Shamans Lamas And Evangelicals The English Missionaries In Siberia:

Shamans, Lamas, and Evangelicals Charles R. Bawden, 1985 SHAMANS, LAMAS, AND EVANGELICALS C R BAWDEN. FBA, 2024 Shamans, Lamas, and Evangelicals C R BAWDEN Fba, 2024-11-01 First published in 1985 Shamans Lamas and Evangelicals tells the little known yet fascinating story of a missionary venture to Eastern Siberia in the year 1818 Two missionaries one English one Swedish with the tiresome voyage across the Baltic behind them set out with their wives to face the daunting prospect of a 3000 mile journey by sledge across the rough snow roads of Siberia in the depths of winter The mission was unusual in its conception Established by the London Missionary Society and the backing of the Tsar Alexander I its aim was to bring the Christian gospel to the Buryats and once that was accomplished to cross into China evangelize the Mongols there and then set about the conversion of the Chinese The mission failed but it was nonetheless an extraordinary episode It is the story of men who first had to learn Russian in order to teach themselves Mongolian who brought up their families founded schools treated the sick and translated the entire Bible into Mongolian printing the Old Testament on their own local press This is an interesting historical reference work for scholars and researchers of Russian history and Mongolian history **Genealogies of Shamanism** Jeroen W Boekhoven, 2011 Cover Table of contents Acknowledgements 1 Approaching shamanism 2 Eighteenth and nineteenth century interpretations 3 Early twentieth century American interpretations 4 Twentieth century European constructions 5 The Bollingen connection 1930s 1960s 6 Post war American visions 7 The genesis of a field of shamanism America 1960s 1990s 8 A Case Study Shamanisms in the Netherlands 9 Struggles for power charisma and authority a balance Bibliography Index **Of Religion and Empire** Robert P. Geraci, Michael Khodarkovsky, 2001 This book is the first to investigate the role of religious conversion in the long history of Russian state building with geographic coverage from Poland and European Russia to the Caucasus Central Asia Siberia and Alaska *A History of the Peoples of Siberia* James Forsyth, 1994-09-08 This is the first ethnohistory of Siberia to appear in English tracing the history of the native peoples from the Russian conquest onwards James Forsyth compares the Siberian experience with that of the Indians and Eskimos in North America and the book as a whole will provide readers with a vast corpus of ethnographic information previously inaccessible to Western scholars *Siberia, Siberia* Valentin Rasputin, 1997-10-29 This work offers an account of the Russians 400 years of experience in Siberia Rasputin looks at the the peculiar physical and character traits of the Siberian Russian type and at the gap between dreams and reality that have plagued Russians in Siberia *Missionary Primitivism and Chinese Modernity* David Woodbridge, 2018-11-23 In *Missionary Primitivism and Chinese Modernity* the Brethren in Twentieth Century China David Woodbridge offers an account of a little known Protestant missionary group Often depicted as extreme and marginal the Brethren were in fact an influential force within modern evangelicalism They sought to recreate the life of the primitive church and to replicate the simplicity and dynamism of its missionary work Using newly released archive material Woodbridge examines the activities of Brethren

