## **Selling 'em By The Sack White Castle And The Creation Of American Food:**

Selling 'em by the Sack David G. Hogan, 1997-12 Hogan American history Heidelberg College traces the history of the hamburger's rise as a distinctive American culinary and ethnic symbol through the exploits of one of the pioneers in the fast food industry Billy Ingram of the White Castle chain Comparing Ingram to the Henry Ford of eating Hogan traces the chain's history from its founding in 1921 until it was overshadowed by McDonald's and other franchises after WWII Includes over 20 pages of b&w photographs Annotation copyrighted by Book News Inc Portland OR      The Story Behind the Dish Mark McWilliams, 2012-04-06 Profiling 48 classic American foods ranging from junk and fast food to main dishes to desserts this book reveals what made these dishes iconic in American pop culture Americans have increasingly embraced food culture a fact proven by the rising popularity of celebrity chefs and the prominence of television shows celebrating food themes This fascinating overview reveals the surprising story behind the foods America loves The Story Behind the Dish Classic American Foods is an engaging pop culture resource which helps tell the story of American food Each chapter is devoted to one of 48 distinctive American dishes and features the story of where the food developed what inspired its creation and how it has evolved The book not only covers each food as a single entry but also analyzes the themes and events that connect them making the text useful as both a reference and a narrative on the history of food      *Food and Drink in American History* Andrew F. Smith, 2013-10-28 This three volume encyclopedia on the history of American food and beverages serves as an ideal companion resource for social studies and American history courses covering topics ranging from early American Indian foods to mandatory nutrition information at fast food restaurants The expression you are what you eat certainly applies to Americans not just in terms of our physical health but also in the myriad ways that our taste preferences eating habits and food culture are intrinsically tied to our society and history This standout reference work comprises two volumes containing more than 600 alphabetically arranged historical entries on American foods and beverages as well as dozens of historical recipes for traditional American foods and a third volume of more than 120 primary source documents Never before has there been a reference work that coalesces this diverse range of information into a single set The entries in this set provide information that will transform any American history research project into an engaging learning experience Examples include explanations of how tuna fish became a staple food product for Americans how the canning industry emerged from the Civil War the difference between Americans and people of other countries in terms of what percentage of their income is spent on food and beverages and how taxation on beverages like tea rum and whisky set off important political rebellions in U S history      **Fast Food** Andrew F. Smith, 2016-04-15 The single most influential culinary trend of our time is fast food It has spawned an industry that has changed eating the most fundamental of human activities From the first flipping of burgers in tiny shacks in the western United States to the forging of neon signs that spell out Pizza Hut in Cyrillic or Arabic scripts the fast food industry has exploded into dominance becoming one of the leading examples of global

corporate success And with this success it has become one of the largest targets of political criticism blamed for widespread obesity cultural erasure oppressive labor practices and environmental destruction on massive scales In this book expert culinary historian Andrew F Smith explores why the fast food industry has been so successful and examines the myriad ethical lines it has crossed to become so As he shows fast food plain and simple devised a perfect retail model one that works everywhere providing highly flavored calories with speed economy and convenience But there is no such thing as a free lunch they say and the costs with fast food have been enormous an assault on proper nutrition a minimum wage labor standard and a powerful pressure on farmers and ranchers to deploy some of the worst agricultural practices in history As Smith shows we have long known about these problems and the fast food industry for nearly all of its existence has been beset with scathing expos s boycotts protests and government interventions which it has sometimes met with real changes but more often with token gestures blame passing and an unrelenting gauntlet of lawyers and lobbyists Fast Food ultimately looks at food as a business an examination of the industry s options and those of consumers and a serious inquiry into what society can do to ameliorate the problems this cheap and tasty product has created

