

THE GLOBE THEATRE IN THE DAYS OF SHAKESPEARE. (Reproduced from a drawing by W. D. Howells, 1880.)

Shakespeares Mystery Play 1599 The Opening Of The Globe Theatre

Lee Oser

Shakespeare's Mystery Play 1599 The Opening Of The Globe Theatre:

Shakespeare's Mystery Play Stephen T. Sohmer, 1999 Through considerable detective work this work sets out to show that Julius Caesar was the first play performed at the new Globe Theatre on 12 June 1599 Drawing on many areas of expertise which are rarely allied in Shakespeare scholarship to such an extent including biblical liturgical social and theatrical history the author sheds new light not only on Julius Caesar but on a variety of accepted beliefs These include why Hamlet was not crowned king when his father died why Brutus would not swear to murder Caesar why the Elizabethan authorities retained the Julian calendar and why the orthodox dates of the first composition of both Twelfth Night and Hamlet can be called into question **Shakespeare's Theatre** Hugh Macrae Richmond, 2004-01-01 Under an alphabetical list of relevant terms names and concepts the book reviews current knowledge of the character and operation of theatres in

Shakespeare's time with an explanation of their origins *Shakespeare's Mystery Play* Stephen T. Sohmer, Steve Sohmer, 1999 **The Spectacular In and Around Shakespeare** Pascale Drouet, 2009-05-27 This volume addresses the economy of the spectacular in and around Shakespeare's plays both in early modern England and in late twentieth century first century adaptations and appropriations Apart from addressing issues such as implausibility tours de force arousing amazement and excess for the sake of entertainment it raises the question of intentionality what is behind the spectacular Is there always a manipulative purpose How far reaching are the political and ideological stakes The contributors to this volume investigate a broad spectrum of particular phenomena the spectacular sound effects and pyrotechnics displayed for the opening of the Globe theatre with Julius Caesar on performance George Gascoigne's lavish 1575 pageant commissioned by the Earl of Leicester for the queen at Kenilworth The Princely Pleasures the relationship between the spectacular and scientific discoveries as well as their dialectics of appropriation the impact of Mannerist art on The Winter's Tale Coriolanus resistance to ostentation and political shows the anti spectacular counter current running through Timon of Athens Julia Pascal's innovative 2007 stage production of The Merchant of Venice apocalyptic screen adaptations of turn of the century Jacobean tragedies and Richard III's potential to be graphically interpreted in 2008 as political satire and as a danse macabre

Shakespeare's History Plays Neema Parvini, 2017-11-01 Shakespeare's History Plays boldly moves criticism of Shakespeare's history plays beyond anti humanist theoretical approaches This important intervention in the critical and theoretical discourse of Shakespeare studies summarises evaluates and ultimately calls time on the mode of criticism that has prevailed in Shakespeare studies over the past thirty years It heralds a new more dynamic way of reading Shakespeare as a supremely intelligent and creative political thinker whose history plays address and illuminate the very questions with which cultural historicists have been so preoccupied since the 1980s In providing bold and original readings of the first and second tetralogies Henry VI Richard III Richard II and Henry IV Parts 1 2 the book reignites old debates and re energises recent bids to humanise Shakespeare and to restore agency to the individual in the critical readings of his plays The Life

of William Shakespeare Lois Potter, 2012-05-07 The Life of William Shakespeare is a fascinating and wide ranging exploration of Shakespeare's life and works focusing on often neglected literary and historical contexts what Shakespeare read who he worked with as an author and an actor and how these various collaborations may have affected his writing Written by an eminent Shakespearean scholar and experienced theatre reviewer Pays particular attention to Shakespeare's theatrical contemporaries and the ways in which they influenced his writing Offers an intriguing account of the life and work of the great poet dramatist structured around the idea of memory Explores often neglected literary and historical contexts that illuminate Shakespeare's life and works The Bible in Shakespeare Hannibal Hamlin, 2013-08-29 The Bible in Shakespeare is a critical study of the links between the two great pillars of English culture the Bible and the works of Shakespeare

