up nine months later and got plunked in front of those brand new TVs We were born at the dawn of the television age to become Madison Avenue s most coveted target demographic Advertising campaigns and kid centric programming made us the first generation to be given a collective identity separate from family or community And for good or ill they made us who we have become women who have demanded to be treated as equals by the other half of the human race I know it s still something of a taboo to write novels especially romantic comedies about women of a certain age but Boomer women have been breaking rules since the Mickey Mouse Club proclaimed our destiny I hope you ll enjoy their stories Anne R Allen Los Osos CA 2014 *The McGuire Brothers Collection: Three Steamy Small Town Rom Coms* Lili Valente, 2024-11-27 Three feel good panty melting LOL small town romances in one collection for the first time BOSS WITHOUT BENEFITS Last night I met the funniest sexiest single dad on the planet I also managed to get into the kind of co ed naked trouble with him that involved a nurse a shotgun a feral turkey and a pair of pliers But all s well that ends well and we already have plans to meet up again It s early days but I m already thinking Drew might be The One Then I show up to my new nanny gig and who steps out on the front porch holding the cutest little redhead in the world Yep that s right Drew is Andrew McGuire my new boss and he s not about to date the nanny Or is he NOT TODAY BOSSMAN Barrett McGuire is the grumpiest growliest most frustrating man on the planet He s also my boss my one and only one night stand and a man I can t fall for no matter how hot the chemistry is between us We re just too different But then Barrett tells me he wants to change to be what I need and proves it with the most romantic just one bed weekend ever But can we make it work in the real world BOSS ME AROUND Christian McGuire is the last person I should be asking to boss me around in bed Sure he s a bonafide Sex God but he s also my co worker AND my shiny new brother in law But after a few too many tequila shots one night I shoot him a text asking him to be my smut mentor After insisting on a few ground rules he agrees Boy does he But the more time I spend in the sack with this wild funny secretly tender man the more I fear I ll break the biggest rule of all Never Fall for Mr Off Limits **Mennonite Meets Mr. Right** Rhoda Janzen, 2024-09-24 At the end of her bestselling memoir *Mennonite in a Little Black Dress* Rhoda Janzen had reconnected with her family roots though her future felt uncertain When this overeducated professor starts dating the most unlikely of men a weight liftin church goin truck drivin rocker named Mitch she begins a surprising journey to faith and love Nothing says Let s get to know each other like lady problems on an epic scale but Mitch vows to stay by her side Convinced that his bedrock character has something to do with his Pentecostal church Rhoda suits up for a brave new world of sparkler pom poms and hand clappin hallelujahs Written with her trademark uproarious bawdy sense of humor Minneapolis Star Tribune *Mennonite Meets Mr. Right* is witty and moving perfect for anyone who has taken an unexpected detour only to find that new roads lead to rich destinations **Heatwave** John L Williams, 2025-05-08 Grippingly captures the three months that shook Britain s cultural landscape PAULINE BLACK Scorching seething and scintillating *Heatwave* conjures a slow burning collage of a country on the brink I lived through those cruel months and Williams recreates them

with intense skill SIMON GARFIELD An absolute joy PETE PAPHIDES Engrossing powerful goes way beyond nostalgia DAVID KYNASTON With temperatures soaring to 35oC severe water shortages and a sunburned population queuing at the standpipes the summer of 1976 was always remembered as Britain s hottest But the wave that hit the UK that year was also cultural and political with upheaval on the streets in parliament on the cricket pitch and on the radios and TV sets of a nation at a crossroads Before this blistering summer Britain seemed stuck in the post war era a country where people were all in it together as long as you were white male and straight In July Tom Robinson writes a song called Glad to be Gay and by August bank holiday Black youth are making the police run for their lives in the almighty riot at the Notting Hill Carnival But with the Labour Prime Minister Harold Wilson suddenly quitting the pound sinking and the economy tanking a restless immigrant population and increasing dissatisfaction in the old world order the weather seemed to boil up the country to the point where the lid blows off Weaving a rich tapestry of the news stories of the year with social commentary and dozens of first person interviews with those that were there at the time Williams s reappraisal of the summer of 76 is an evocative sometimes nostalgic but always an unflinching read Heatwave takes us back to relive the events of that summer and asks have we really moved on as much as we would have liked
