Stanton**

Shakespearean Dimensions Wilson Knight:

Shakespeare Survey Stanley Wells, 2002-11-28 The first fifty volumes of this yearbook of Shakespeare studies are being reissued in paperback **Empson, Wilson Knight, Barber, Kott** Hugh Grady, 2014-03-27 Great Shakespeareans offers a systematic account of those figures who have had the greatest influence on the interpretation understanding and cultural reception of Shakespeare both nationally and internationally In this volume leading scholars assess the contribution of William Empson G Wilson Knight C L Barber and Jan Kott to the afterlife and reception of Shakespeare and his plays Each substantial contribution assesses the double impact of Shakespeare on the figure covered and of the figure on the understanding interpretation and appreciation of Shakespeare provides a sketch of their subject's intellectual and professional biography and an account of the wider cultural context including comparison with other figures or works within the same field **Shakespiritualism** J. Kahan, 2013-02-27 This study concerns itself with a now forgotten religious group Spiritualists and how their ensuing discussions of Shakespeare's meaning his writing practices his possible collaborations and the supposed purity and or corruption of his texts anticipated accompanied or silhouetted similar debates in Shakespeare Studies **Shakespearean Dimensions** George Wilson Knight, 1984 *Shakespeare's Fascist Followers* Richard Wilson, 2025-08-21 Richard Wilson's meticulously researched powerfully argued and brilliantly written account of Shakespeare's 20th century fascist followers is not just an important but a genuinely essential book Robert Shaughnessy Guildford School of Acting UK In this illuminating book Richard Wilson demonstrates how in the 20th century Shakespeare's plays and poems were persistently misread as documents which voiced the fascist sympathies of their author Wilson argues that the version of Shakespeare this caricature produced authoritarian jingoistic racially intolerant misogynistic was viewed with satisfaction by many of the leading figures of the century's cultural establishment in Britain and America while noting striking cases of the same bias in Germany and France Some of the names this book focuses on will surprise many of the right wing political views or leanings of the prominent figures discussed have been left unexplored or ignored from A K Chesterton who was both editor of the British Union of Fascists newspaper Blackshirt and former manager of press and publicity at the Shakespeare Memorial Theatre to celebrated Shakespeareans such as G Wilson Knight and writers artists and theatre practitioners including W B Yeats T S Eliot Edward Gordon Craig and Marshall McLuhan At a time when democracy is under threat populism is on the rise and far right views are increasingly prominent in our political discourse Richard Wilson's book makes an especially vital contribution to Shakespeare scholarship *Shakespeare at War* Amy Lidster, Sonia Massai, 2023-08-17 This first material history of how Shakespeare has been used in wartime tells a fresh and compelling story about how he has been recruited across centuries of military activity drawing upon scholarly expertise in Shakespeare and War Studies first hand experience from public military figures and insights from prominent theatre directors Deep Wisdom from Shakespeare's Dramas Arjan Plaisier, 2012-06-25 Arjan Plaisier believes audiences who view

Shakespeare performances and readers who study the plays deserve better than some of the recent interpretations of the Bard's work. In their attempt to be modern, these interpreters commit historical amnesia by slighting the Christian ethos of the early Renaissance period in which Shakespeare wrote and by riding roughshod over the religious underpinnings of his plays. This neglect skews the playwright's intentions, confuses the audience, and diminishes the full effect of the play. Plaisier too is modern and in a more profound sense. He sets forth how Shakespeare shapes his plots to conform at an ultimate level to timeless biblical narrative patterns like Northrop Frye; he regards the Bible as a code book so that there is a right ending to the work. And in an Appendix, Plaisier provides some kindly advice to his fellow pastors: "You do well," he says to them, "to enrich your noble calling with attention to literature. To do this, he says, you will find Shakespeare most helpful. Yes, and Plaisier's perceptive essays point to the deep wisdom in Shakespeare by which we can all live." **G. Wilson Knight and**

the Last Plays of Shakespeare John Emory Van Domelen, 1964 *The Shakespeare Play as Poem* S.