missionaries in diverse locations across China from the cosmopolitan treaty ports to the Mongolian and Tibetan frontiers The book presents a fascinating encounter between primitivist missionaries and a modernising China and reveals the important role of the Brethren in the development of Chinese Christianity **Historical Dictionary of Mongolia** Alan J.K. Sanders,2017-08-25 This fourth edition of Historical Dictionary of Mongolia covers the people and organizations that brought Mongolia from revolution and oppression to independence and democracy and its current unprecedented level of national wealth and international growth This is done through a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1 200 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Mongolia *Siberia* Janet M. Hartley,2014-08-26 Larger in area than the United States and Europe combined Siberia is a land of extremes not merely in terms of climate and expanse but in the many kinds of lives its population has led over the course of four centuries Janet M Hartley explores the history of this vast Russian wasteland whose very name is a common euphemism for remote bleakness and exile through the lives of the people who settled there either willingly desperately or as prisoners condemned to exile or forced labor in mines or the gulag From the Cossack adventurers first incursions into Sibir in the late sixteenth century to the exiled criminals and political prisoners of the Soviet era to present day impoverished Russians and entrepreneurs seeking opportunities in the oil rich north Hartley s comprehensive history offers a vibrant profoundly human account of Siberia s development One of the world s most inhospitable regions is humanized through personal narratives and colorful case studies as ordinary and extraordinary everyday life in the nothingness is presented in rich and fascinating detail In the Soviet House of Culture Bruce Grant,2020-10-06 At the outset of the twentieth century the Nivkhi of Sakhalin Island were a small population of fishermen under Russian dominion and an Asian cultural sway The turbulence of the decades that followed would transform them dramatically While Russian missionaries hounded them for their pagan ways Lenin praised them while Stalin routed them in purges Khrushchev gave them respite and while Brezhnev organized complex resettlement campaigns Gorbachev pronounced that they were free to resume a traditional life But what is tradition after seven decades of building a Soviet world Based on years of research in the former Soviet Union Bruce Grant s book draws upon Nivkhi interviews newly opened archives and rarely translated Soviet ethnographic texts to examine the effects of this remarkable state venture in the construction of identity With a keen sensitivity Grant explores the often paradoxical participation by Nivkhi in these shifting waves of Sovietization and poses questions about how cultural identity is constituted and reconstituted restructured and dismantled Part chronicle of modernization part saga of memory and forgetting In the Soviet House of Culture is an interpretive ethnography of one people s attempts to recapture the past as they look toward the future This is a book that will appeal to anthropologists and historians alike as well as to anyone who is interested in the people and politics of the former Soviet Union From Awakening to Secession Timothy Stunt,2000-06-01

A major study of the impact of the Swiss Revival Awakening on British evangelicals in the 1820s This book provides an important synthesis of a variety of tendencies and movements which have usually been treated and understood as separate By resisting the temptation to read back into the 1820s the partisan labels of later decades Timothy Stunt rediscovers the common ground which was shared by a wide spectrum of Christians who were later seen as mutually hostile The author considers the influence of the Awakening on radical attitudes to mission and ecclesiastical radicalism in Ireland pre Tractarian Oxford and Scotland In dealing with the reluctant movement towards secession from the established church Stunt illuminates and reinterprets the origins of the early Catholic Apostolic Church and the Brethren

Ulaanbaatar beyond Water and Grass M. A. Aldrich, 2018-03-02 Ulaanbaatar beyond Water and Grass is the first book in the English language that takes the visitor to an in depth exploration of the capital of Mongolia In the first section of the book M A Aldrich paints a detailed portrait of the history religion and architecture of Ulaanbaatar with reference to how the city evolved from a monastic settlement to a communist inspired capital and finally to a major city of free wheeling capitalism and Tammany Hall politics The second section of the book offers the reader a tour of different sites within the city and beyond bringing back to life the human dramas that have played themselves out on the stage of Ulaanbaatar Where most guide books often lightly discuss the capital Ulaanbaatar beyond Water and Grass A Guide to the Capital of Mongolia reveals much that remains hidden from the temporary visitor and even from the long term resident Writing in a quirky idiosyncratic style the author shares his appreciation and delight in this unique urban setting indeed in all things Mongolian The book finally does justice to one of the most neglected cultural capitals in Asia Combining history ethnography architecture city planning and folklore with a delightful dash of irony and personal opinion Michael Aldrich s Ulaanbaatar beyond Water and Grass is an authoritative introduction to Mongolia s capital city For first time visitors or long term academics this is quite simply the best book available on Ulaanbaatar Jack Weatherford author of Genghis Khan and the Making of the Modern World The charm of this superb guide to Mongolia s mysterious capital is the exuberance and love the author bestows on his subject Michael Aldrich s erudition is profound and all embracing and he is as comfortable discussing abstruse aspects of Buddhism as he is the city s history from its pastoral and feudal origins through Manchu suzerainty to Soviet communism to the wild capitalism of the present day He never misses the opportunity for a colourful and amusing anecdote or tidbit of scandal to relish an obscure custom to delight in the spice in a local dish or to pause and admire the beauty of a particular artwork building or monument The prose rings with his idiosyncratic personality knowledgeable urbane and sceptical sometimes downright cynical but always passionate and committed Carrying this book through Ulaanbaatar s streets or curling into its pages on a sofa at home he is the perfect companion squeezing stories out of ancient stones conjuring ghosts and elegantly baring the city s soul Ulaanbaatar beyond Water and Grass will become as great a classic of travel literature for Central Asia as J G Links s Venice for Pleasure was for Europe Adam Williams author of The Palace of Heavenly Pleasure Destined to become the

quintessential introduction to Ulaanbaatar not only in terms of the wealth of information but also in terms of the sympathetic understanding and humour the author shares with the reader Genghis Khan would have loved it Bill Porter author of Road to Heaven Encounters with Chinese Hermits and Finding Them Gone Visiting China's Poets of the Past Michael Aldrich's guide to Ulaanbaatar reveals a city of religion of revolution and latterly of bold new experiment It is both a journey through the city of today as well as an imagining of the historical city now lost to development Paul French author of The Old Shanghai A Z This is an interesting and illuminating book providing fascinating details on the history and evolution of Mongolia's capital and largest city It should definitely be included on the essential reading list for anyone living or working in Mongolia