Illyria in Shakespeare's England Lea Puljcan Juric, 2019-06-12 Illyria in Shakespeare's England is the first extended study of the eastern Adriatic region often referred to in the Renaissance by its Graeco Roman name Illyria in early modern English writing and political thought At first glance the absence of earlier studies may not be surprising that area may seem significant only to critics pursuing certain specialized questions about Shakespeare's Twelfth Night which is set in Illyria But in fact it is not only often misrepresented in the discussions of that play but also typically ignored in the critical conversation on English prose romances poems and other plays that feature Illyria or its peoples some rarely read others well known including Shakespeare's Comedy of Errors 2 Henry VI Measure for Measure and Cymbeline Lea Puljcan Juric explores the reasons for such views by engaging with larger questions of interest to many critics who focus on subjects other than geographic regions such as othering religion race and the development of national identity among other issues She also broadens the conversation on these familiar problems in the field to include the impact of post Renaissance notions of the Balkans on the erasure of Illyria from Shakespeare studies Puljcan Juric studies the encounters of the English with the ancient and early modern Illyrians through their Greek and Roman heritage geographies histories and travelogues written in a variety of European polities including Illyria itself religious conflict after the Reformation and the threat of Islam and international politics and commerce These considerations show how Illyria's geopolitical position among the Ottoman Empire Habsburg Empire and Venice its national struggles as well as its cultural heterogeneity figured in English interests in the eastern Mediterranean and informed English ideas about ethnicity nationhood and religion In Shakespeare studies however critics have consistently cast Twelfth Night's Illyria as a utopia an enigma or a substitute for England Italy or Greece Arguing that twentieth century politics and negative conceptions of the eastern Adriatic as part of the Balkans have underwritten this erasure of Illyria from our perspective on the field Puljcan Juric shows how entrenched cultural hierarchies tied to elitism and colonial politics still inform our analyses of literature She invites scholars to recognize that for Shakespeare and his contemporaries Illyria is the site of important socio political and cultural struggles during the period some shared with neighboring areas others geographically specific that invite dynamic historical and literary scrutiny **Shakespeare's Life**

Brett Foster,2020-07-01 Providing important context for his greatest works Shakespeare s Life presents a thorough biography of the Bard featuring the latest findings from scholars about his life and his works Included is coverage of his upbringing in Stratford his marriage and family life the process of writing his greatest works and his life after the theater Coverage includes His early years in Stratford including his marriage to Anne Hathaway His rise to stardom within the London theater scene The death of his nine year old son Hamnet The writing of his greatest works including Romeo and Juliet Hamlet Macbeth and others His retirement from the theater and move back to Stratford And much more Christian Humanism in Shakespeare Lee Oser,2022-05-06 Shakespeare Lee Oser argues is a Christian literary artist who criticizes and challenges Christians but who does so on Christian grounds Stressing Shakespeare s theological sensitivity Oser places Shakespeare s work in the radical middle the dialectical opening between the sacred and the secular where great writing can flourish According to Oser the radical middle was and remains a site of cultural originality as expressed through mimetic works of art intended for a catholic small c audience It describes the conceptual space where Shakespeare was free to engage theological questions and where his Christian skepticism could serve his literary purposes Oser reviews the rival cases for a Protestant Shakespeare and for a Catholic Shakespeare but leaves the issue open focusing instead on how Shakespeare exploits artistic resources that are specific to Christianity including the classical Christian rhetorical tradition The scope of the book ranges from an introductory survey of the critical field as it now stands to individual chapters on A Midsummer Night s Dream The Merchant of Venice the Henriad Hamlet and King Lear Writing with a deep sense of literary history Oser holds that mainstream literary criticism has created a false picture of Shakespeare by secularizing him and misconstruing the nature of his art Through careful study of the plays Oser recovers a Shakespeare who is less vulnerable to the winds of academic and political fashion and who is a friend to the enduring project of humanistic education Christian Humanism in Shakespeare A Study in Religion and Literature is both eminently readable and a work of consequence

Shakespeare in French Theory Richard Wilson,2014-02-25 At a time when the relevance of literary theory itself is frequently being questioned Richard Wilson makes a compelling case for French Theory in Shakespeare Studies Written in two parts the first half looks at how French theorists such as Bourdieu Cixous Deleuze Derrida and Foucault were themselves shaped by reading Shakespeare while the second part applies their theories to the plays highlighting the importance of both for current debates about borders terrorism toleration and a multi cultural Europe Contrasting French and Anglo Saxon attitudes Wilson shows how in France Shakespeare has been seen not as a man for the monarchy but a man of the mob French Theory thus helps us understand why Shakespeare s plays swing between violence and hope Highlighting the recent religious turn in theory Wilson encourages a reading of plays like Hamlet Julius Caesar A Midsummer Night s Dream and Twelfth Night as models for a future peace Examining both the violent history and promising future of the plays Shakespeare in French Theory is a timely reminder of the relevance of Shakespeare and the lasting value of French thinking for the

