Information from the William J. Miller Collection is arranged alphabetically by artist's name. Works by a single artist are arranged chronologically by date of acquisition, in order to indicate the process of collecting. From 1971's drawings have been included within exhibitions, because a large number of works were purchased out of those exhibitions. Exhibitions and acquisitions have been taken from the collection's files, and in some cases they are complete. A list of the items that have been given to the Museum will be temporary, but, and put in the collection of The Art Institute of Chicago, have been included. There are collected by a small list.
