Selections From The Poems Of Sir Walter Scott:

Selections from the Poems of Sir Walter Scott W. Scott, 2010-01-14 First published in 1922 this volume draws together a broad selection of Sir Walter Scott's poetry The selection was made by A Hamilton Thompson as part of the Selections from English Romantic Poetry series with the intention of capturing Scott's unique qualities and displaying the characteristic genius of his verse Owing to the narrative basis of much of the poetry this was inevitably a difficult process but where passages have been included from longer poems detailed summaries are given in the extensive notes at the end of the book These notes also provide explanations of difficult areas within the volumes and are combined with a detailed introduction to provide a consummately edited text that will be invaluable to anyone with an interest in Scott's poetry Selections from the Poems of Sir Walter Scott Walter Scott, 1922 *Selections From the Poems of Sir Walter Scott (Classic Reprint)* Walter Scott, 2018-02-22 Excerpt from Selections From the Poems of Sir Walter Scott Series of Selections from English Romantic Poets has been somewhat delayed for various causes although the greater part of it was completed as long ago as 1918 The principle of selection has been that which has guided previous volumes to exhibit the characteristic genius of the author through passages which so far as possible are complete in themselves and may be read independently of the context for the sake of their own merits In the case of Scott owing to the narrative form of his verse and the close sequence of incidents as parts of a plot woven by a prince of story tellers such an attempt can hardly be entirely successful and somewhat detailed summaries of the contents of the longer poems are given in the notes so that the circumstances of narrative passages may be clearly understood While it may be conceded that in depth of thought and perfection of craftsmanship Scott is surpassed by his great contemporaries no English poet perhaps has revealed to so many readers the true charm of poetry or the magic of local association and if the pieces here printed serve to indicate the causes which made that achievement possible the purpose of the About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Selections From the Poems of Sir Walter Scott** A.