Jonathan Addleton Executive Director of American Center for Mongolian Studies former US Ambassador to Mongolia author of Mongolia and the United States A Diplomatic History

Russian Bible Wars Stephen K. Batalden, 2013-03-14 This first comprehensive history of the Russian Bible demonstrates how scriptural translation exposed serious divisions in modern Russian religious culture

Missionary Women Rhonda Anne Semple, 2003 Under the influence of wise and devoted and spiritually minded colleagues She is a lady of much ability and intelligence the selection and training of candidates LMS work in North India the feeblest work in all of India Good temper and common sense are invaluable the Church of Scotland Eastern Himalayan Mission The work of the CIM at Chefoo faith filled generations Gender and the professionalization of Victorian society the mission example Conclusion fools for Christ

THE THERAPISTS CREATING A CULTURAL TAPESTRY Stephanie L. Brooke, Charles E. Myers, 2015 This exciting text is a comprehensive work that examines the use of art play music dance movement and drama in different cultures and with diverse client populations The editors primary purpose is to explore how the creative therapies can be implemented in diverse cultures and in different countries Renowned well credentialed and professional creative arts therapists in the areas of art play music dance movement and drama helped write this collection Examples include the use of art in working with refugee children in Australia and with Chinese American children shared experiences in using dance and movement with Arabic women in Jerusalem indigenous Inner Mongolia and with survivors of torture Other chapters offer stories of using drama in the Netherlands music and other creative arts in China play therapy in Appalachia and with different races Additionally there are chapters on working with children with learning disabilities as well as the use of creative arts in supervision Some of the chapters are beautifully complimented with photographs of client works of art or play The text provides a rich tapestry on how the creative therapies can be used across cultures for issues such as depression and trauma to name a few Of special interest are the chapters on supervision Not only a tool for creative art therapists this informative book will be of special interest to educators students therapists as well as people working in other parts of the world or with culturally diverse clients

Tragic Spirits Manduhai Buyandelger, 2013-11 The collapse of socialism at the end of the twentieth century brought devastating changes to Mongolia Economic shock therapy an immediate liberalization of trade and privatization of publicly owned assets quickly led to

impoverishment especially in rural parts of the country where Tragic Spirits takes place Following the travels of the nomadic Buryats Manduhai Buyandelger tells a story not only of economic devastation but also a remarkable Buryat response to it the revival of shamanic practices after decades of socialist suppression Attributing their current misfortunes to returning ancestral spirits who are vengeful over being abandoned under socialism the Buryats are now at once trying to appease their ancestors and recover the history of their people through shamanic practice Thoroughly documenting this process Buyandelger situates it as part of a global phenomenon comparing the rise of shamanism in liberalized Mongolia to its similar rise in Africa and Indonesia In doing so she offers a sophisticated analysis of the way economics politics gender and other factors influence the spirit world and the crucial workings of cultural memory *Peoples on the Move* David J. Phillips,2001 This is the most comprehensive source of information on all the nomadic peoples of the world Maps help you to locate these nomadic people groups many of them unevangelized black and white photographs enable you to visualize them and people profiles and bibliographic data facilitate research Back cover

Religiosity in East and West Sarah Demmrich,Ulrich Riegel,2020-11-06 The book discusses the theoretical and methodological challenges of an interculturally valid sociology of religion and provides insights into the autochthonous socio religious research in Muslim societies and Asian countries In this way it links discourses that have so far taken place primarily independently of one another The book goes back to a conference in Münster that questioned the Western foundation of empirical religiosity research which reaches its limits in the non American and non European context but also with regard to orthodox forms of faith in the Western context The Tsar's Foreign Faiths Paul W. Werth,2014-03 Explores the scope and character of religious freedom for Russia's diverse non Orthodox religions during the tsarist regime
