Self-discipline and Emotional Control Tom Miller, **Emotional Intelligence** May Francis,2020-01-28 Have you ever wished you had the skills to navigate the tidal wave of human emotions Have you ever found yourself in a situation that you wished with all your heart you had handled better Have you found yourself at a loss when it comes to dealing with other people Do you find it difficult to understand why others do what they do Are your own feelings a mystery to you Then read on Human emotions can

be scary and unpredictable when you don't have the knowledge of how to handle them. You can't even handle other people's emotions if you can't deal with yours. Not being able to deal with other's emotions means you'll have a tougher go at persuading people to see things your way or to be of service or help to you. In other words, not having the critical skills that are the pillars of emotional intelligence is costing you opportunities for growth in business, in your career, in love, and in other aspects of life. Getting ahead in life is so much easier when you have a network of people you care about who care about you just as deeply. With this book on emotional intelligence, you will learn among other things: What emotional intelligence is and how it can improve your life and relationships; How emotional intelligence can make you a better leader; Tips and tricks for analyzing people; How to manipulate people to get positive outcomes; How to manipulate your own emotions for the better. Only one question remains: Are you ready to improve the quality of your life by becoming emotionally intelligent? Then hold on to your hats because you're about to do all that and more with this book you have so wisely invested in.