Viswanathan, 1980-11-20 A balanced critique of the reading of Shakespeare's plays as dramatic poems **Great**

Shakespeareans Set III Adrian Poole, Peter Holland, 2014-09-11 Great Shakespeareans presents a systematic account of those figures who have had the greatest influence on the interpretation, understanding, and cultural reception of Shakespeare, both nationally and internationally. This major project offers an unprecedented scholarly analysis of the contribution made by the most important Shakespearean critics, editors, actors, and directors, as well as novelists, poets, composers, and thinkers from the seventeenth to the twentieth century. An essential resource for students and scholars in Shakespeare studies **Antony and**

Cleopatra Marga Munkelt, 2024-04-04 This new volume in the Shakespeare: The Critical Tradition series increases our knowledge of how Antony and Cleopatra has been received and understood by critics, editors, and general readers. The volume provides, in separate sections, both critical opinions about the play across the centuries and an evaluation of their positions within and their impact on the reception of the play. The chronological arrangement of the text excerpts engages the readers in a direct and unbiased dialogue, and the introduction offers a critical evaluation from a current stance, including modern theories and methods. This volume makes a major contribution to our understanding of the play and of the traditions of Shakespearean criticism surrounding it, as they have developed from century to century *The Powys Review*, 1984

Shakespeare's Invention of Othello Martin Elliott, 1988-06-18 **The Modernist Shakespeare** Hugh Grady, 1991 Every epoch recreates its classical icons, and for literary culture, no icon is more central or more protean than Shakespeare. Even though finding the authentic Shakespeare has been a goal of scholarship since the eighteenth century, he has always been constructed as a contemporary author. In this critical study, Grady charts the construction of Shakespeare as a twentieth-century text, redirecting new historicist methods to an investigation of the social roots of contemporary Shakespeare criticism. Beginning with the formation of professionalism as an ideology in the Victorian Age, this theoretically informed study describes widespread attempts to save the values of the cultural tradition in reformulated Modernist guise from the threat of

professionalist postivism in modern universities **Shakespeare's Poems and Sonnets** Harold Bloom,2009 Provides insight into the poems sonnets of William Shakespeare along with a brief biography **The Cambridge Companion to Shakespeare on Stage** Stanley Wells,Stanley W. Wells,Sarah Stanton,2002-05-30 This 2002 Companion is designed for readers interested in past and present productions of Shakespeare s plays both in and beyond Britain The first six chapters describe aspects of the British performing tradition in chronological sequence from the early staging of Shakespeare s own time through to the present day Each relates Shakespearean developments to broader cultural concerns and adopts an individual approach and focus on textual adaptation acting stages scenery or theatre management These are followed by three explorations of acting tragic and comic actors and women performers of Shakespeare roles A section on international performance includes chapters on interculturalism on touring companies and on political theatre with separate accounts of the performing traditions of North America Asia and Africa Over forty pictures illustrate performers and productions of Shakespeare from around the world An amalgamated list of items for further reading completes the book **Shakespeare Studies** John Leeds Barroll,1986 *Shakespeare Quarterly* ,2001 **The Durham University Journal** University of Durham,1991 **Shakespeare's Caliban** Alden T. Vaughan, Virginia Mason Vaughan,1991 Shakespeare s Caliban examines The Tempest s savage and deformed slave as a fascinating but ambiguous literary creation with a remarkably diverse history The authors one a historian and the other a Shakespearean explore the cultural background of Caliban s creation in 1611 and his disparate metamorphoses to the present time

Immerse yourself in the artistry of words with Crafted by is expressive creation, Immerse Yourself in **Shakespearian Dimensions Wilson Knight** . This ebook, presented in a PDF format (PDF Size: *), is a masterpiece that goes beyond conventional storytelling. Indulge your senses in prose, poetry, and knowledge.