democracy to come *Julius Caesar* David Carnegie,2009-04-21 Julius Caesar is possibly the play that opened The Globe theatre Certainly it was one of the first to be performed there using the acting resources of the company and the new stage space with dramatic confidence The first of Shakespeare's mature tragedies Julius Caesar is also stirring history The great political debates between Republic and Empire democracy and dictatorship mob rule and tyranny are as applicable today as they were in Elizabethan England and to the Romans themselves in 44 BC Highlights of this Handbook include A commentary at the heart of the book which guides the reader through the play as it unfolds moment by moment in performance with special attention to the theatrical choices facing actors and directors An account of the play's sources and its cultural context Analysis of influential performances on stage and screen and of changes in the play's critical reception Lively and stimulating this invaluable guide offers a unique investigation of the theatrical life of one of Shakespeare's great tragedies *Julius Caesar* Horst Zander,2005-07-05 This book explores traditional approaches to the play which includes an examination of the play in light of current history in the context of Renaissance England and in relation to Shakespeare's other Roman plays as well as structural examination of plot language character and source material *Julius Caesar* CriticalEssays also examines the current debates concerning the play in Marxist psychoanalytic deconstructive queer and gender contexts *Shakespeare and Renaissance Politics* Andrew Hadfield,2014-03-20 Shakespeare like many of his contemporaries was concerned with the question of the succession and the legitimacy of the monarch From the early plays through the histories to Hamlet Shakespeare's work is haunted by the problem of political legitimacy Playing and Playgoing in Early Modern England Simon Smith,Emma Whipday,2022-03-17 Offers a new interdisciplinary account of early modern drama through the lens of playing and playgoing **The Cultural Uses of the Caesars on the English Renaissance Stage** Lisa Hopkins,2016-03-16 Caesarian power was a crucial context in the Renaissance as rulers in Europe Russia and Turkey all sought to appropriate Caesarian imagery and authority but it has been surprisingly little explored in scholarship In this study Lisa Hopkins explores the way in which the stories of the Caesars and of the Julio Claudians in particular can be used to figure the stories of English rulers on the Renaissance stage Analyzing plays by Shakespeare and a number of other playwrights of the period she demonstrates how early modern English dramatists using Roman modes of literary representation as cover commented on the issues of the day and critiqued contemporary monarchs *Texts and Traditions* Beatrice Groves,2007 Explores Shakespeare's engagement with the religious culture of his time Through readings of a number of plays Romeo and Juliet King John 1 Henry IV Henry V and Measure for Measure this work explains allusions to the Bible the Church's liturgy and to the mystery plays performed in England in Shakespeare's boyhood **A Feminist Companion to Shakespeare** Dymrna Callaghan,2016-03-15 The question is not whether Shakespeare studies needs feminism but whether feminism needs Shakespeare This is the explicitly political approach taken in the dynamic and newly updated edition of A Feminist Companion to Shakespeare Provides the definitive feminist statement on Shakespeare for the

21st century Updates address some of the newest theatrical and creative engagements with Shakespeare offering fresh insights into Shakespeare's plays and poems and gender dynamics in early modern England Contributors come from across the feminist generations and from various stages in their careers to address what is new in the field in terms of historical and textual discovery Explores issues vital to feminist inquiry including race sexuality the body queer politics social economies religion and capitalism In addition to highlighting changes it draws attention to the strong continuities of scholarship in this field over the course of the history of feminist criticism of Shakespeare The previous edition was a recipient of a Choice Outstanding Academic Title award this second edition maintains its coverage and range and brings the scholarship right up to the present day

The Oxford Companion to Shakespeare Michael Dobson, Stanley Wells, Will Sharpe, Erin Sullivan, 2015-10-15 The Oxford Companion to Shakespeare is the most comprehensive reference work available on Shakespeare's life times works and his 400 year global legacy In addition to the authoritative A Z entries it includes nearly 100 illustrations a chronology a guide to further reading a thematic contents list and special feature entries on each of Shakespeare's works Tying in with the 400th anniversary of Shakespeare's death this much loved Companion has been revised and updated reflecting developments and discoveries made in recent years and to cover the performance interpretation and the influence of Shakespeare's works up to the present day First published in 2001 the online edition was revised in 2011 with updates to over 200 entries plus 16 new entries These online updates appear in print for the first time in this second edition along with a further 35 000 new and revised words These include more than 80 new entries ranging from important performers directors and scholars such as Lucy Bailey Samuel West and Alfredo Michel Modenessi to topics as diverse as Shakespeare in the digital age and the ubiquity of plants in Shakespeare's works to the interpretation of Shakespeare globally from Finland to Iraq To make information on Shakespeare's major works easier to find the feature entries have been grouped and placed in a centre section fully cross referenced from the A Z The thematic listing of entries described in the press as an invaluable panorama of the contents has been updated to include all of the new entries This edition contains a preface written by much lauded Shakespearian actor Simon Russell Beale Full of both entertaining trivia and scholarly detail this authoritative Companion will delight the browser and reward students academics as well as anyone wanting to know more about Shakespeare

Shakespeare's Roman Plays Paul Innes, 2015-07-07 Rome was a recurring theme throughout Shakespeare's career from the celebrated Julius Caesar to the more obscure Cymbeline In this book Paul Innes assesses themes of politics and national identity in these plays through the common theme of Rome He especially examines Shakespeare's interpretation of Rome and how he presented it to his contemporary audiences Shakespeare's depiction of Rome changed over his lifetime and this is discussed in conjunction with the emergence of discourses on the British Empire Each chapter focuses on a play which is thoroughly analysed with regard to both performance and critical reception Shakespeare's plays are related to the theatrical culture of their time and are considered in light of how they might

have been performed to his contemporaries Innes engages strongly with both the plays the most current scholarship in the field
