Shallow Grave at Wailatpu Erwin N. Thompson, 1985 **Unsettled Ground** Cassandra Tate, 2020-11-17 A highly readable myth busting history of the Whitman Massacre a pivotal event in the history of the American West that includes the often missing Native American point of view In 1836 Marcus and Narcissa Whitman devout missionaries from upstate New York established a Presbyterian mission on Cayuse Indian land near what is now the fashionable wine capital of Walla Walla Washington Eleven years later a group of Cayuses killed the Whitmans and eleven others in what became known as the Whitman Massacre The attack led to a war of retaliation against the Cayuse the extension of federal control over the present day states of Washington Oregon Idaho and parts of Montana and Wyoming and martyrdom for the Whitmans Today however the Whitmans are more likely to be demonized as colonizers than revered as heroes In *Unsettled Ground* historian and journalist Cassandra Tate takes a fresh look at the personalities dynamics disputes social pressures and shifting legacy of a pivotal event in the history of the American West Tate tells the Cayuse s side of the story with empathy and clarity a meticulously researched book *The Seattle Times* **I Am a Stranger Here Myself** Debra Gwartney, 2019-03-15 Winner of the 2020 WILLA Literary Award in Creative Nonfiction from Women Writing the West Part history part memoir *I Am a Stranger Here Myself* taps dimensions of human yearning the need to belong the snarl of family history and embracing womanhood in the patriarchal American West Gwartney becomes fascinated with the missionary Narcissa Prentiss Whitman the first Caucasian woman to cross the Rocky Mountains and one of fourteen people killed at the Whitman Mission in 1847 by Cayuse Indians Whitman s role as a white woman drawn in to settle the West reflects the tough as nails women in Gwartney s own family Arranged in four sections as a series of interlocking explorations and ruminations Gwartney uses Whitman as a touchstone to spin a tightly woven narrative about identity the power of womanhood and coming to peace with one s most cherished place **Experiences in a Promised Land** G. Thomas Edwards, Carlos A. Schwantes, 1986 Practically since the turn of the century the Northwest has been a region of paradoxes Women who in Washington had acquired suffrage and lost it in the 1880s regained it and later elected a woman mayor of Seattle Exploitation of workers despite or perhaps because of abundance has been extreme and has engendered some of America s most radical labor movements Both racial backlash and enlightened reforms characterize the region *Encounters with the People* Dennis Baird, Diane Mallick, William R. Swagerty, 2021-10-04 Organized both chronologically and thematically *Encounters with the People* is an edited annotated compilation of unique primary sources related to Nez Perce history Native American oral histories diary excerpts military reports maps and more Generous elders shared their collective memory of carefully guarded stories passed down through multiple generations One described the level of attentiveness required to preserve their oral history as so still to listen that you could hear a bird take a drink of water on the other side of the mountain The work begins with early Nimiipuu Euro American contact and extends to the period immediately after the Treaty of 1855 held at Walla Walla The editors scoured

archives federal document repositories and state and local historical museums in search of little known documents related to regional cultural and environmental history Most of the selected material is published for the first time or is found only in obscure sources Complete documents are included wherever possible and any excisions carefully noted Part of the Voices from Nez Perce Country series Encounters with the People includes a thorough up to date annotated bibliography Those interested in the Nez Perce Native American Studies Lewis and Clark early missionary work and Inland Northwest settlement will find it an essential reference work Recipient of a 2016 CHOICE Academic Book of the Year the 2016 Western History Association Dwight L Smith Award and a 2015 Idaho Book Award Honorable Mention from the Idaho Library Association

So Rugged and Mountainous Will Bagley,2012-10-09 The story of America s westward migration is a powerful blend of fact and fable Over the course of three decades almost a million eager fortune hunters pioneers and

visionaries transformed the face of a continent and displaced its previous inhabitants The people who made the long and perilous journey over the Oregon and California trails drove this swift and astonishing change In this magisterial volume Will Bagley tells why and how this massive emigration began While many previous authors have told parts of this story Bagley has recast it in its entirety for modern readers Drawing on research he conducted for the National Park Service s Long Distance Trails Office he has woven a wealth of primary sources personal letters and journals government documents newspaper reports and folk accounts into a compelling narrative that reinterprets the first years of overland migration Illustrated with photographs and historical maps So Rugged and Mountainous is the first of a projected four volume history Overland West The Story of the Oregon and California Trails This sweeping series describes how the Road across the Plains transformed the American West and became an enduring part of its legacy And by showing that overland emigration would not have been possible without the cooperation of Native peoples and tribes it places American Indians at the center of trail history not on its margins

America 1844 John Bicknell,2014-11-01 The presidential election of 1844 was one of the two or three most momentous elections in American history Had Henry Clay won instead of James K Polk we d be living in a very different country today Polk s victory cemented the westward expansion that brought Texas California and Oregon into the union It also took place amid religious turmoil that included anti Mormon and anti Catholic violence and the Great Disappointment in which thousands of followers of an obscure preacher named William Miller believed Christ would return to earth in October 1844 Author and journalist John Bicknell details even more compelling interwoven events that occurred during this momentous year the murder of Joseph Smith the religious fermentation of the Second Great Awakening John C Fr mont s exploration of the West Charles Goodyear s patenting of vulcanized rubber the near death of President John Tyler in a freak naval explosion and much more All of these elements illustrate the competing visions of the American future Democrats versus Whigs Mormons versus Millerites nativists versus Catholics those who risked the venture westward versus those who stayed safely behind and how Polk s election cemented the vision of a continental nation
