Jebb, 1899 **Selections from the Attic Orators** Richard Claverhouse Jebb, 1906 **Selections from the Attic Orators**

Richard Claverhouse Jebb, 2005 This edition was designed by R C Jebb one of the greatest classical scholars Britain has ever

produced as a companion to his two volume monograph Attic Orators from Antiphon to Isaeus 1876 The selection was

meticulously made to illustrate the successive steps in the process by which a language of most elastic resource was

gradually adapted to a certain set of purposes The authors represented with their varied styles serve to bridge the gap that

lies between the prose of Gorgias and Thucydides and that of Demosthenes At the same time the passages are specifically

selected for their intrinsic social and historical interest to readers That the edition was still in regular use almost a hundred

years later says much for its quality This reissue carries a substantial new introduction in which Pat Easterling assesses Jebb

s scholarship in general and the place of the Attic orators within it while Michael Edwards writes more specifically about the

edition s strengths and influences Selections from the Attic Orators Sir Richard Claverhouse Jebb, 2012-01 Unlike some

other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books

with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep

the quality of these images so they represent accurately the original artefact Although occasionally there may be certain

imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **Selections**

Isocrates Isaeus Being a Companion Volume to the Attic Orators From Antiphon to Isaeus The principles which have guided

the selection have been chie y two 1 To choose passages from each author which taken together should interpret as

completely as possible his part in the general evolution of Attic prose style 2 To take care that these passages should also

possess intrinsic interest as illustrations of Greek thought politics or manners About the Publisher Forgotten Books publishes
