his first two story collections Carol Sklenicka penetrates the myths and controversies Her decade long search of archives across the United States and her extensive interviews with Carver's relatives friends and colleagues have enabled her to write the definitive story of the iconic literary figure Laced with the voices of people who knew Carver intimately her biography offers a fresh appreciation of his work and an unbiased vivid portrait of the writer Sudden Fiction Robert Shapard, James Thomas, 1986 Presents over seventy short stories five pages long or less by such American authors as Joyce Carol Oates Ray Bradbury Langston Hughes and Raymond Carver and includes authors commentary on the genre