**American Pop** Bob Batchelor,2008-12-30 Pop culture is the heart and soul of America a unifying bridge across time bringing together generations of diverse backgrounds Whether looking at the bright lights of the Jazz Age in the 1920s the sexual and the rock n roll revolution of the 1960s or the thriving social networking websites of today each period in America s cultural history develops its own unique take on the qualities define our lives American Pop Popular Culture Decade by Decade is the most comprehensive reference on American popular culture by decade ever assembled beginning with the 1900s up through today The four volume set examines the fascinating trends across decades and eras by shedding light on the experiences of Americans young and old rich and poor along with the influences of arts entertainment sports and other cultural forces Whether a pop culture aficionado or a student new to the topic American Pop provides readers with an engaging look at American culture broken down into discrete segments as well as analysis that gives insight into societal movements trends fads and events that propelled the era and the nation In depth chapters trace the evolution of pop culture in 11 key categories Key Events in American Life Advertising Architecture Books Newspapers Magazines and Comics Entertainment Fashion Food Music Sports and Leisure Activities Travel and Visual Arts Coverage includes How Others See Us Controversies and scandals Social and cultural movements Trends and fads Key icons and Classroom resources Designed to meet the high demand for resources that help students study American history and culture by the decade this one stop reference provides readers with a broad and interdisciplinary overview of the numerous aspects of popular culture in our country Thoughtful examination of our rich and often tumultuous popular history illustrated with hundreds of historical and contemporary photos makes this the ideal source to turn to for ready reference or research

**Fast Food and Junk Food** Andrew F. Smith,2011-12-02 This fascinating and revealing work examines the incredible power of junk food and fast food how nostalgic we are about them the influence of the companies that manufacture

or sell them and their alarming effect on our country's state of health. In the last half century junk food and fast food have come to play an extremely important role in American economic, historical, cultural, and social life. Today they have a major influence on what Americans eat and how healthy we are or aren't. **Fast Food and Junk Food: An Encyclopedia of What We Love to Eat** tells the intriguing, fun, and incredible stories behind the successes of these commercial food products and documents the numerous health-related, environmental, cultural, and politico-economic issues associated with them. With more than 700 alphabetically arranged entries, this two-volume encyclopedia contains enough listings to allow readers to research a wide range of fascinating topics. The author treats the massive amount of subject material within this reference title in a fair and balanced manner. A secondary focus of this encyclopedia is to chart the spread of some American fast food chains and commercially produced junk foods internationally. **Encyclopedia of Junk Food and Fast Food** Andrew F.

Smith, 2006-08-30 Eating junk food and fast food is a great all-American passion. American kids and grownups love their candy bars, Big Macs, and supersized fries. Doritos, Twinkies, and Good Humor ice cream bars. The disastrous health effects from the enormous appetite for these processed, fat, and sugar-loaded foods are well publicized now. This was particularly dramatically evidenced by Super Size Me, 2004 filmmaker Morgan Spurlock's 30-day all-McDonald's diet in which his liver suffered the same poisoning as if he had been on an extended alcohol binge. Through increased globalization, American popular food culture is being increasingly emulated elsewhere in the world, such as China, with the potential for similar disastrous consequences. This A to Z reference is the first to focus on the junk food and fast food phenomena from a multitude of angles in addition to health and diet concerns. More than 250 essay entries objectively explore the scope of the topics to illuminate the American way through products, corporations, and entrepreneurs; social history; popular culture; organizations; issues; politics; commercialism; and consumerism, and much more. Interest in these topics is high. This informative and fascinating work, with entries on current controversies such as mad cow disease and factory farming, the food pyramid, movie tie-ins, and marketing to children, will be highly useful for reports, research, and browsing. It takes readers behind the scenes, examining the significance of such things as uniforms, training, packaging, and franchising. Readers of every age will also enjoy the nostalgia factor, learning about the background of iconic drive-ins, the story behind the mascots, facts about their favorite candy bar, and collectables. Each entry ends with suggested reading. Besides an introduction, a timeline, glossary, bibliography, resource guide, and photos enhance the text. Sample entries: A, Advertising; Automobiles; Ben & Jerry's; Burger King; Carhops; Center for Science in the Public Interest; Christmas Cola Wars; Employment; Fair Food; Fast Food Nation; Hershey; Milton; Hollywood; Injury; Krispy Kreme; Lobbying; Nabisco; Obesity; PepsiCo; Salt Soda Fountain; Teen Hangouts; Vegetarianism; White Castle; Yum Brands Inc. **Encyclopedia of the Jazz Age: From the End of World War I to the Great Crash** James

