Los Angeles County Public Library

Selections From Italian Poetry A Bilingual Selection:

Selections from Italian Poetry Angelo De Luca, William Paul Giuliano, 1966 A treasury of Italian poetry from the time of St Francis of Assisi to the present with the Italian poem on one page and its translation on the opposite page Famous writers of English poetry are among the translators *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1969 Italian Literature Before 1900 in English Translation Robin Healey, 2011-01-01 Italian Literature before 1900 in English Translation provides the most complete record possible of texts from the early periods that have been translated into English and published between 1929 and 2008 It lists works from all genres and subjects and includes translations wherever they have appeared across the globe In this annotated bibliography Robin Healey covers over 5 200 distinct editions of pre 1900 Italian writings Most entries are accompanied by useful notes providing information on authors works translators and how the translations were received Among the works by over 1 500 authors represented in this volume are hundreds of editions by Italy s most translated authors Dante Alighieri Niccol o Machiavelli and Giovanni Boccaccio and other hundreds which represent the author s only English translation A significant number of entries describe works originally published in Latin Together with Healey s Twentieth Century Italian Literature in English Translation this volume makes comprehensive information on translations accessible for schools libraries and those interested in comparative literature Pub desc University of California Union Catalog of Monographs Cataloged by the Nine Campuses from 1963 Through 1967: Subjects University of California (System). Institute of Library Research, University of California, Berkeley, 1972 Italian Literature since 1900 in English Translation Robin Healey, 2019-03-14 Providing the most complete record possible of texts by Italian writers active after 1900 this annotated bibliography covers over 4 800 distinct editions of writings by some 1 700 Italian authors Many entries are accompanied by useful notes that provide information on the authors works translators and the reception of the translations This book includes the works of Pirandello Calvino Eco and more recently Andrea Camilleri and Valerio Manfredi Together with Robin Healey s Italian Literature before 1900 in English Translation also published by University of Toronto Press in 2011 this volume makes comprehensive information on translations from Italian accessible for schools libraries and those interested in comparative literature **American Book Publishing Record Cumulative, 1950-1977** R.R. Bowker Company. Department of Bibliography, 1978 **School Library Journal** ,1966 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1966 **Hoffman's Index to Poetry** Herbert H. Hoffman, 1985 No descriptive material is available for this title **Selected Poems** Giuseppe Ungaretti, 2004-04 A major new translation of one of Italy s greatest modern poets Giuseppe Ungaretti 1888 1970 was a pioneer of the Modernist movement in Italian poetry and is widely regarded as one of the leading Italian poets of the twentieth century His verse is renowned and loved for its powerful insight and emotion and its exquisite music Yet unlike many of his peers Ungaretti has never been adequately presented to English readers This large bilingual selection translated

with great sensitivity and fidelity by Andrew Frisardi captures Ungaretti in all of his phases from his early poems written in the trenches of northern Italy during World War I to the finely crafted erotic and religious poetry of his second period to the visceral elegiac poetry of the years following the death of his son and the occupation of Rome during World War II to the love poems of the poet's old age Frisardi's in-depth introduction details the world in which Ungaretti's work took shape and exerted its influence In addition to the poet's own annotations an autobiographical afterword Ungaretti on Ungaretti further illuminates the poet's life and art Here is a compelling rewarding and comprehensive version of the work of one of the greatest modern European poets *The Columbia Granger's Guide to Poetry Anthologies* William A. Katz, Linda Sternberg Katz, Esther Crain, 1994 Reference guide to poetry anthologies with descriptions and evaluations of each anthology **The Oxford Guide to Literature in English Translation** Peter France, 2000 This guide highlights the place of translation in our culture encouraging awareness of the process of translating and the choices involved making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Hungarian Korean to Turkish For some works e.g. Virgil's Aeneid which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available

Guide to the Selection of Books for Your Secondary School Library Dorothy A. McGinniss, 1972 The Book Buyer's Guide, 1967 **A Little Tour Through European Poetry** John Taylor, 2017-09-08 This book is both a sequel to author John Taylor's earlier volume *Into the Heart of European Poetry* and something different It is a sequel because this volume expands upon the base of the previous book to include many more European poets It is different in that it is framed by stories in which the author juxtaposes his personal experiences involving European poetry or European poets as he travels through different countries where the poets have lived or worked Taylor explores poetry from the Czech Republic Denmark Lithuania Albania Romania Turkey and Portugal all of which were missing in the previous gathering analyzes heady verse written in Galician and presents an important poet born in the Chuvash Republic His tour through European poetry also adds discoveries from countries whose languages he reads fluently Italy Germany and German speaking Switzerland Greece and France Taylor's model is Valery Larbaud to whom his criticism with its liveliness and analytical clarity is often compared Readers will enjoy a renewed dialogue with European poetry especially in an age when translations are rarely reviewed present in literary journals or studied in schools This book along with *Into the Heart of European Poetry* motivates a dialogue by bringing foreign poetry out of the specialized confines of foreign language departments **Milton as Multilingual: Selected Essays, 1982-2004** John K. Hale, 2007-01-01 First published by Otago University Press in 2005 The book brings together seventeen essays by John Hale on topics ranging from Milton's verse paraphrase of Psalm 114 in 1624 at the age of 15 to his rearrangement of *Paradise Lost* along arguably Virgilian lines in 1674 the year of his death Fourteen of the essays

were published previously from 1982 2003 in geographically scattered journals some of them not readily accessible Three new essays on the theological treatise De Doctrina Christiana are included and together with an essay of 2003 they apply the subject of multilingualism to that work The essays are grouped into five sections Composing Language Arts Self Understanding Paradise Lost and its Early Reception and De Doctrina Christiana and Language Issues Brief preambles or headings are added to each section and an Afterword follows each chapter This five part structure and the new preambles and Afterwords invest the volume with a rationale shaping it into a book in its own right **Poet Lore** ,1968 Selected Poems Dante Gabriel Rossetti,2014-01-14 For critics like John Ruskin and Walter Pater Dante Gabriel Rossetti 1828 1892 was one of the great creative figures of the day a painter and a poet of major stature Yeats and the young Pound regarded him as an exemplary figure of solitary dedication to art and beauty He called the sonnet a moment's monument and his best short lyrics are instants of oppressed emotion cut free of time In this as in the suggestiveness of his imagery he anticipates the French Symbolists He can also be regarded as the founder of modern verse translation not only for the freshness of his versions but also for his choice of poets Villon Cavalcanti and the young Dante In this selection Clive Wilmer has made a personal choice emphasizing the pure poetry of the lyrics at the expense of the more conventionally Victorian monologues and narratives He has also included a generous selection from the translations and provided a biographical and critical introduction Books and Pamphlets, Including Serials and Contributions to Periodicals Library of Congress. Copyright Office,1966-07 **Adult Catalog: Subjects** Los Angeles County Public Library,1970
