Fundamentals of the Yoga school in Hindu philosophy includes English translation **De Levensboom - Tussen Hemel en Aarde** Marcel Roggemans,2012-12 De levensboom kennen we meestal uit Genesis De levensboom staat in het aards paradijs en speelt een cruciale rol bij het ontstaan van onze oudste voorouders De kern van elke religie maakt een toespeling naar die geheimzinnige levensboom die in het centrum van de wereld staat meestal omgeven door vier rivieren of vier winden Meestal heeft hij vruchten waar niet mag worden van gegeten Maar dit is niet het enige geheim van de levensboom Bovendien staat er in het aards paradijs niet alleen een levensboom maar ook nog een boom van kennis van goed en kwaad De legende van de levensboom is n van de oudste van de mensheid Elke cultuur kent de levensboom De levensboom staat voor veel meer dan we op het eerste zicht zouden denken Het is een symbool dat vele andere voorstellingen kent Zo is de levensboom ook het archetype van de symmetrie Het is het archetype dat het uitwendige en het inwendige van de mens omschrijft De levensboom heeft bovendien in de meeste culturen dezelfde betekenis

Introduction to Sri Aurobindo's Philosophy Dr. N.N. Londhe,2017-06-13 Having applied the standards of modern critical theory it may sound fruitless to account for biographical details of writer in interpreting his work as the biographical details either hold no importance or have nothing to do with the work of art in the sense that once a work of art is born it loses its connection with the creator Moreover even in the moment of creation the author remains detached from his creation However there are some exceptions to this It has been observed that the biographical details are of immense help in partly making sense of what the concerned author has encoded These details can be correlated to his writing In the case of some writers their life has a special relation with what they write how they led their life what inspiration they sought what influences they received and imbibed in their personality what experiences they lived with and what events and occasions they confronted All these partly go into the making of a literary personality Yoga Journal ,2003-01 For more than 30 years Yoga Journal has been helping readers achieve the balance and well being they seek in their everyday lives With every issue Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds We are dedicated to providing in depth thoughtful editorial on topics such as yoga food nutrition fitness wellness travel and fashion and beauty