Ciment, 2015-04-08 This illustrated encyclopedia offers in-depth coverage of one of the most fascinating and widely studied periods in American history. Extending from the end of World War I in 1918 to the great Wall Street crash in 1929, the Jazz

age was a time of frenetic energy and unprecedented historical developments ranging from the League of Nations woman suffrage Prohibition the Red Scare the Ku Klux Klan the Lindberg flight and the Scopes trial to the rise of organized crime motion pictures and celebrity culture Encyclopedia of the Jazz Age provides information on the politics economics society and culture of the era in rich detail The entries cover themes personalities institutions ideas events trends and more and special features such as sidebars and photos help bring the era vividly to life

### **The Oxford Companion to Food** Alan

Davidson,2014-08-21 the best food reference work ever to appear in the English language read it and be dazzled Bee Wilson New Statesman First published in 1999 the ground breaking Oxford Companion to Food was an immediate success and won prizes and accolades around the world Its blend of serious food history culinary expertise and entertaining serendipity was and remains unique Interest in food cooking and the culture surrounding food has grown enormously in the intervening period as has the study of food and food history University departments international societies and academic journals have sprung up dedicated to exploring the meaning of food in the daily lives of people around the world alongside an ever increasing number of articles books programmes and websites in the general media devoted to the discussion of food making the Oxford Companion to Food more relevant than ever Already a food writing classic this Companion combines an exhaustive catalogue of foods be they biscuits named after battles divas or revolutionaries body parts from nose to tail toe to cerebellum or breads from the steppes of Asia or the well built ovens of the Mediterranean with a richly allusive commentary on the culture of food expressed in literature and cookery books or as dishes peculiar to a country or community While building on the Companion s existing strengths Tom Jaine has taken the opportunity to update the text and alert readers to new perspectives in food studies There is new coverage of attitudes to food consumption production and perception such as food and genetics food and sociology and obesity New entries include terms such as convenience foods drugs and food Ethiopia leftovers medicine and food pasta and many more There are also new entries on important personalities who are of special significance within the world of food among them Clarence Birdseye Henri Nestl and Louis Pasteur In its new edition the Companion maintains its place as the foremost food reference resource for study and home use

### Cooking Lessons

Sherrie A. Inness,2001 Meatloaf fried chicken Jell O cake because foods are so very common we rarely think about them much in depth The authors of Cooking Lessons however believe that food is deserving of our critical scrutiny and that such analysis yields many important lessons about American society and its values This book explores the relationship between food and gender Contributors draw from diverse sources both contemporary and historical and look at women from various cultural backgrounds including Hispanic traditional southern White and African American Each chapter focuses on a certain food teasing out its cultural meanings and showing its effect on women s identity and lives For example food has often offered women a traditional way to gain power and influence in their households and larger communities For women without access to other forms of creative expression preparing a superior cake or batch of fried chicken was a traditional way to

display their talent in an acceptable venue On the other hand foods and the stereotypes attached to them have also been used to keep women and men too from different races ethnicities and social classes in their place **Art and Appetite** Annelise K. Madsen, Sarah Kelly Oehler, Nancy Siegel, Ellen E. Roberts, 2013-12-10 Food has always been an important source of knowledge about culture and society Art and Appetite takes a fascinating new look at depictions of food in American art demonstrating that the artists representations of edibles offer thoughtful reflection on the cultural political economic and social moments in which they were created Using food as an emblem artists were able to both celebrate and critique their society expressing ideas relating to politics race class gender and commerce Focusing on the late 18th century through the Pop artists of the 20th century this lively publication investigates the many meanings and interpretations of eating in America Richly illustrated Art and Appetite features still life and trompe l'oeil painting sculpture and other works by such celebrated artists as William Merritt Chase John Singleton Copley Elizabeth Paxton Norman Bel Geddes Stuart Davis Edward Hopper Alice Neel Wayne Thiebaud Roy Lichtenstein and many more Essays by leading experts address topics including the horticultural and botanical underpinnings of still life paintings the history of alcohol consumption in the United States Thanksgiving and food in the world of Pop art In addition to the images and essays this book includes a selection of 18th and 19th century recipes for all American dishes including molasses cake stewed terrapin rice blancmange and roast calf's head

