Selections From The Bratsk Hydroelectric:

Selections from the Bratsk Hydroelectric Station and Other Poems Yevgeny Aleksandrovich Yevtushenko, 1965

Yevtushenko's poems apart from their artistic interest represent a significant trend in the socialist sector of our world. Their questioning critical mood, their choice of subject, their proud assertion of socialist humanist principles express the efforts found everywhere in socialist society. *New World Review*

The Bratsk Hydroelectric Station and Other Poems; Selections. Translated by Bernard L. Koton, Foreword by Elizabeth Sutherland Yevgeny Aleksandrovich

Yevtushenko, 1965 **Tchaikovsky 19, a Diplomatic Life Behind the Iron Curtain** Robert F. Ober Jr, 2008-01-15

Readers will discover the failures of Kissinger's policy of detente in the early 1970s, the mistaken departure from Carter's balanced policy toward China and the USSR and the near collapse of the embassy due to intelligence failures. *Foreign Service Journal*. Ober's book recounts it all along with the personalities and events of the time, now mostly forgotten dissidents and refuseniks. Victor and Jennifer Louis, Nina and Ed Stevens. U.S. Soviet summits, microwaves bugged buildings, and typewriters fire spy dust and spy mania. It's all there, the pageant of U.S. Embassy Moscow 1970-90, a place so unlike today's walled air-conditioned high-rise embassy fortress a block away as to beggar the imagination. Richard Gilbert, *American Diplomacy.org*. You have wonderfully captured the way things were in the Soviet Union in the 1970s and 80s. I don't know anyone who has done it better. Donald Connery, former *Time* / *Life* correspondent, Moscow. Together with much wisdom about American diplomacy, this rich memoir provides keen insight into Russian thinking and behavior. George Feifer, *The Girl from Petrovka*.

[Selected Water Resources Abstracts](#), 1989 **Soviet Life**, 1970 [Works in Progress](#) Jenny Leigh Smith, 2014-01-01

What really caused the failure of the Soviet Union's ambitious plans to modernize and industrialize its agricultural system? This book is the first to investigate the gap between the plans and the reality of the Soviet Union's mid-twentieth century project to industrialize and modernize its agricultural system. Historians agree that the project failed badly: agriculture was inefficient, unpredictable, and environmentally devastating for the entire Soviet period. Yet assigning the blame exclusively to Soviet planners would be off the mark. The real story is much more complicated and interesting. Jenny Leigh Smith reveals in this deeply researched book. Using case studies from five Soviet regions, she acknowledges hubris and shortsightedness where it occurred but also gives fair consideration to the difficulties encountered and the successes, however modest, that were achieved.

Propaganda and Persuasion Jennifer Anderson, 2017-05-10 During the early Cold War, thousands of Canadians attended events organized by the Canadian Soviet Friendship Society (CSFS) and subscribed to its publications. The CSFS aimed its message at progressive Canadians, hoping to convince them that the USSR was an egalitarian and enlightened state. Attempting to soften and redirect the antagonistic narratives of the day, the CSFS story is one of propaganda and persuasion in Cold War Canada. The CSFS was linked to other groups on the Canadian political left and was consistently led by Canadian communists. For many years, its leader and best-known member was the enigmatic Dyson.

Carter Raised in a religious family and educated as a scientist Carter was a prolific author of both popular scientific and pro Soviet books and for many years was the editor of the CSFS s magazine Northern Neighbours Subtitled Canada s Authoritative Independent Magazine Reporting on the U S S R the magazine featured glossy photo spreads of life in the Soviet Union and upbeat articles on science medicine cultural life and visits to the USSR by Canadians At the height of the Cold War Carter claimed the magazine reached 10 000 subscribers across Canada Using previously unavailable archival sources and oral histories Propaganda and Persuasion looks at the CSFS as a blend of social and political activism where gender class and ethnicity linked communities and ideology had significance **Problems of Communism** ,1968 *Daily Report, Foreign Radio Broadcasts* United States. Central Intelligence Agency,1962 *Russia's Frozen Frontier* Alan Wood,2011-04-15 Told from a Siberian point of view this book seeks to dispel something of the miasma of ignorance and misconception surrounding this vast expanse the planet s land surface its fascinating history its natural environment and most importantly the peoples who live or have lived and died there **A Soviet Journey** Alex La Guma,2017-04-18 In 1978 the South African activist and novelist Alex La Guma 1925 1985 published A Soviet Journey a memoir of his travels in the Soviet Union Today it stands as one of the longest and most substantive first hand accounts of the USSR by an African writer La Guma s book is consequently a rare and important document of the anti apartheid struggle and the Cold War period depicting the Soviet model from an African perspective and the specific meaning it held for those envisioning a future South Africa For many members of the African National Congress and the South African Communist Party the Soviet Union represented a political system that had achieved political and economic justice through socialism a point of view that has since been lost with the collapse of the USSR and the end of the Cold War This new edition of A Soviet Journey the first since 1978 restores this vision to the historical record highlighting how activist intellectuals like La Guma looked to the Soviet Union as a paradigm of self determination decolonization and postcolonial development The introduction by Christopher J Lee discusses these elements of La Guma s text in addition to situating La Guma more broadly within the intercontinental spaces of the Black Atlantic and an emergent Third World Presenting a more expansive view of African literature and its global intellectual engagements A Soviet Journey will be of interest to readers of African fiction and non fiction South African history postcolonial Cold War studies and radical political thought ERDA Energy Research Abstracts United States.
