Best Women's Erotica, 2003

Sex and Bacon Sarah Lewis, 2008-04-29 It's said that how we eat is reflective of our appetite in bed Food and sex two universal experiences that can easily become addictive and all consuming You don't need to look far The Food Network billboards TV spots to name just a few to witness firsthand the explosive combination of food and sex In *Sex and Bacon* Why I Love Things That Are Very Very Bad for Me Sarah Katherine Lewis is a seductress whose observations about the interplay between food and sex are unusually delightful sometimes raunchy and always absorbing *Sex and Bacon* is a unique type of lovefest and Lewis is not your run of the mill food writer A lusty eater who's spent the better part of her adult life as a sex worker Lewis is as reckless as she is adventurous She writes of eating whale and bone marrow as challenges she was incapable of resisting With chapters that hone in on the categorically simple fat sugar meat Lewis infuses even the most quotidian meals and food memories with sensual observations and decadence worthy of savoring *Sex and Bacon* is exuberant a celebration that honors the rawness and base needs that are central to our experiences of both food and sex

[Yes Means Yes!](#) Jaclyn Friedman, Jessica Valenti, 2019-03-05 This groundbreaking feminist classic dismantles the way we view rape in our culture and replaces it with a genuine understanding and respect for female sexual pleasure In the original edition feminist political and activist writers alike presented their ideas for a paradigm shift from the No Means No model and the result was the groundbreaking shift to today's affirmative consent model Yes Means Yes as coined by this book With a timely new introduction refreshed cover and the timeless contributions of authors from Kate Harding to Jill Filipovic *Yes Means Yes* brings to the table a dazzling variety of perspectives and experiences focused on the theory that educating all people to value female sexuality and pleasure leads to viewing women differently and ending rape *Yes Means Yes* has radical and far reaching effects from teaching men to treat women as collaborators and not conquests encouraging men and women that women can enjoy sex instead of being shamed for it and ultimately that our children can inherit a world where rape is rare and swiftly punished

Desire Lisa Solod Warren, 2011-02-08 A captivating collection of essays *Desire* delves headfirst into its subject matter and explores the complexity of desire with essays about the things women want crave lust after and covet An extraordinary group of writers tackle difficult and taboo subjects from Debra Magpie Earling's desire to hurt someone to New York Times writer S.S. Fair's less than diminishing sensual and sexual desire despite her increasing age to Julia Serano's strong emotional impulse to be a woman before she decided to transition from male to female Many of these essayists

examine the feelings and experiences which surround the things they want but can't or shouldn't have. The reasons such desires are taboo are often personal and range from social conventions and religious teachings to more concrete laws and rules. Desire makes the private public and illuminates the rich and varied desires women have. **The Best American Erotica**, 2004. Cunt Inga Muscio, 2002-10-15. An ancient title of respect for women, the word cunt long ago veered off this noble path. Inga Muscio traces the road from honor to expletive, giving women the motivation and tools to claim cunt as a positive and powerful force in their lives. In this fully revised edition, she explores with candidness and humor such traditional feminist issues as birth control, sexuality, jealousy between women, and prostitution with a fresh attitude for a new generation of women. Sending out a call for every woman to be the Cuntlovin Ruler of Her Sexual Universe, Muscio stands convention on its head by embracing all things cunt-related. This edition is fully revised with updated resources, a new foreword from sexual pioneer Betty Dodson, and a new afterword by the author. Bright, sharp, empowering, long-lasting, useful, sexy. San Francisco Chronicle. Cunt provides fertile ground for psychological growth. San Francisco Bay Guardian. Cunt does for feminism what smoothies did for high fiber diets; it reinvents the oft indigestible into something sweet and delicious. Bust Magazine.

Women's Studies Index, 2003. **Room of One's Own**, 2003. *Women's Studies Index: 2002* GK Hall, 2003. Association Journal, New Moon, Nora Off Our Backs, Psychology Of Women Quarterly, Redbook, Resources for Feminist Research, Sage Woman, Sex Roles, Signs, Sojourner, Teen Voices, Tulsa Studies In Women's Literature, Vogue, WE International, Woman's Art Journal, Women Criminal Justice, Women Health, Women Language, Women Performance, Women Politics, Women in Action, Women's History Review, Women's International Network News, Women's Review of Books, Women's Rights Law Reporter, Women's Studies Quarterly, Working Mother. **Bitch**, 2005. Shameless Arlene Stein, 2006-07. Shame, a powerful emotion, leads individuals to feel vulnerable, victimized, rejected. In *Shameless*, noted scholar and writer Arlene Stein explores American culture's attitudes toward shame and sexuality. Some say that we live in a world without shame. But American culture is a curious mix of the shameless and the shamers, a seemingly endless parade of Pamela Andersons and Jerry Falwells strutting their stuff and wagging their fingers. With thoughtful analysis and wit, *Shameless* analyzes these clashing visions of sexual morality. While conservatives have brought back sexual shame by pushing for abstinence-only sex education, limitations on abortion, and prohibitions of gay/lesbian civil rights, progressives hold out for sexual liberalization and a society beyond the closet. As these two Americas compete with one another, the future of family life, the right to privacy, and the very meaning of morality hang in the balance. **Feminist Periodicals**, 2006. Shameless Pamela Madsen, 2011-01-18. A funny, sexy, and wildly entertaining look at the rewards of fully realized desire in the life of one ordinary woman. At 43 years old, Pamela Madsen was happily married to the man she fell in love with at 17. She was the mother of two sons and had a successful career as a nationally known advocate for fertility issues. But she felt a growing sexual restlessness and yearning that wouldn't let up. And though Pamela loved her husband and didn't want to have an affair, she knew deep

down that she needed more much more In *Shameless* she tells the story of how she found it and not only kept her marriage intact but made it stronger than ever In this fearless memoir Pamela tells the story of her search for sexual personal and spiritual wholeness She explores in riveting detail what she experienced at the hands of sexual healers men who brought her untold pleasure and became her close friends in the process But this is not just another sex book *Shameless* is also an account of how Pamela s journey healed her issues with food and body image and most important helped her weave the many roles that she played daughter friend partner mother into one fully integrated person It is a story about a woman falling in love with herself and a call to other women to do the same