**The Rise of Western Power** Jonathan Daly, 2021-01-14 In this second edition of The Rise of Western Power Jonathan Daly retains the broad sweep of his introduction to the history of Western civilization as well as introducing new material into every chapter enhancing the book's global coverage and engaging with the latest historical debates The West's history is one of extraordinary success no other region empire culture or civilization has left so powerful a mark upon the world Daly charts the West's achievements representative government the free enterprise system modern science and the rule of law as well as its misdeeds two World Wars the Holocaust imperialistic domination and the Atlantic slave trade Taking us through a series of revolutions he explores the contributions of other cultures and civilizations to the West's emergence weaving in historical geographical and cultural factors The new edition also contains more material on themes such as the environment and gender and additional coverage of India China and the Islamic world Daly's engaging narrative is accompanied by timelines maps and further reading suggestions along with a companion website featuring study questions over 100 primary sources and 60 historical maps to enable further study **Made from Scratch** Jean Zimmerman, 2012-11-13 A stunning celebration and reappraisal of the importance of women's work Made from Scratch addresses the tug that many Americans feel between our professional and private lives In this stunning celebration and reappraisal of the importance of women's work acclaimed journalist Jean Zimmerman poignantly addresses the tug that many Americans of the twenty first century feel between our professional and private lives With sharp wit and intelligence she offers evidence that in the current domestic vacuum we still long for a richer home life a paradox visible in the Martha Stewart phenomenon in the continuing popularity of women's

service magazines such as Better Homes and Gardens Family Circle and Ladies Home Journal whose combined circulation of over 17 million is nearly twice the combined circulation of Time Newsweek and U S News World Report and the booming business of restorations where onlookers get a hands on view of domestic life as it flourished in past centuries This book is about the ways home traditions passed from one generation to the next baking a birthday cake from scratch cherishing family heirlooms or discovering the satisfaction of piecing a quilt sustain our souls especially in our ever more processed synthetic world where we buy homemade goods and fail to see the irony in that Made from Scratch tells the story of the unsung heroines of the hearth investigating the history of female domesticity and charting its cultural changes over centuries Zimmerman traces the lives of her own family s homemakers from her tiny but indomitable grandmother who managed a farm strangled chickens with her bare hands and sewed all the family clothing to her mother who rejected her country upbringing yet kept a fastidious suburban home where the gender divide stayed firmly in place to her own experiences as a wife and mother weaned on the Women s Movement of the 1970s with its emphatic view that housework was a dirty word and that the domestic sphere was to be fled rather than cherished In this book Zimmerman questions the unexamined trade off we have made in a shockingly brief time span as we ve progressed from home raised chickens to frozen TV dinners to McNuggets from the food court at the mall What is lost when we no longer engage as individuals and as a community in the ancient rituals of food craft and shelter

**Diets and Dieting** Sander L. Gilman, 2008-01-23 Diets and dieting have concerned and sometimes obsessed human societies for centuries The dieters regime is about many things among them the control of weight and the body the politics of beauty discipline and even self harm personal and societal demands for improved health spiritual harmony with the universe and ethical codes of existence In this innovative reference work that spans many periods and cultures the acclaimed cultural and medical historian Sander L Gilman lays out the history of diets and dieting in a fascinating series of articles

**Food** Paul Freedman, 2007 This richly illustrated book applies the discoveries of the new generation of food historians to the pleasures of dining and the culinary accomplishments of diverse civilizations past and present Freedman gathers essays by French German Belgian American and British historians to present a comprehensive chronological history of taste

*Down to Earth* Theodore Steinberg, 2002-05-09 From the Pilgrims to Disney World Steinberg offers a bold and exciting new way to understand American history through the lens of nature 65 halftones 5 maps

*Historic Restaurants of Washington, D.C.* John DeFerrari, 2009-02-11 Discover the culinary heritage of America s capitol with this guide to Washington D C s historic restaurants and storied local eateries While today s foodies enjoy the latest culinary trends of Logan Circle and the H Street corridor Washington s first true restaurants opened around 1830 Waves of immigrants introduced a global mix of ingredients to the capital s eager palates by opening eateries like the venerable China Doll Gourmet and Cleveland Park s Roma Restaurant By the twentieth century the variety and quality of cuisine was astounding Diners could have tea at Garfinckel s Greenbrier or lunch at local favorites such as Little Tavern

