in the twelve centuries since Li Po 701 762 wrote of the pleasures of nature of wine and of the life of a wandering poet in a way that speaks to us across the centuries with remarkable intimacy and that special timeless quality is one of the reasons Li Po became the first of the Chinese poets to gain wide appreciation in the West His influence is felt in the work of artists as diverse as Ezra Pound and Gustav Mahler J P Seaton s translations which include some poems that appear here in English for the first time bring the poet vividly and playfully to life and his introductory essay broadens our view of Li Po both the poet and the man **Two Poets View War** Lynn Connor,1966 *SELECTED POEMS OF LI BAI*. aristocratic family and the impact of Western ideas Mine has been a life of much shame I can't even guess myself what it must be to live the life of a human being Portraying himself as a failure the protagonist of Osamu Dazai's *No Longer Human* narrates a seemingly normal life even while he feels himself incapable of understanding human beings His attempts to reconcile himself to the world around him begin in early childhood continue through high school where he becomes a clown to mask his alienation and eventually lead to a failed suicide attempt as an adult Without sentimentality he records the casual cruelties of life and its fleeting moments of human connection and tenderness Still one of the ten bestselling books in Japan *No Longer Human* is an important and unforgettable modern classic The struggle of the individual to fit into a normalizing society remains just as relevant today as it was at the time of writing *The Japan Times* Stand Still Like the Hummingbird Henry Miller, 2014-06-10 One of Henry Miller's most luminous statements of his personal philosophy of life *Stand Still Like the Hummingbird* provides a symbolic title for this collection of stories and essays Many of them have appeared only in foreign magazines while others were printed in small limited editions which have gone out of print Miller's genius for comedy is at its best in *Money and How It Gets That Way* a tongue in cheek parody of economics provoked by a postcard from Ezra Pound which asked if he ever thought about money His deep concern for the role of the artist in society appears in *An Open Letter to All and Sundry* and in *The Angel is My Watermark* he writes of his own passionate love affair with painting *The Immorality of Morality* is an eloquent discussion of censorship Some of the stories such as *First Love* are autobiographical and there are portraits of friends such as Patchen Man of Anger and Light and essays on other writers such as Walt Whitman Thoreau Sherwood Anderson and Ionesco Taken together these highly readable pieces reflect the incredible vitality and variety of interests of the writer who extended the frontiers of modern literature with *Tropic of Cancer* and other great books

The Wisdom of the Desert, 1970 *The Wisdom of the Desert* was one of Thomas Merton's favorites among his own books surely because he had hoped to spend his last years as a hermit **HERmione** Hilda Doolittle, 1981 An autobiographical novel tells of a college girl driven to a nervous breakdown by conflicting aspects of her personality *Nickel Mountain* John Gardner, 2007 At the heart of John Gardner's *Nickel Mountain* is an uncommon love story set in a small Catskill community in the 1950s when at forty two the obese gentle and anxious Henry Soames marries seventeen year old Callie Wells who is pregnant with the child of a local boy it is much more than age that defines the gulf between them The plot turns on tragic events they might be accidents or they might be acts of will involving a cast of rural eccentrics that includes a lonely amputee veteran a religious hysteric thought by some to be the devil himself and an itinerant Goat Lady Questions of guilt and innocence and even murder are ultimately eclipsed by Henry Soame's quiet discovery of grace Novelist William H Gass a friend and colleague of the author has written an introduction that shines new light on the work and career of the much praised and often misunderstood John Gardner
