Holy Quran'S Judgement - Part 1 Sheihul Mufliheen M.S.M Abdullah,2012-10-16 The five principles namely the Quran Hadith Ijma Kiyas and common sense makes and stabilizes the whole of Islam I have observed that the writings and commentaries of a few who are ignorant or are not fully versed in the knowledge of the Quran and Hadith are taken as the root by a few who by their writings commentaries and orations are propagating ideas that are a distortion of and in complete variance with the religion of Islam and thus create Bid ah amongst the public To those who seek genuine and authentic ideas of the Quran and Hadith these expositions have become stumbling blocks Therefore I seek to expostulate the basic facts and ideas with supporting evidences that constitute Islam that I gained by years of painstaking and difficult research The style of writing in this book is much against the traditions and style adopted in normal book writing It is not divided into chapters but mere orations some ideas are repeated several times and that too in many different angles I therefore seek your indulgence and patience to read and understand and do not come to conclusions by just going through parts of the book The contractual obligations between you the reader and me is that if you are a Mumin who fully believes in Allah and Rasool Quran and Hadith then study this book if not do not lay hands on this book