Diner or Ben's Chili Bowl For an elegant evening fine restaurants like Rive Gauche and the Monocle satisfied the most sophisticated gastronome With careful research and choice recipes Streets of Washington blogger John DeFerrari chronicles the culinary and social history of the capital through its restaurants tasting his way from the lavish Gilded Age dining halls of the Willard Hotel to the Hot Shoppe's triple-decker Mighty Mo [Eating Up Route 66](#) T. Lindsay Baker, 2022-10-13 From its designation in 1926 to the rise of the interstates nearly sixty years later Route 66 was in John Steinbeck's words America's Mother Road carrying countless travelers the 2,400 miles between Chicago and Los Angeles Whoever they were adventurous motorists or Dustbowl migrants troops on military transports or passengers on buses vacationing families or a new breed of tourists these travelers had to eat The story of where they stopped and what they found and of how these roadside offerings changed over time reveals twentieth-century America on the move transforming the nation's cuisine culture and landscape along the way Author T. Lindsay Baker a glutton for authenticity drove the historic route or at least the 85 percent that remains intact in a four-cylinder 1930 Ford station wagon Sparing us the dust and bumps he takes us for a spin along Route 66 stopping to sample the fare at diners supper clubs and roadside stands and to describe how such venues came and went even offering kitchen-tested recipes from historic eateries en route Start-ups that became such American fast-food icons as McDonald's Dairy Queen Steak 'n Shake and Taco Bell feature alongside mom-and-pop diners with flocks of chickens out back and sit-down restaurants with heirloom menus Food and drink establishments from speakeasies to drive-ins share the right of way with other attractions accommodations and challenges from the Whoopee Auto Coaster in Lyons, Illinois to the piles of chat mining waste in the Tri-State District of Missouri, Kansas and Oklahoma to the perils of driving old automobiles over the Jericho Gap in the Texas Panhandle or Sitgreaves Pass in western Arizona Describing options for the wealthy and the not-so-well-heeled from hotel dining rooms to ice cream stands Baker also notes the particular travails African Americans faced at every turn traveling Route 66 across the decades of segregation legal and illegal So grab your hat and your wallet you'll probably need cash and come along for an enlightening trip down America's memory lane a westward tour through the nation's heartland and history with all the trimmings via Route 66 **Appetite for America** Stephen Fried, 2010-03-23

NEW YORK TIMES BESTSELLER Featured in the PBS documentary *The Harvey Girls: Opportunity Bound* The legendary life and entrepreneurial vision of Fred Harvey helped shape American culture and history for three generations from the 1880s all the way through World War II and still influence our lives today in surprising and fascinating ways Now award-winning journalist Stephen Fried re-creates the life of this unlikely American hero the founding father of the nation's service industry whose remarkable family business civilized the West and introduced America to Americans *Appetite for America* is the incredible real-life story of Fred Harvey told in depth for the first time ever as well as the story of this country's expansion into the Wild West of Bat Masterson and Billy the Kid of the great days of the railroad of a time when a deal could still be made with a handshake and the United States was still uniting As a young immigrant Fred Harvey worked his way up from

dishwasher to household name He was Ray Kroc before McDonald s J Willard Marriott before Marriott Hotels Howard Schultz before Starbucks His eating houses and hotels along the Atchison Topeka and Santa Fe railroad including historic lodges still in use at the Grand Canyon were patronized by princes presidents and countless ordinary travelers looking for the best cup of coffee in the country Harvey s staff of carefully screened single young women the celebrated Harvey Girls were the country s first female workforce and became genuine Americana even inspiring an MGM musical starring Judy Garland With the verve and passion of Fred Harvey himself Stephen Fried tells the story of how this visionary built his business from a single lunch counter into a family empire whose marketing and innovations we still encounter in myriad ways Inspiring instructive and hugely entertaining Appetite for America is historical biography that is as richly rewarding as a slice of fresh apple pie and every bit as satisfying With two photo inserts featuring over 75 images and an appendix with over fifty Fred Harvey recipes most of them never before published *Cradles of Conscience* James A. Hodges,James H. O'Donnell,John William Oliver,2003 Because of its history of westward expansion and its diverse population Ohio is home to many independent institutions of higher education This text comprises essays which relate the circumstances of the foundation of 40 such institutions and the history of each since its inception
